Your Birthday:

Wednesday, January 5, 2022

Reflect before you initiate change. Observing, addressing unstable or questionable situations and considering the results you are trying to achieve will save you time and money. Eliminate confusion and take notes, and you'll get a clear picture of what's possible.

CAPRICORN

(Dec. 22-Jan. 19) -- Ponder over what to do next. Refuse to let anyone push you in a direction you aren't ready to pursue. Stay focused on what's important to you instead of putting what others want first.

AQUARIUS

(Jan. 20-Feb. 19) -- You can enforce change. You will make a difference if you take charge. Don't count on everyone to agree with you, but the ones who do will contribute handsomely.

PISCES

(Feb. 20-March 20) -- Go over every detail before you make a move. Don't be afraid to do things on your own if necessary. Someone may have ulterior motives, so tread carefully. Strive for a peaceful life.

ARIES

(March 21-April 19) -- Surround yourself with people who share your beliefs and interests. Discuss alternatives and be a team player. Don't get worked up over something you cannot change.

TAURUS

(April 20-May 20) -- Don't step on someone's toes. Do your own thing, and leave others to their devices. Try to get along with others and to be transparent and up-front in all your dealings.

GEMINI

(May 21-June 20) -- Rev things up and finish what you start. How you deal with your deadlines and responsibilities will determine how vulnerable you appear to others. Refuse to let anyone lead you astray.

CANCER

(June 21-July 22) -- Live, learn and move along. Perpetual motion keeps life interesting. Explore what's available to you and share what you find with someone you respect. Keep your valuables in a safe place.

LEO

(July 23-Aug. 22) -- Put your energy into looking and feeling your best. Strive for perfection, strength and a healthy attitude, and you will get the results you want. Be yourself and trust your instincts.

VIRGO

(Aug. 23-Sept. 22) -- Network, socialize and do something that pumps you up and gives you the drive you require to follow through with your plans. Take a unique approach to relationships and networking.

LIBRA

(Sept. 23-Oct. 23) -- Set your sights on what you want to achieve and refuse to let anything sidetrack you. Pay attention to detail and be disciplined. Knowledge is the key to getting things done right the first time.

SCORPIO

(Oct. 24-Nov. 22) -- A sudden change based on what someone says or does will leave you in a quandary. Rely on your intuition, and you'll choose what's best for you. Progress can be made.

SAGITTARIUS

(Nov. 23-Dec. 21) -- Let your heart lead the way. Take responsibility for your words and actions, and refuse to let anyone take advantage of you. When in doubt, do your research and sit tight.

Bandon By the Sea & Sinking

@bandonsinking

@BandonSinking

First, a grateful thank you to our donors & moral supporters.

- **Why the Coffee Break?** 1) 8.2020 **City Attorney (CA) Carleton** told the City Council (CC) to not have contact with us, 2) City's online mtgs. allow public exclusions, 3) Rules of Council violations, 4) the use of police bouncers, & 5) **the mendacity**. Why is the City **violating the 1st Amendment**? City of Bandon has chosen to have no contact with us since **1.26.2021, City Manager (CM) Chandler's litigation threat**.
- **12.13.21 The municipality, the City of Bandon**, defamed Bremmer & O'Dea, & posted lies on its Facebook & City website. Under your advisement **CA Shala Kudlac**?
- **CM Chandler's contract** protects him **personally & professionally**. OK'd by Mayor (M), CC, & CA Kudlac. Ratepayers will pay to defend Chandler & pay his victims.

Thank you City of Bandon, CM, CC, M, & CA for the recent useful exhibits.

- Councilor Braun admitted guilt for violating **ORS 244.040(1)**. When will he step down? Protected for yrs. by M & CC...**no record of payment for the ~\$7,000 debt...no lien** on his Council stipend. Yet, **the City filed a \$1,5000 lien against an elderly Bandon woman for gorse clean up**. Was she offered a payment plan?

A Tale of Two... Hearings (Part 1)

Out of State Billionaire Developer, (how everyone should be treated):

- **Private meetings** with CM, M, & Planning Director prior to entering into procedures leading to development. **Public & private** contact when necessary during the permitting process.
- **Deference** to the developer & his agents when questions arose. Polite, respectful treatment during the public meetings and hearings; no threats, no rude interruption of speakers, & no police bouncers.
- Granted adequate time to present the project and answer questions (4.2018-4.2021); **extension** of time was given **without penalty**.

Elderly Bandon woman, (how **no one** should be treated):

- Complex legal problems of a local elderly woman were brought into a public hearing about gorse abatement. Without the woman present, the M & CC made no attempt to delay & held the hearing without her.
- The M & CC were provided with 45 pages of legal documents delineating the complexities of the hearing before them (see docs & video for the CC mtg. 7.6.2020). The size of the doc file begs the question as to whether the M & CC **read & understood** the issues **before** they sat in judgment... incl. the code compliance **officer's missing files**, the **threat of a lien**, an **unclear property title**, a trustee scam against the woman, & the **possibility of her losing her home** and self-sufficiency, all over a gorse issue. **City property gorse-free?**
- When the woman appeared in the chamber, the M allowed her to speak for **3 min., but not uninterrupted**. One of the more **unethical & unprofessional actions demonstrated by M & CC** was their conduct toward the woman. See what derisive, badgering, bullying, threatening, & downright rude words these "City Leaders" snarled at the woman...ending with **M directing police to remove her** from the chamber.

Who is steering Bandon? Steer Bandon LLC? South Coast Housing LLC? Same out-of-state billionaire developer? Who is paying for the impact on public infrastructure? How about Bandon partnering with its ratepayers to steer Bandon? Remember ORS 244.040 (1).
