Did you know?

Did you know that just plain water can help to prevent cavities and gum disease?

It's true! A tiny high pressure stream of water directed between teeth and gums can disrupt bacteria and dislodge food particles that are not reached by brushing and flossing. When used daily, it can even control periodontal disease! What a good idea for a gift!

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better.

Mother's NATURAL GROCERY

I would like to take the opportunity to thank our customers and those who helped out during the business transition. Your understanding during our training process is appreciated more than words can describe.

A very special thanks to the moms of Mother's, JoAnn Hubbard and Beth Castro. Your smiling faces and delicious food sustained all of us, and you are both missed. Good luck with your new ventures, and know that you are welcome in the kitchen anytime.

Thank you Robin Miller and Sean Suppes for your continued guidance and support of local businesses.

Additional thanks to Chris Butler for fixing the parking lot!

Assistance from Vicki Affatati, Mark Havill, Robin NiCathin, Cathy Underdown, Robert and Vickie Eichelberger, Ben Horton, Randy Gibson and Derrick Watgen is greatly appreciated. Your efforts make progress possible.

Our staff to date has been flexible and strong during this time. Thank you, Jeff Eikamp, Maggie Philkell and JoAnn Hamblin for being the friendly faces that we all see when entering the store. Rose Fisher, Emma Jones and Matthew Vige create a lot of delicious creations, and we all benefit from their creativity.

Your support has been a blessing and an encouragement to remain focused during this transition. You have all made it possible for Mother's to remain open, and to continue to grow. Thanks again!

Fabric artist at Second Street Gallery on June 10

BANDON - From noon-4 p.m. on Sunday, June 10, Second Street Gallery will host fabric artist and silk painter Debra Street for an early Meet and Greet the Artist event.

Many have seen the beautiful colorful scarves, ponchos, ruanas and more created by Street at Second Street Gallery and on some patrons. Street will be bringing a new batch of silk and silk blend items including some extra styles that can't always be in stock.

Street is from Colorado and learned the painting process from her father, Danny, who developed a dynamic, fashion forward style. Sixteen years ago, Danny wanted Debra to learn how to paint so that she could carry the family art into the future.

She dedicated herself to learning everything she could about the process. She became so excited about it that she went home and decided to start her own business as well. In

addition, Street earned her Master's in Business Administration from Keller Graduate School of International Management.

Having learned the art and skills in coloring and keeping the soft lustrous hand of silk fabrics, Street became even more passionate about developing her fine craft so that she could also continue to stay home with her children and help support the family. The public is welcome to stop in and meet Street and note that every piece is hand-painted and therefore unique from another piece, even if within the same color range.

The gallery is located at 230 Second St. SE in Old Town, Bandon.

For more information, call 541-347-4133 or visit <http://secondstreet-gallery.net/>.

Safety reminders for the Oregon Coast

OREGON COAST - The arrival of spring brings many visitors to the Oregon coast and the Oregon Parks and Recreation Department wants people to be safe while exploring the shoreline.

Coastal threats can come in the form of powerful waves, unstable logs on beaches and erosion of rocks and cliffs.

"People are so excited for the spring sunshine that sometimes safety takes a back seat," said Lisa Stevenson, OPRD beach ranger speaking at Cape Kiwanda State Natural Area. "But preparation and common sense go a long way to keeping you safe on the coast."

Stevenson listed several tips for ensuring your trip to the coast is a safe one:

■ **Always keep one eye on the ocean so you won't be caught off guard if a bigger wave surges up the beach.** These "sneaker waves" are unpredictable, power-

ful and especially dangerous for children.

■ **Stay away from logs on the wet sand or in the surf.** These logs can weigh several tons and can be moved by only a few inches of water. The ocean is strong enough to pick up even the biggest log and roll it over you.

■ **Know when the tide is coming in, especially when exploring tidepools.** It's easy to become stranded by the incoming tide when your attention is elsewhere. You can keep track of tides with a tide table; OPRD park rangers and many local businesses can give you one for free.

■ **Be careful on cliffs and rocks.** They can be unstable due to erosion. Stay on marked trails and do not climb over fences. Both are there to keep you safe.

For more Oregon coast safety information, watch the new Cape Kiwanda safety video on the Oregon State Parks YouTube page.

Free Summer Lunch Program for children

BANDON - The Bandon School District will be providing free summer lunches to children 1 to 18 years of age starting June 18 through Aug. 10.

They will be serving at two locations:

Bandon City Park - Serving from 11:30 to 11:45 a.m.

Ocean Crest Gym - Serving from 12 to 12:15 p.m.

Next brush and yard debris pick up starts June 11

BANDON - The next brush and yard debris removal event of 2018 will start on Monday, June 11. Bandon Disposal will be picking up piles of brush and yard debris. City residents are allowed up to a maximum of 5 cubic yards of brush and yard debris (approximately two pickup loads) at no cost. Simply place your brush and yard debris in the right-of-way alongside the street adjacent to your house prior to Monday, June 11, and Bandon Disposal will pick it up.

The process takes about 8-10 days, so if your pile isn't picked up on June 11, don't worry. The pickups start at the east side of Bandon and

end at the west side.

If you get missed, contact Bandon Disposal at 541-347-9633 and let them know. Please make sure that your brush is in one pile, since there is a maximum of one pile per address, and no group piles. Keep in mind that this program is for woody yard debris such as branches, brush, gorse, etc., so other items and materials such as metals, appliances, furniture, etc. will not be accepted. Branches must be cut into lengths no longer than 5 feet. Grass clippings and leaves will also be picked up, provided they are placed in biodegradable paper bags. No plastic bags can be accepted. Also,

please avoid placing your pile under overhead utility lines or overhanging trees, since a boom truck is used to pick up the debris. Locate your pile away from fire hydrants and utility boxes, and do not impede sidewalks or pedestrian walkways.

A total of three brush and yard debris removal events are held each year. This is the second event. This year they are scheduled for January, June and October. If you have more than 5 cubic yards of debris, or if you want debris picked up at times other than the three brush removal weeks, please contact Bandon Disposal at 541-347-9633 for a price quote.
