DILLIAN BOWMAN-GRAY

NOV. 27, 2014 – JULY 11, 2017

Dillian had loved throughout his short, yet very memorable life.

Born Nov. 27, 2014, Dillian's life may seem like a tragedy to many. At 4 months old, Dillian entered foster care and the home of the Grays, with significant medical needs, but those who were touched by him understood that the quality of his existence far exceeded his earthly bounds. The external circumstances of Dillian's life are not what defined him. A story that began with pain, destruction and darkness; God turned into a beautiful, magnificent masterpiece. Dillian left a lasting impression on everyone he met, most especially his foster family who became his forever family May 3, 2017. He has touched the lives of people from all over the state of Oregon and even across its borders. The lives of many kids within the foster care system were impacted.

His legacy will reach many more through Dillian's Place. Dillian's parents are working with the city of North Bend to renovate a local park into a park specifically designed for kids with special needs. Dillian's family is thankful for the time

they had with him and the opportunity to care for such a special little boy. They have been affected to their core, forever changed, eternally blessed.

Dillian leaves behind many wonderful caregivers who provided love and support that enhanced his quality of life. Dillian's love extends to his wonderful caretakers, most recently, Sandra, Tanisha, Tiffani, Melissa, and Brandi. There is a special place in his family's hearts for Dillian's dear friends Dr. Mary Moore, Dr. Colin Wray, Dr. Jenny Wilson, and his favorite nurse, Susan Halladay. Because of their continual dedication, love and support, Dillian was able to survive some of his toughest medical challenges. He will be dearly missed by all his special caregivers at the Doernbecher Children's Hospital, and his friends at Bay Clinic Pediatrics. All of these special people, too numerous to mention, provided Dillian with love and dignity in his life and also in his death. Although he spent most of his life in the Child Welfare System, Dillian was so incredibly blessed to have people in his life that gave him worth, gave him a name and

gave him a face in a system full of numbers. A few of these amazing people are Kammie Greene a force to be reckoned with, and Heidi Beaubriand and Glenda Marshall amazing members of a much bigger team that ensured he had what he needed and thought outside the box to do right by him.

Dillian is survived by his loving parents, Justin and Christina Gray of North Bend; sisters, Zoe and Grace-Anne; brother, Trenton; grandparents, Lance and Karen Gray of North Bend; uncle and aunt, Ty and Mary Chaffee of Spokane, Wash.; and cousins, Callie, Lucy, and Ian.

If you wish to send flowers or cards, they can be sent to North Bend Chapel, 2014 McPherson Ave., North Bend, OR 97459.

If you wish to honor Dillian's ongoing legacy, donations may be made to Coos County Foster Parent Association – Dillian's Park Fund, P.O. Box 335, Coos Bay, OR 97420, or online at: <https://www.youcaring.com/dillianbowman-gray-873658>

CURTIS W. RUSSELL SR.
SEPT. 11, 1931 – JULY 13, 2017

A celebration of life and potluck for Curtis W. Russell Sr., 85, of Coos Bay will be held at 12 p.m., Saturday, July 29 at the North Bend Community Center, 2222 Broadway Ave. in North Bend. Private cremation rites were held at Ocean View Memory Gardens in Coos Bay.

Curtis was born Sept. 11, 1931 to Betty and Curtis Wayne Russell in Sharon, Miss. He passed away July 13, 2017 in Coos Bay.

Curtis had a brother, Buddy and two sisters, Loretta and Celia. He and his brother were raised in Mississippi by their Grandpa Broom. He had a wonderful childhood and shared many funny stories about the shenanigans he and his brother would get into.

Once Curtis was able to join the military, he enlisted in the United States Navy and proudly served our country for 23 years. He was a frogman (modern day Navy Seal). While in the Navy, he spent time in the Philippines, Korea, Hong Kong, and worked a year and a half on swift boats in Vietnam.

Curtis met Catherine Durschmidt while they were in their early 20s. He was on leave and made "Kitty" (Catherine) promise not to marry anyone while he was shipped overseas. After 6 months, he returned to the United States and married Kitty, Aug. 7, 1954 at the All Saints Catholic Church in Portland. They were blessed with their daughter July 1955.

During their early years of marriage, they lived in Oahu, Hawaii, where Curtis was stationed. Kitty worked as a photographer for the Honolulu

Airport, taking many pictures of celebrities like John Wayne. Curt, Kitty and Tricia enjoyed spending time on the beach with friends and made many close friends while in Hawaii and still exchanged holiday cards or letters with many of them.

In 1970, Curtis retired from the U.S. Navy and they joined their family in Oregon. They bought their home in Empire and lived there until each of their passing. They eventually purchased the house next door for Kitty's Grandma Baker to live and they spent many evenings playing cards or just visiting.

Curtis and Kitty spent 62 blessed years together. During that time, they loved to travel with their daughter, Tricia to visit relatives in Washinton, California, and Mississippi. They were known to stop at a garage sale or two. They would load up their cars with treasures and anticipated what they would find at the next one. Eventually they opened their own second-hand store and Tricia ran the day-to-day business.

