**Did you know?**

Did you know that just plain water can help to prevent cavities and gum disease?

**It's true!** A tiny high pressure stream of water directed between teeth and gums can disrupt bacteria and dislodge food particles that are not reached by brushing and flossing. When used daily, it can even control periodontal disease! What a good idea for a gift!

**We've come a long way!** With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better.

**Mother's NATURAL GROCERY**

I would like to take the opportunity to thank our customers and those who helped out during the business transition. Your understanding during our training process is appreciated more than words can describe.

A very special thanks to the moms of Mother's, JoAnn Hubbard and Beth Castro. Your smiling faces and delicious food sustained all of us, and you are both missed. Good luck with your new ventures, and know that you are welcome in the kitchen anytime.

Thank you Robin Miller and Sean Suppes for your continued guidance and support of local businesses.

Additional thanks to Chris Butler for fixing the parking lot!

Assistance from Vicki Affatati, Mark Havill, Robin NiCathan, Cathy Underdown, Robert and Vickie Eichelberger, Ben Horton, Randy Gibson and Derrick Watgen is greatly appreciated. Your efforts make progress possible.

Our staff to date has been flexible and strong during this time. Thank you, Jeff Eikamp, Maggie Philkil and JoAnn Hamblin for being the friendly faces that we all see when entering the store. Rose Fisher, Emma Jones and Matthew Vige create a lot of delicious creations, and we all benefit from their creativity.

Your support has been a blessing and an encouragement to remain focused during this transition. You have all made it possible for Mother's to remain open, and to continue to grow. Thanks again!
