Did you know?

Did you know that sour candies erode tooth enamel and speed up decay?

It's true! Sour candies contain citric acid, which erodes tooth enamel much faster than any other food. Most sour candies are more acidic than vinegar, and are in contact with teeth for prolonged periods as the candy is eaten. Rinsing with water after eating sour candy helps.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! Dentistry with a difference!

Micah and Me Dance Party set for July 22

LANGLOIS - A family dance party with Micah and Me will be held at 5:00 p.m., Sunday, July 22, at the old Langlois Cheese Factory, 94179 Allen Boice Drive.

Cost to attend the dance party is \$10 per family.

Micah and Me is a band made up of three at-home dads who desire to entertain, educate and empower children from 0-7 and families through the power of music. For a few years now, they

have had the pleasure of playing hundreds of live shows for children and families all over Oregon and Washington.

Micah and Me have been voted one of the top give kindie performers in Portland in both 2017 and 2018.

They play ukulele, guitar, bass drum and bass guitar while singing and dancing their hearts out. The show is 45-60 minutes, depending on the kids' attention span. Kids and parents engage in guided

and free-form dancing throughout the show. Often they include parachute play and bubbles in their performances. At the end of the show they offer an instrument petting zoo. Micah and Me love performing for children and families.

Micah and Me's music can be found on iTunes or visit their website at <http://www.micahandme-rocks.com>.

BANDON - Visitors can strike gold at the Bandon Historical Society Museum on Sunday, July 29, through the inspiration of a new-to-the-museum volunteer and the support of a business sponsor, The Sunset Motel and the Coquille Tribal Community Fund.

A gold panning station will be set up outside the museum during open hours, 10 a.m.-4 p.m., Sunday, July 29, and again Sunday, Sept. 2, on Labor Day weekend. For kids visiting the museum, the first pan of gravel is free. Adults can pan for \$5 a pan and kids can pan again for \$3 a pan. Museum admission is free on Sundays.

Before he moved to Bandon, Ron Loya was a volunteer at the museum in Mariposa, Calif., a community in the heart of the California gold rush country.

Loya brought his experience with gold panning as a museum educational program to Bandon, another community with ties to the gold rush and mining.

The goal is to give kids the "gold panning bug," according to Loya. If they learn how to do it in a controlled environment, they can take the skill with them to search the streams.

The museum's first gold panning venture was to take the program to a session of 4-H camp at Camp Myrtlewood, near Bridge. Then the kids from Bandon Summer Fun program panned gold at the museum as a stop on their history hike June 27. Local Boy Scouts assisted Loya with that day's program.

Funds from a Coquille Tribal Community Fund grant for educational materials purchased the equipment used for

the program. Every young panner takes home a few gold flakes courtesy of The Sunset Motel.

"We refer to the gold Ron salts the pans with as 'Sunset Gold,'" said museum board president Jim Proehl. "We were fortunate that someone came along with a good idea at a time when we had both a grant and a willing sponsor to support the program."

The Bandon Historical Society Museum is located at the corner of U.S. Highway 101 and Fillmore Avenue and is open in the summer every day, from 10 a.m. to 4 p.m.
