## Andy Hackbarth to perform in Coos Bay on Jan. 16

COOS BAY - Award-winning classical, Spanish, fingerstyle guitarist Andy Hackbarth pays tribute to the "Father of the Classical Guitar," Andres Segovia, in a concert at 7 p.m. Tuesday, Jan. 16, at The Egyptian Theatre in Coos Bay. Doors will open 45 minutes prior to the start of the concert.

Hackbarth pays homage to Andres Segovia through his traditional Spanish fingerstyle work. His current touring show, "A Tribute to Segovia," features instrumental selections and short stories about Segovia's life and music. This eclectic musical journey transports listeners from the music of Bach and the cathedrals of Germany, to the hills of Spain and the

work of Albeniz and Tarrega; from classical Europe, to the southern tip of South America. "A Tribute to Segovia" also looks to modern music and how Segovia's work has influenced the contemporary guitar world.

The Coos County Community Concert Association is an all-volunteer, subscription-based organization offering an affordably priced concert series each year.

Tickets are \$60 for the season (three shows remaining) and \$30 for individual shows.

For more information, contact Jay Farr at 541-297-4008 or visit the Coos County Community Concert Association's website at [www.cccca.com](http://www.cccca.com).

# Dolphin Playhouse presents staged reading of 'A Gathering of Finches'

COOS BAY - The Dolphin Players will present one weekend of staged readings of a new play "A Gathering of Finches," by Judith Elliot McDonald, adapted from the book "A Gathering of Finches" by Jane Kirkpatrick.

These performances will be held on Jan. 19, 20 and 21 at the Dolphin Playhouse, 580 Newmark, Coos Bay. Friday and Saturday performances will be at 7 pm. Sunday will be at 2 pm. There will be a talk-back with the author following each performance. Admission is \$8. Three Bandon residents are in the show: Robin Miller, Johnna Hickox and Cathy

Underdown, along with several other South Coast residents.

These staged readings are the final step in the development of a new play. "A Gathering of Finches" tells the story of the tangled life of Cassie Hendrick Stearns Simpson, who was the wife of Louis Simpson, South Coast entrepreneur and founder of the City of North Bend. Cassie Simpson was the inspiration for the creation of Shore Acres, an oceanfront estate near Coos Bay which is now an Oregon State Park. Her relationship with Louis was tumultuous and scandalous for the period.
