R Class of 2023

**Congratulations to the
Class of 2023 Graduates!**

Valedictorian - Maddie Carter

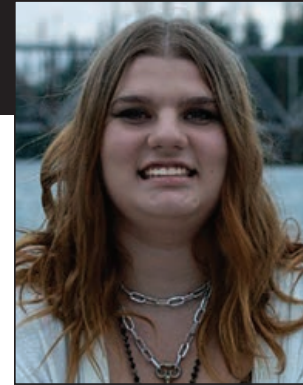

She was raised in Reedsport, Oregon, by her parents, Greg and Rachel. Maddie was active in Varsity Softball and Volleyball while maintaining a high honor roll GPA and will be receiving an honors diploma. She was a student athlete of excellence senior year of volleyball. Maddie plans to attend Linn-Benton in the Fall and then transfer to a University to get her Bachelor's degree in Diagnostic Medical

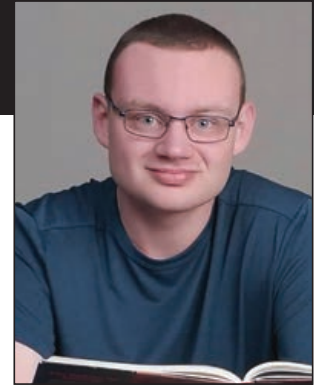

Sonography of medical imaging to become an OBGYN Ultrasound Technician.

Salutarian - Madison Parnell

Madison is the daughter of Debbie Parnell. Madison was active in Golf, Basketball and Volleyball and has frequently been on the honor roll. She plans to move to Eugene and become a real estate agent.

Class of 2023

"We never really grow up, we only learn how to act in public." -Bryan White

North Bend High School Principal
Darrell Johnston

It has been an honor to grow with the students of the North Bend High School Class of 2023 from their 6th and 7th grade in middle school to their graduation. I have had the joy of working with these students, as they have grown from children to adults. Their educational experience has been shaped by some of the most divisive political rhetoric in a generation and the most profound public health crisis in a century.

They've wrestled with the distraction of social media, the temptation of vaping, and the transition from textbooks to digital learning platforms.

These graduating students have triumphed over adversity and are prepared to enter the adult world with powerful reasoning abilities, self-respect and self-control, integrity, a strong work ethic, and academic and professional skills that will lead to success wherever their goals will take them.

Parents and our community should take pride in, and I am grateful for, the 2023 graduates of North Bend High School.
-Darrel Johnston

Valedictorian - Cambree Messner

Valedictorian Cambree Messner is the daughter of Chris and Stacey Messner and sister to Kaleb and Brady. Cambree has been involved in Student Council all 4 years of high school, a member of Key Club, Z Club, and International Club. She is a member of National Honor Society and led an Animal Shelter Drive for the club this Spring. She has helped with Freshman Orientation and been a Bulldog leader the first days of school. She played an active part in planning 2022's Prom and Bulldog's Got Talent. She has truly enjoyed her time working in the library with Susan and Mrs. Lancaster and assisting with all the Holiday decorations. She was also a leader for Safety Town at the Boys

and Girls Club. She has earned All School Awards in History, French, Math, and Aiding. Cambree plans on attending Southwestern Oregon Community College to pursue her degree in Elementary Education in hopes of becoming a Kindergarten or 1st grade Teacher.

Valedictorian - Sierra Bell

Valedictorian Sierra Bell is the daughter of Ruth and Jason Bell. She was active in a variety of groups at North Bend High School, including Z-club, National Honor Society, Science National Honor Society, and Oregon Battle of the Books. Along with clubs, Sierra has been a student council member since middle school. This year, she held the position of vice president for the Senior class. Sierra is also into politics and represented North Bend at Girls State before being selected to represent Oregon at the 2022 Girls Nation. She has taken part in a variety of sports, earning letters in tennis, cross country, and track. Her favorite sport, though, was competitive mountain biking. During her two competitive seasons, she placed

first in two races and went on to win the Oregon Achievement Award. Sierra's future plan is to attend Western Washington Honors College to study molecular biology and environmental science on her way to becoming a medical laboratory scientist and climate activist, working wherever life takes her.

Valedictorian - Alison Kirby

Valedictorian Alison Kirby is the daughter of Debbie Kirby and Durel Kirby. Alison was a competitive gymnast for 11 years before retiring at the Regional Championships in Tacoma, Washington. She is a certified gymnastics coach and accredited competitive judge. In addition to competing as a gymnast, she also competed on the Varsity tennis team this year and the Oregon Battle of the Books (OBOB) team throughout high school. She participated in many clubs including Z-Club, Medical Explorers, and the Science National Honor Society. She earned the Rural and Small Town Recognition award and a National Merit Commendation award due to her exemplary performance on the PSAT. Alison

will be graduating at the age of 16, two years earlier than expected. Alison will attend the David C. Frederick Honors College at the University of Pittsburgh in Pittsburgh, Pennsylvania to study neuroscience and Spanish with the goal of becoming a bilingual neurosurgeon that will help underserved populations.