Curtis was the head diesel mechanic for Coos Trucking for 14 years and also worked for his son-in-law, Patrick at the Charleston Ice Plant for another 14 years. Curtis could never seem to retire so he purchased the fuel company in Charleston and named it Russell's Marine Fuel and Supply. He made many long-lasting relationships with the fisherman. They loved hearing grandpa's childhood stories and about his time in the Navy. Curtis and his daughter, Tricia ran the fuel dock

for many years then they brought his grandson Curtis Green on to take over the business. Their granddaughters, Liberty and Carrie enjoy taking care of the bookkeeping and helping their brother and mom with the rental properties. They all enjoy taking care of the business that their grandparents worked so hard for.

Their daughter, Tricia; grandchildren, Liberty, Curtis and Carrie; and great-grandchildren, Chandra, Taylor, Ryan and Noah were the blessings in their life and they loved their close knit family.

Curtis lost his beloved wife, Kitty in June 2016. This loss was very hard for him. Kitty often said that she fell in love with him over and over and loved Curtis more every day. Curtis would goose her behind and she would just blush. They always held hands, never went to bed angry, and said "I love you" every day. Curtis always called Kitty, "his beautiful bride". They truly did live the life of a love song.

Curtis is survived by his daughter, Tricia and husband, Pat Houck of Coos Bay; granddaughter, Liberty Green and son, Ryan Cross of Coos Bay; grandson, Curtis Green and granddog, Duner of Coos Bay; and granddaughter, Carrie, and husband, Tom Vrell; their children, Chandra, Taylor, Noah, Tyler and Kendra, of Coos Bay. He also is survived by his sister, Loretta and husband, Mike Mumford of Gresham; and sister, Celia Burnette of Portland.

Arrangements are under the care of Coos Bay Chapel, 541-267-3131.

BRITTANY LOVE

MARCH 2, 1989 – JULY 12, 2017

Modesto, Calif., to Robert and Cheryl Love. She passed away July 12, 2017 in Coos Bay.

She moved to Coos Bay when she was 16, where she attended Marshfield High School. She worked as a med tech for two years at Bay Crest Memory Care. Prior to that, she worked as a caregiver for five years at Ocean Ridge Assisted Living. She spent many years lovingly caring for residents. Her job was rewarding and sometimes came with heartache but it was her caring nature that kept her working with the elderly.

Brittany was the mother of two young sons. They were her entire world.

In 2016, Brittany received devastating news that she had a rare and aggressive form of cervical cancer. She faced her diagnosis with a positive attitude and held onto hope even through the very end. She didn't want to leave her boys. Being their mom was what gave her strength and she wanted to prove to everyone that she would fight to stay with them as long as she could. And she

did just that. She fought hard. Never once was she bitter from the cruel and unfair circumstances. She handled everything with grace.

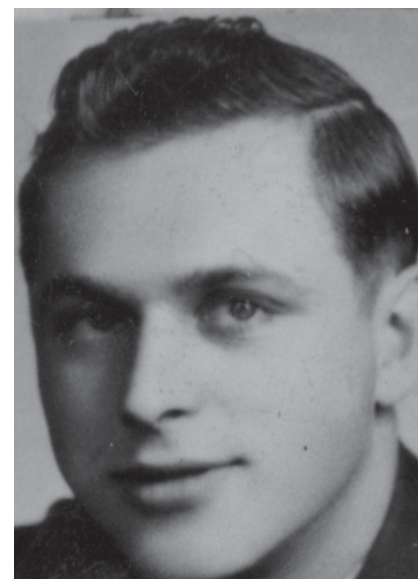

Brittany was such a unique and special person. You could look into her eyes and see her beautiful soul shine through. People were drawn to her. Time never defined her friendships. Those who met her felt an instant connection. And whether you spent a lifetime being her friend or just moments, she was someone that you could honestly and wholeheartedly feel connected to.

She is survived by her sons, Joshua and Tyler Cadwallader; parents, Robert and Cheryl Love; brother, Jonathan Love; sisters, Cally Summers, Meranda Oakes and Faith Love; grandparents, Floyd and Laura Smith, Richard Love; uncle, Timothy Smith; aunt, Stephanie Smith; cousins, Nick Love and Olivia McLane; one nephew; three nieces and her sons' father, Andrew Cadwallader.

They saw in Garrett the things we know to be true; determination, thoughtfulness, trustworthiness, loyalty, a wicked sense of humor, compassion, and a desire to protect the vulnerable. Garrett was a good friend, brother, and son. Heartbreakingly, his torment never allowed him to truly believe that.

In 2013, Garrett met and fell in love with an 18-month-old boy named Jude. Jude called Garrett "Dad" and never stopped. Garrett's commitment and devotion to be a dad to Jude never wavered, becoming Garrett's greatest source of joy and pride.
