Did you know?

Did you know that titanium was first used for implants by dentists?

It's true! In the 1930's the metal titanium was found to be bio-compatible in humans. By the 1950's it was used to make dental implants. Before long it was the metal of choice for knee and hip joint replacements, too.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Keep your beautiful teeth and smile for a lifetime! Dentistry with a difference!

Programs offered at Bullards

BANDON - Bullards Beach State Park continues its summer programs for 2018. The programs run from 7-8 p.m. through Sept. 1, Tuesdays through Saturdays, with the exception of the Oregon Old Time Fiddlers, who will play from 2-3:30 p.m. on the second and fourth Wednesdays of each month. The programs are held in either the amphitheater or the meeting yurt and are free and open to the public.

Carpooling or parking at the east side picnic area and walking into the campground is encouraged to avoid parking issues and traffic congestion. Allow enough time if walking in.

Bullards also has a top-notch Junior Ranger program that runs from 10-11 a.m. Tuesdays through Saturdays throughout the summer. On Saturdays, the Junior Rangers take part in a bicycle parade. They have a chance to decorate their bikes and learn bike safety before the parade, then they ride throughout the park. All children are welcome.

This week's programs:

Saturday, June 30, amphitheater - "Cape Blanco Lighthouse, Hughes House and Lifeboat Station" with the Cape Blanco

Heritage Society. Discover how each of these landmark historic sites preserve rich stories from the past and provide memorable experiences for the visitors today.

Tuesday, July 3, meeting yurt - "Tsunami Disaster Preparedness" with Mike Murphy. Learn how to prepare for a tsunami and other disasters. What's in your bug-out bag?

Wednesday, July 4 - No program

Thursday, July 5, amphitheater - "Tales of the Cemetery" with Jim Proehl. Did you know there is a cemetery hidden in Bullards Beach? Find out who is buried there and hear the story of how Bullards Beach became a State Park.

This program includes a short walk to the cemetery.

Friday, July 6, amphitheater - "Coquille Indian Cultural History" with Kassandra Rippee. Journey through the rich history and heritage of the Coquille Indian Tribe.

Saturday, July 7, amphitheater - Bullards Beach Interpretive Park Ranger talk with Patrick Newhall, who will speak on a wide variety of natural and cultural topics to enhance visitors' park experience.

Steeles featured in Meet and Greet at gallery

BANDON - Second Street Gallery presents J.M. Steele and Tod Steele for the second Meet and Greet the Artist for the summer season.

J.M. and Tod will be the featured artists from noon-4 p.m. Saturday, June 30, demonstrating acrylic painting.

The Steeles are professional artists who live on the southern Oregon coast. They have teamed up to create a collaborative style of painting. The images are bold and colorful iconic animals and Western themes painted in acrylic on canvas.

The unique part is that they work side by side, painting on the canvas at the same time. They use their hands to paint with, as well as brushes and texturing tools for finishing touches.

The outcome for this husband and wife team is an exciting Western contemporary style that captures the spirit of both artists, and conveys their love of animals and the West.

Second Street Gallery is located at 210 Second St. SE in Old Town, Bandon. For more information, call 541-347-4133 or visit <http://secondstreetgallery.net/>.

Reception for Mosaic Show at Library

BANDON - Everyone is welcome to attend an artists' reception from 2-4 p.m. Sunday July 1, in the Sprague Room of the Bandon Library Art Gallery to celebrate the return of mosaic art in the 4th Annual Mosaic Show, "Distinctive Voices," which began on June 1 and runs through July.

This year's show features 17 new and returning artists from Oregon and beyond, again displaying the breadth of styles and materials available for work in this medium.

Curator Tracy Hodson's chief goal as she puts this show togeth-

er every year is to educate, delight, and inspire Bandon with as wide a range of artistic voices as possible.

"As the gallery's reputation has grown and the mosaic world becomes aware of this annual tradition, I've been able to collect work of greater technical skill and aesthetic brilliance," Hodson said, adding, "I think this year is the most interesting and exciting so far."

All of the mosaics are available to purchase and many of the artists accept commissions. The show is open Tuesday-Saturday during regular library hours.