Valedictorian - Jake Newsum

Valedictorian Jake Newsum is the son of John and Lisa Newsum. He will attend Oregon State University in Corvallis, Oregon, to study business with the goal of becoming an entrepreneur. He has always been competitive, and sports is where he lets that competitiveness shine. He has been on the bowling and baseball teams throughout high school. He has competed in bowling at the national level twice, both in teams and solos. In teams, during his freshman year, they placed 12th in the nation. In solos, he competed and achieved the top 35 in the nation and

bronze in the state. In baseball, he had the highest number of bunt singles in the state during his junior year. He felt that both of these sports are now a part of who he is, shaping him into the person he is today. He says they have taught him to keep fighting for what he loves, no matter how many obstacles are placed in his way. He has also spent four years attending jazz choir, a zero period at North Bend High School. He's spent over five hundred hours in his lifetime singing with fellow musicians in this class, and they never fail to lighten the mood. He says music has a way of connect-

ing people, no matter how stressed or disconnected they may be. On another note, he is also the senior class president, which he is very grateful for. When it comes to clubs and activities, he tries to stay involved in the community. He's been inducted into the National Honor Society and the Science National Honor Society. Most recently, he was elected prom king for his senior year of high school, where he also sang one of his favorite songs for his fellow classmates. He is overwhelmed with the support from not only his peers but also the students that sur-

round him. He is forever grateful for the opportunities he was given. However, none of these achievements would have been possible without the overwhelming support and love of his parents.

Valedictorian - Avery Pex

Valedictorian Avery Pex is the daughter of Allyson McNeill and Jim Pex. Avery participated in basketball and track for all four years of high school and volleyball for three. She played Tenor saxophone for the NBHS symphonic band every year of high school, even traveling to Europe to play in four countries as a member of the Oregon Ambassadors of Music band. She recently won first place at state in a duet and is very proud of the symphonic band's state championship title this year! Avery was also very active in many clubs like Z-club, Science National Honors Society, National Honor Society, Chess club, and a few others throughout the years. Although very busy with school, Avery also enjoyed hobbies such as drawing, painting, rock collecting, gardening and caring for her many pets. In school, she liked all of her classes, but especially loved science, leading to her receiving the Bausch and Lomb Science award her junior year and being selected as a Hutton Scholar to complete a fisheries biology internship this summer. She

would like to thank all of her family for being so supportive with her schooling and all of her school activities because without them, it would not have been possible. In addition, she would like to thank all of her friends who made her take breaks and help enjoy life instead of just focusing on schoolwork. She gives gratitude to every teacher and coach for their support and mentorship. Avery will be attending Oregon State University Honors College in Corvallis to study Biology in addition to pre-vet studies as well as play her saxophone in the OSU marching band. Avery has a goal of becoming a veterinarian or another career involving animal sciences.

Valedictorian - Rebecca Witharm

Valedictorian Rebecca Witharm is the daughter of Bill and Jane Witharm. She will be majoring in Microbiology at the University of Arizona in Tucson, Arizona. Rebecca has participated in symphonic band and marching band throughout her high school career. In band, she has been a section leader since her sophomore year and was a part of the State

Championship her senior year. Rebecca was also a member of the swim team all four years, where she was a member of many relays that placed in the top six at state, along with finishing in the top six in many individual events. While on the swim team, she was the MVP for both her junior and senior year, and a team captain her senior year. She has been a member of

Science National Honor Society since junior year, and was the vice president of this chapter her senior year. Rebecca was also the president of National Honor Society during her senior year. She is proud to be a part of the National Recognition Program and one of the valedictorians of NBHS's class of 2023.

Valedictorian - Sarah Shore

Valedictorian Sarah Shore is the daughter of Jim and Kari Shore. She plans to attend Southwestern Oregon Community College to study nursing and become a Medical Esthetician. While a student at North Bend High School, she was a member of the National Honors

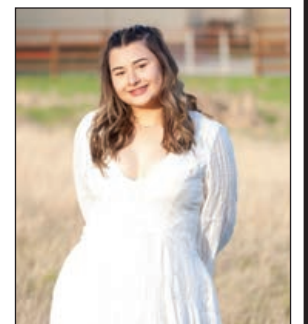

Society and Science National Honors Society. Sarah feels her biggest accomplishment is being on the varsity softball team for four years as well as being the captain. She is honored to represent her school and be labeled as one the Valedictorians of 2023.

