Your health is our priority

Coast Community Health Center has dedicated the past 10 years to serving the Southern Coos and North Curry counties. Our staff strive to improve the health of each patient by treating the whole person. Our services include primary health care, behavioral health and expanded community services. Both, Bandon and Port Orford, locations host a full-service pharmacy, open to the public. We accept Medicare, Medicaid, and all private insurances, and provide a sliding fee for those who have financial barriers to accessing healthcare. No one is turned away due to inability to pay for services.

Our dedicated providers

Left to right: Laura Franklin FNP, Hank Holmes MD, Hal Lowry MD, Randall Smith FNP, Whitney Lynn FNP

The newest member of our team is Dr. Emily Reinig, a family medicine doctor. In addition to family medicine, she has experience in both specialty and primary care for patients who are HIV positive. She also works with patients battling addiction.
