COFFEE BREAK

Bandon By the Sea & Sinking

@bandonsinking

@BandonSinking

First, a grateful thank you to our donors & moral supporters.

- **Why the Coffee Break?** 1) 8.2020 **City Attorney (CA) Carleton** told the City Council (CC) to not have contact with us, 2) City's online mtgs. allow public exclusions, 3) Rules of Council violations, 4) the use of police bouncers, & 5) **the mendacity**. Why is the City **violating the 1st Amendment**? City of Bandon has chosen to have no contact with us since **1.26.2021, City Manager (CM) Chandler's litigation threat**.
- **12.13.21 The municipality, the City of Bandon**, defamed Bremmer & O'Dea, & posted lies on its Facebook & City website. Under your advisement **CA Shala Kudlac**?
- **CM Chandler's contract** protects him **personally & professionally**. OK'd by Mayor (M), CC, & CA Kudlac. Ratepayers will pay to defend Chandler & pay his victims.

Thank you City of Bandon, CM, CC, M, & CA for the recent useful exhibits.

- Councilor Braun admitted guilt for violating **ORS 244.040(1)**. When will he step down? Protected for yrs. by M & CC...**no record of payment for the ~\$7,000 debt...no lien** on his Council stipend. Yet, **the City filed a \$1,5000 lien against an elderly Bandon woman for gorse clean up**. Was she offered a payment plan?

A Tale of Two... Hearings (Part 1)

Out of State Billionaire Developer, (how everyone should be treated):

- **Private meetings** with CM, M, & Planning Director prior to entering into procedures leading to development. **Public & private** contact when necessary during the permitting process.
- **Deference** to the developer & his agents when questions arose. Polite, respectful treatment during the public meetings and hearings; no threats, no rude interruption of speakers, & no police bouncers.
- Granted adequate time to present the project and answer questions (4.2018-4.2021); **extension** of time was given **without penalty**.

Elderly Bandon woman, (how **no one** should be treated):

- Complex legal problems of a local elderly woman were brought into a public hearing about gorse abatement. Without the woman present, the M & CC made no attempt to delay & held the hearing without her.
- The M & CC were provided with 45 pages of legal documents delineating the complexities of the hearing before them (see docs & video for the CC mtg. 7.6.2020). The size of the doc file begs the question as to whether the M & CC **read & understood** the issues **before** they sat in judgment... incl. the code compliance **officer's missing files**, the **threat of a lien**, an **unclear property title**, a trustee scam against the woman, & the **possibility of her losing her home** and self-sufficiency, all over a gorse issue. **City property gorse-free?**
- When the woman appeared in the chamber, the M allowed her to speak for **3 min., but not uninterrupted**. One of the more **unethical & unprofessional actions demonstrated by M & CC** was their conduct toward the woman. See what derisive, badgering, bullying, threatening, & downright rude words these "City Leaders" snarled at the woman...ending with **M directing police to remove her** from the chamber.

Who is steering Bandon? Steer Bandon LLC? South Coast Housing LLC? Same out-of-state billionaire developer? Who is paying for the impact on public infrastructure? How about Bandon partnering with its ratepayers to steer Bandon? Remember ORS 244.040 (1).

All public sources are posted @bandonsinking
