Did you know that one female cat can produce up to 24 new cats in a single year?

It's true! And in her lifetime, a female cat and her offspring can produce over 400,000 cats! It's important to support our local spay and neuter clinics. You can help to save many unwanted animals by donating to your local animal shelters and neuter clinics.

We've come a long way!
 Dentistry with a Difference.
