Simonds brothers win golf tournament

Brothers Jackson and Peyton Simonds won the McKay's Market Holiday Best Ball golf tournament at Bandon Crossings on Saturday and the participants provided a big boost to the Bandon Police Department's annual toy drive.

The tournament raised more than \$1,400 to help area youth have a merry Christmas, Bandon Crossings pro Jim Wakeman.

McKay's Market sponsored the tournament, including helping provide the cost of the prime ribs for all closest-to-pin winners.

The Simonds brothers had a net score of 13-under (59), which was six strokes better than three other teams in the event.

The pairings of Frank Cronan and Jim Lorenzen, Tim Bigelow and Marty Stephens, and Mitch

McCullough and Brian Gibson, each finished at 7-under.

The top gross scores was posted by two teams. The parents of the Simonds brothers, Jeff and Marie, shot 3-under (69), as did the pair of Cody Soffel and Andrew Kimbell.

Four other teams also finished under par, all at 2-under — Tracy Williams and Montana Frame, Bryan Church and Tobin Smith, Richard Stefiuk and Wake-man, and Adam Burlison and Andy Hammon.

The Simonds brothers had a gross score of even par.

Fill the Shelves fundraiser

Bandon Crossings' annual New Year's Day tournament, the Fill the Shelves Fundraiser, will be played with a 10 a.m. shotgun start on Friday, Jan. 1, 2021.

The two-person tournament is played in the shamble format, with both players teeing off, the team selecting the best tee shot, and both players playing the rest of the hole from that point and taking the best net score for the team.

The entry fee is \$60 (\$50 for Crossings pass holders).

The event is a fundraiser for local food banks. Last year, \$1,500 was donated to two area food banks.

For information, call the Bandon Crossings pro shop at 541-347-3232.

COVID-19 testing offered in Bandon

Southern Coos Hospital and Health Center is offering quick, fast, and accurate COVID-19 testing to our community. For the general population, anyone who suspects they have symptoms of coronavirus, or suspects they may have been exposed to someone who has COVID, should consult immediately with their primary care provider (PCP). A patient's PCP will determine if they need a COVID test and help determine where to get a test.

SCHHC has a program for employees working at Bandon businesses that will ensure that employees at businesses, first responders, and government employees — all of whom make up the backbone of Bandon's economy — may access COVID-19 testing and receive same-day results.

The design of the

program is to reduce the uncertainty that many small businesses experience around employee health in the era of COVID-19. Businesses are now faced with difficult decisions when an employee reports an illness. The loss of even one employee to COVID-19 isolation or quarantine could be devastating to a small business.

Now, COVID-19 testing is only a phone call away at Southern Coos Hospital.

Who is Eligible?

All Bandon workers are eligible. Any employee who works at a Bandon business is eligible. Patients are instructed to tell the hospital registration staff "I'm here because I'm an essential Bandon worker!"

The general public is not eligible for this program. However, anyone who suspects they have

symptoms of COVID or have been in contact with someone COVID positive should talk to their PCP immediately.

Here's how it works:

No doctor's order? No problem. If an employee has a primary care doctor, they will need a doctor's order. If they don't have a primary care provider or they have trouble obtaining an order, Southern Coos Hospital will provide the doctor's order for the test.

No insurance? No problem. If an employee has insurance, we will bill their insurance. If your employee doesn't have insurance, Southern Coos will cover the cost of the test.

For additional information about the Essential Bandon COVID Testing Program, please call 541.329.1032.

The maximum size for the group is 10 people. To join, people are asked to send an email request to Susan Lehman at studioblue@mycomspan.com. The cost is \$6 cash for each session.
