Did you know?

Did you know that titanium was first used for implants by dentists?

It's true! In the 1930's the metal titanium was found to be bio-compatible in humans. By the 1950's it was used to make dental implants. Before long it was the metal of choice for knee and hip joint replacements, too.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Keep your beautiful teeth and smile for a lifetime! Dentistry with a difference!

Reception for Mosaic Show at Library

BANDON - Everyone is welcome to attend an artists' reception from 2-4 p.m. Sunday July 1, in the Sprague Room of the Bandon Library Art Gallery to celebrate the return of mosaic art in the 4th Annual Mosaic Show, "Distinctive Voices," which began on June 1 and runs through July.

This year's show features 17 new and returning artists from Oregon and beyond, again displaying the breadth of styles and materials available for work in this medium.

Curator Tracy Hodson's chief goal as she puts this show together every year is to edu-

cate, delight, and inspire Bandon with as wide a range of artistic voices as possible.

"As the gallery's reputation has grown and the mosaic world becomes aware of this annual tradition, I've been able to collect work of greater technical skill and aesthetic brilliance," Hodson said, adding, "I think this year is the most interesting and exciting so far."

All of the mosaics are available to purchase and many of the artists accept commissions. The show is open Tuesday-Saturday during regular library hours.

Lions to hold Family Fun Day in the Park on July 4

BANDON - Bandon Lions Club is participating in the city-wide Fourth of July celebration. The Lions Club's annual old fashioned Family Fun Day in the Park will be held from 11 a.m. to 2 p.m. in City Park on the Fourth of July. There will be live music by Timberwolf and activities for children will include face painting and a bounce house.

Vendor spaces are still available. For information, all Judy at 541-329-0120.

The Lions will offer a choice of barbecued hamburgers or hot dogs with potato salad, chips, cold drinks and a scoop of ice cream for \$8 per serving, and root beer floats for \$3. Proceeds from this event will support the Lions main sight and hearing programs (vision screenings, exams and glasses; hearing screenings and hearing aids for qualified people), as well as community

service projects such as purchasing medical equipment for the hospital and diabetes awareness, and funding awards and scholarships for Bandon students.

Family Fun Day in the Park is one of several activities the Bandon Lions Club sponsors throughout the year, and the club is always looking for new members to share both the work and the satisfaction that comes from helping others. Local projects that could use more volunteers include the Pancake Breakfast and Auction, Easter Egg Hunt, the Fourth of July Barbecue, Cranberry Run, White Cane Days and See's Candy sales.

For more information about joining the Bandon Lions Club, contact Judy at the above number and help the Lions keep their promise to Helen Keller to work toward eliminating all preventable blindness.

Learn about a trip to China at Travel Night

BANDON - Travel Night at the Bandon Public Library will feature China at 7 p.m., Monday, June 25, in the library's Sprague Room, 1204 11th St. SW.

Learn about a recent trip to China and find out about another China trip (organized through the Coquille Chamber of

Commerce). The next trip will be 10 days and costs \$1,999 including transportation, hotel, meals, programs and tours.

There is no cost to attend the presentation, everyone is welcome and refreshments will be served. Travel Night is sponsored by the Bandon Library Friends.

Programs offered at Bullards

BANDON - Bullards Beach State Park continues its summer programs for 2018. The programs run from 7-8 p.m. through Sept. 1, Tuesdays through Saturdays, with the exception of the Oregon Old Time Fiddlers, who will play from 2-3:30 p.m. on the second and fourth Wednesdays of each month. The programs are held in either the amphitheater or the meeting yurt and are free and open to the public.

Carpooling or parking at the east side picnic area and walking into the campground is encouraged to avoid parking issues and traffic congestion. Allow enough time if walking in.

Bullards also has a top-notch Junior Ranger program that runs from 10-11 a.m. Tuesdays through Saturdays throughout the summer. On Saturdays, the Junior Rangers take part in a bicycle parade. They have a chance to deco-

rate their bikes and learn bike safety before the parade, then they ride throughout the park. All children are welcome.

This week's programs:

Tuesday, June 26, meeting yurt - "Life on the River - When the River was a Highway," with Jim Proehl. This program explores the steamboat era on the Coquille River and the communities and industries that grew up along the river. Bandon Historical Museum volunteer Jim Proehl builds this presentation on photographs from the museum's collection

Wednesday, June 27, amphitheater (2-3:30 p.m.) - Oregon Old Time Fiddlers. Old time music and fiddling with audience participation. It is fun for the whole family.

Wednesday, June 27, meeting yurt - "Bandon's Pioneer Years" with Reg Pullen. Travel through time and explore the rich history of

Bandon, starting with Native Americans 10,000 years ago, through the 1940's.

Thursday, June 28, amphitheater - "Marine Mammals" with Bill Binnewies. Come learn about seal, sea lions and the great whales that are commonly seen along the Oregon Coast. It's a whale of a time.

Friday, June 29, amphitheater - "Bandon Beach Treasures" with Haven Andrist. Uncover the rocks, fossils and petrified wood found on local beaches and learn how to identify them.

Saturday, June 30, amphitheater - "Cape Blanco Lighthouse, Hughes House and Lifeboat Station" with the Cape Blanco Heritage Society. Discover how each of these landmark historic sites preserve rich stories from the past and provide memorable experiences for the visitors today.

Join the Coquille Watershed Association as they present the history of the Coquille watershed and the role of the organization in promoting sustainable agriculture and forestry practices while maintaining the land and water for future generations. Meet the people of the watershed and learn what

they are doing today to preserve the future. “Supporting the conservation of our natural resources is important to us all and to those who will follow us,” said Sara Michael, assistant librarian at the Bandon Public Library.

“This presentation is part of Bandon Public Library’s The Big Fish Vision series, which continues to promote the conservation of the beauty and inhabitants of this place we call home,” Michael said. “Please join us to learn more about the role of the Coquille Watershed Association.”