Valedictorian - Jade Nanda

Valedictorian Jade Nanda is the daughter of Rohit and Noelle Nanda. She participated in girls golf throughout high school and is a member of the Hauser Dune Riders 4-H horse club, National Honor

Society, and the Science National Honor Society. Jade will attend Oregon State University in Corvallis to study BioHealth and Sciences with a goal of becoming a Clinical Pharmacist.

Salutatorian - Paige Ann Speakman

Salutatorian Paige Ann Speakman is the daughter of Aaron and Rebekah Speakman. She is the President of Science National Honors Society, a member of the National Honors Society, and genuinely enjoys her school activities. After participating in dance for 11 years, she progressed to volunteering and teaching younger students. Currently, she is raising two sheep in her 4-H club. She will be graduating NBHS with honors as well as an Associates of Arts Transfer Degree. She would like to

thank her teachers for their endless role in her education. Most of all, she would like to thank her parents and sisters for being her pillar of support. They have always been a source of motivation and encouragement in her life. She will be attending Oregon State University's online ECampus to study Rangeland Sciences with the goal of becoming a Rangeland Management Specialist for the United States Forest Service. She plans on minoring in forestry or an agricultural field. She

will additionally be dual enrolled in Southwestern Oregon Community College via the Degree Partnership Program while she stays in North Bend.

Class of 2023

Marshfield High School Graduates

Valedictorian - Hannah Croson

Hannah Croson is the daughter of Marinell and Bill Croson, and sister to Ella. She will graduate with an honors diploma and has taken honors and advanced courses since 8th grade, as well as numerous college courses. Hannah has been a member of National Honor Society since 2020 and Science National Honor Society since 2022. She won Best of Show in the 2022 Visions Art competition for Southwestern Oregon Community College with an original painting and has also received multiple

teacher recognition awards throughout high school. Hannah provided many hours of academic tutoring through NHS, and several community outreach programs through SNHS. In the past year, she has crocheted stuffed animal donations for the Kids Hope Center, which she really enjoys. Outside of school, Hannah has danced with Pacific School of Dance for 14, including 5 years in the pre-professional company. Hannah will attend the Honors College at Portland State University, studying for

a BBMB degree (Biophysics, Biochemistry, and Molecular Biology) and plans to pursue a career in forensic science.

Valedictorian - Jack Waddington

Valedictorian Jack Waddington is the son of Lisa Waddington and Trent Hatfield, and a brother to Taylor Waddington. He is a member of Science National Honor Society, National Honor Society, National Technical Honor Society, The MHS Outdoor Adventure Club, The MHS Charity program, and the SkillsUSA Welding team. He has also participated in three years of cross country, four years of

swimming, including earning a state title, and four years of track and field. Throughout high school, Jack has excelled in welding, recently taking 2nd in the state for general welding and winning the Top Hand competition at Rogue Community College. Next year Jack plans to attend the University of Arizona to study engineering.

Valedictorian - Brodie Blair

Valedictorian Brodie Blair is the son of Kristy and Craig Blair, as well as the older brother of Dakota Blair. Brodie has avidly participated in school activities, holding positions within SNHS, NHS, CERT, the MHS Charity Program, Esports, Cross-Country, Knowledge Bowl, and GSA, accounting for over 300 hours of service hours towards the community across all groups. He has

received awards in health, science, and math, as well as being November's student of the month for senior year. He is currently working in IT at Bay Area Hospital and wishes to continue pursuing knowledge in the field of computer science through Oregon State University, where he is admitted in the Honors College. After high school and throughout college, he wants to work towards being a net-

work/cybersecurity administrator or software engineer.

Valedictorian - Sienna Mahaffy

Valedictorian Sienna Mahaffy is the daughter of Pete and Kelly Mahaffy, and older sister to Ada and Kaia. She has been a member of National Honor Society, Science National Honor Society, the tennis team, and Coos County's State Championship Horse Judging team. Sienna is also

the President of two local 4-H clubs and the Captain of Marshfield's Equestrian team. After high school Sienna plans to attend Oklahoma State University to study for her Bachelor of Animal Science degree and pursue a career in agriculture.

Valedictorian - Zoe Thomas

Zoe Thomas is the daughter of Ruth and Ivan Thomas and sister to Barrett. Zoe has received numerous awards for her academics such as Trigonometry Student of the Year. She has also volunteered for the Coos Bay

Public Library as a part of the Summer Youth Corps and the Teen Advisory Board. After high school she will be attending the University of Oregon to study business.

Valedictorian - Kirra Cooley

Valedictorian Kirra Cooley is a life-long Coos Bay resident. Kirra is the child of Peter and Kathy Cooley and sibling to Kady. They have been active in 4-H (dog and photography) and swim team for over a decade. Their favorite dog events are rally

and agility and their favorite swim event is "anything breaststroke." Kirra plans to continue to attend Southwestern next year to finish their associates degree and then transfer to university for further education.

