**Did you know?**

**Did you know** that the Mayas practiced cosmetic dentistry before Europeans arrived in the New World?

**It's true!** The Mayas of Central America were very concerned about the appearance of their teeth. Besides using inlays of gold and colored stones, they also shaped their teeth by filing them into sharp points. This was to honor their Sun God, Kinich Ahau.

**We've come a long way!** With excellent dental care From Dr. Strong, you will protect your teeth, look great, and feel even better. Keep your beautiful teeth and smile for a lifetime! We enhance people's lives!

# Cranberry Festival a pirate themed weekend

BANDON - The 71st annual Cranberry Festival is a pirate themed weekend of activities, events and entertainment for the whole family. With the theme "Shiver Me Cranberry!" there's something for everyone, with a craft fair, football game, cruise-in and car show, bike ride, Cranberry Festival parade, festival market, queen's coronation, street dance, cornhole tournament, disc golf tournament and a cranberry run.

There are a few changes in festival events this year. The coronation will be held at 6 p.m. Saturday on the main stage in Old Town rather than Friday night. The Cranberry Bowl football game will be held vs. Riddle High School at 7 p.m. on Friday night at Tiger Field, rather than on Saturday afternoon.

Watch for the annual Cranberry Festival special section with Cranberry Festival-related features, schedules, photos and profile of this year's Cranberry Queen Sarah Skeie in this week's Bandon Western World and The World newspapers.

# Linke is this week's Meet & Greet the Artist

BANDON – Second Street Gallery welcomes Alex Linke to the gallery this weekend, Saturday, Sept. 9, and Sunday, Sept. 10, for its Meet & Greet Artist series.

Linke will be around most of each day to talk about his ocean-themed “Salt Traffic” mobiles and demonstrate his beautiful finely handcrafted jewelry, “Pieces In Time” using exotic beads with fascinating histories. He combines

naturally formed elements with historic artifacts and treasures. His artful blending of nature and human history creates unique pieces of exceptional beauty, each with its own special story.

“In choosing components for my jewelry, I look for pieces with an intriguing past, whether a fossil, stone, bead or artifact,” said Linke. “Each piece has its own story, and when you

string all of these bits and pieces of past worlds and lives together, you have a living history.”

After moving with his family from Bavaria, Germany, to Malibu, Calif., Linke worked as a commercial fisherman, yacht skipper and tugboat captain, then served as director of the Port of Bandon for 30 years. His mobiles have been sold to collectors across the United States.
