### Did you know?

Did you know that Charles Lindberg was the grandson of a dentist?

**It's true!** Not only that, Charles Land, grandfather of Charles Lindberg, invented the porcelain jacketed crown in 1903. The basic design of the crown, used on millions of molars, has not changed since it was invented. Is it possibly the first crown to cross the Atlantic?

**We've come a long way!** With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. We're here to help! Dentistry with a difference.

### New Patient Exam Special! \$99

# Safety reminders for the Oregon Coast

**OREGON COAST** - The arrival of spring brings many visitors to the Oregon coast and the Oregon Parks and Recreation Department wants people to be safe while exploring the shoreline.

Coastal threats can come in the form of powerful waves, unstable logs on beaches and erosion of rocks and cliffs.

“People are so excited for the spring sunshine that sometimes safety takes a back seat,” said Lisa Stevenson, OPRD beach ranger speaking at Cape Kiwanda State Natural Area. “But preparation and common sense go a long way to keeping you safe on the coast.”

Stevenson listed several tips for ensuring your trip to the coast is a safe one:

■ **Always keep one eye on the ocean so you won't be caught off guard if a bigger wave surges up the beach.** These “sneaker waves” are unpredictable, power-

ful and especially dangerous for children.

■ **Stay away from logs on the wet sand or in the surf.** These logs can weigh several tons and can be moved by only a few inches of water. The ocean is strong enough to pick up even the biggest log and roll it over you.

■ **Know when the tide is coming in, especially when exploring tidepools.** It's easy to become stranded by the incoming tide when your attention is elsewhere. You can keep track of tides with a tide table; OPRD park rangers and many local businesses can give you one for free.

■ **Be careful on cliffs and rocks.** They can be unstable due to erosion. Stay on marked trails and do not climb over fences. Both are there to keep you safe.

## Blessing of the Fleet taking place Saturday

The annual Blessing of the Fleet will take place at 10 a.m. Saturday, May 26. The gathering begins in front of the Lost at Sea Memorial in the Port of Bandon's boat launch parking lot on First Street in Old Town.

The ceremony honors those who have been lost at sea or make their living on the sea, as well as all veterans. Attendees are encouraged to contact the port office with names of their loved ones to be included in the ceremony. Following the ceremony,

flowers and wreaths will be scattered at the mouth of the river by U.S. Coast Guard Coquille River Patrol and a gun salute will be held at the South Jetty provided by the VFW Medal of Honor Post #3440, Bandon. Donations of flowers are greatly appreciated. Wreaths or bouquets can be dropped off at the Port office the day before or brought to the ceremony.

For more information, contact the Port of Bandon office at 541-347-3206.

## Wild mushrooms topic of free talk

**BANDON** - A talk on Wild Edible Mushrooms of the Southern Oregon Coast will be presented at 2 p.m. Thursday, May 31, at the Bandon Public Library, 1204 11th St. SW.

During this hour-long class learn from Michael "Migs" Scalici of Oregon Coast Wild Harvest how to forage for mushrooms in the wild. Scalici brings years of experience foraging for mushrooms and will teach participants how to have similar

adventures safely.

Many species of wild comestibles grow in this area. In the class, participants will learn how to identify the most common wild edible mushrooms, how and where to find them and how to use them in their kitchens.

Consider taking a walk on the wild side to do a little foraging. Everyone is welcome. For more information, call the library at 541-347-3221.