Salutatorian - Kaitlyn Miles

Salutatorian Kaitlyn Miles is the daughter of Doug and Nicki Miles and sister to Jake and Jordan. She is a resident of Coos Bay, Oregon and has been a member of National Honor Society, Science National Honor Society, where she served as president, and the MHS Charity Program. She is a three-sport athlete participating in basketball, volleyball, and track, and has received many awards. In volleyball she was selected second team all-league in 2021, first team all-

league in 2022, and was a member of the 2022 state championship team. In basketball she earned second team all-league in 2021-22, was league player of the year in 2022-2023, state all-tournament 1st team in 2022-23, and 1st team all-state in 2022-23. She was also named September student of the month her senior year. After high school Kate plans to dual enroll with Oregon State University and Linn Benton while playing basketball at the latter, and major in

biology for a pre-med route. After Oregon State she plans to attend medical school to become an Ob-Gyn.

Valedictorian - Alexander Garcia-Silver

Valedictorian Alexander Garcia-Silver is the son of two incredibly proud parents, Moises Garcia, and Melinda Silver. Alex dove right into high school life participating in academic, service and sports opportunities. He was awarded as both the outstanding physics (2020) and chemistry student (2021) and then joined the Science National Honor Society where he has served as the Vice President (2022-23). He participated in Key Club and the MHS Charity Program. He serves in ASB as the Activities Coordinator and was Senior Boy of the Month in November. He likes to joke that others are an "academic

weapon," but in reality so is he, as he has managed to obtain his Associates Degree from Southwestern Oregon Community College while finishing up his senior year at Marshfield. As incredible as his academic and service accomplishments are, he also tied or set many athletic records. He was the OSAA Athlete of the Week, a two-time 4A state Cross Country champion and 4A record holder, Prefontaine High School Memorial Run record holder, Coos County Track and Field meet 1500 record holder, NXN All-American, a key figure in Marshfield's 2022 Track and Field State Championship, a National

Hispanic Gold Medal Athlete of the Year, and the South American U18 3000m champion. Alex has accepted an athletic offer to run for Brigham Young University, a top-three D1 running program. He is planning on studying pre-med.

Congratulations
Senior Class of 2023

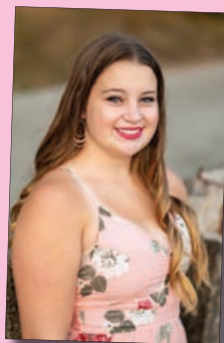

Oregon Grown,
100% Employee Owned!

We are proud of you!

Class of 2023

MEGAN BUE

Graduate of Coquille High School 2023

"The future you have worked so hard to achieve is just around the corner. Through it all you pushed yourself to achieve greatness, and you did. We love you and so excited and proud to see what your future will bring."

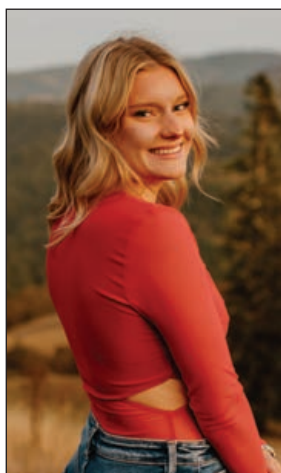

Love,
Mom, Mike and Katie

Valedictorian - Trindy Blanton

"I have attended Coquille Jr/Sr High for the last two years of High School and it has been such a blessing. I am honored to be Valedictorian of the 2023 graduating class. During my time here I have participated in Volleyball, serving as Team Captain, Basketball, also serving as a Team Captain, and Track & Field state championships; including the first women's team

state championship in Coquille history! In my senior year at CHS I served as President of National Honor Society and Treasurer of Student Council. Outside of school I attend the Grace International Church in Myrtle Point. Following High School I plan to pursue athletics at the collegiate level. I look forward to studying Agricultural Business."

Salutarian - Godfred Amonoo

My name is Godfred Amonoo, and I am honored to be the salutarian of the class of 2023. I am the son of Philip and Tracy Amonoo, and at the age of 17, I have achieved many accomplishments. I was born and raised in Ghana until the age of 11, and I have since made a home for myself here in the United States. Throughout my high school career, I have been a member of the National Honor Society, demonstrating my commitment to academic

excellence. Additionally, I am proud to have served as captain of the Coquille Varsity Boys Soccer team, a position that allowed me to exercise leadership and teamwork skills. One of my proudest moments was contributing to the team's victory in the school's first-ever soccer league championship last fall. In the fall, I will be attending Southwestern Oregon Community College, where I plan to study nursing. I am excited about this new chapter in

my life and look forward to contributing to the health-care field.

Congratulations

to the Graduating Class of 2023!
