Did you know? A bone graft can help to replace and strengthen lost bone in your mouth.

It's true! You can lose valuable bone around teeth due to infection or an extraction. If this bone is not replaced, the strength of your jaw becomes weak. You may lose more teeth or even the contour of your facial bones. If you ever need to have a tooth pulled, always ask for an immediate bone graft. A graft will keep your jaw strong by creating new bone as well as a place to hold an implant. Then you can replace that missing tooth.

Your Birthday:

Wednesday, August 17, 2022

Settle down and monitor situations carefully before you get involved. Refuse to let your emotions lead you in the wrong direction. Focus on personal improvements and educational pursuits that will allow you to expand your interests and your cash flow. Be willing to compromise, but don't give anyone the power to make decisions for you.

LEO

(July 23-Aug. 22) -- Pace yourself and monitor what's happening around you. Learn from an interaction with superiors or a competitive situation. Stand up for your beliefs, but don't start a feud.

VIRGO

(Aug. 23-Sept. 22) -- Consider what puts a smile on your face, and double down until you achieve happiness. Don't let emotions or anger interfere with what needs to be done to promote your health and well-being.

LIBRA

(Sept. 23-Oct. 23) -- Look for an opening and charm your way into a position that gives you a shot at present-

ing and marketing what you have to offer. A friendly, positive demeanor will pay off.

SCORPIO

(Oct. 24-Nov. 22) -- Step away from people trying to disrupt your plans. Refuse to let anyone limit your potential. Pour your energy into change and getting things done. Use your imagination.

SAGITTARIUS

(Nov. 23-Dec. 21) -- Don't enter a battle you cannot win. Focus less on the demands being put on you, and strive to satisfy your dreams. Question information that appears to benefit someone else more than it does you.

CAPRICORN

(Dec. 22-Jan. 19) -- Figure out what you want before implementing change. Take care of money issues before you get involved in a joint venture. Don't let a friendship jeopardize your relationship with a loved one.

AQUARIUS

(Jan. 20-Feb. 19) -- Be reasonable and compromise. Getting along with others will strengthen your position among friends, peers and family members. Don't be afraid to speak up about what's important to you.

PISCES

(Feb. 20-March 20) -- Keep your personal and professional lives separate. Changing how you handle money and work responsibilities will help you deal with negative comments that can hurt your reputation.

ARIES (March 21-April 19)

-- Mix business with pleasure, and you'll gain ground. Your input and delightful way of dealing with others will pay off. Take some time to rejuvenate or spend some quality time with a loved one.

TAURUS (April 20-May 20)

-- You'll get the wrong impression if you let your emotions take the lead. Be aware of what others are doing, and ask questions to ensure you know what's happening. Watch out for outside influences.

GEMINI (May 21-June 20)

-- Sit tight and observe. Choose your words wisely, and give no one a chance to misinterpret what you say. Make your health and well-being prime concerns. Staying current is advised.

CANCER (June 21-July 22)

-- Call on people you know you can count on for assistance. A conversation will convince you to branch out in a direction where you know your skills can do some good. Take pride in what you do.
