Did you know?

Did you know that the Mayas practiced cosmetic dentistry before Europeans arrived in the New World?

It's true! The Mayas of Central America were very concerned about the appearance of their teeth. Besides using inlays of gold and colored stones, they also shaped their teeth by filing them into sharp points. This was to honor their Sun God, Kinich Ahau.

We've come a long way! With excellent dental care From Dr. Strong, you will protect your teeth, look great, and feel even better. Keep your beautiful teeth and smile for a lifetime! We enhance people's lives!

Aquatic Center to hold 'Summer Splash!'

BANDON -- Don't miss the Bandon Aquatic Center's "Summer Splash!" from 2-5 p.m. Saturday, Aug. 19, at the City Park skateboard ramp parking lot.

The Bandon swimming pool organizers are hosting a family event for the community as a way of saying thank you to the many people and businesses who have supported efforts to build a community pool over these many years.

The Summer Splash! event will feature live music provided by Done Deal, free hot-dogs and chips (while they last), raffle prizes, kid's activities and tours of the pool property. Past development board presidents and members have been

invited so they, too, can be acknowledged and thanked for their hard work.

The pool property is immediately adjacent to this area of the City Park. Escorted tours will be conducted by board members. The gorse-free property will be seen in "all its glory," with the pool location delineated, property borders outlined and access roads mapped.

This will be a one-time, not-to-be-missed opportunity for community members to receive and give thanks for the efforts that have brought the Bandon pool development to this point.

For further information, call 541-347-2534.

Manipulated photos on display at Library Art Gallery

BANDON -- The Bandon Library Art Gallery features "Processing the Image: Manipulated Photographs by Brian York" through Sept. 30.

Brian York begins with a photograph, which is then heavily manipulated and processed using PhotoShop and other programs. The piece is then enhanced with digital hand painting and other effects. The result is a textured, complex image that feels like a painting, while retaining some of the qualities of a photograph.

Y o r k ' s

attention to color and detail reflect his excellent instincts for which aspects of the original image to alter or enhance and which to leave intact, as well as what colors to saturate or bleed away, which areas to soften, which to sharpen, in order to create visual tension and emotional impact.

And now through December, the gallery will be displaying a beautiful, handmade quilt that the Bandon Library Friends and Foundation will be raffling off to benefit the library. Tickets are available at the checkout desk.

Pacific Cove fundraiser at Human Bean on Aug. 19

BANDON -- In recognition of International Homeless Animals Day on Saturday, Aug. 19, the Human Bean in Bandon, 65 10th St. SE, will donate \$1 from every drink sold that day to support Pacific Cove Humane Society's fundraising efforts for a new animal adoption center for Coos County.

"Please come out that day and enjoy a great drink while supporting a great cause," said a Pacific Cove spokeswoman.

Pacific Cove Humane Society is an all-volunteer, nonprofit organization and is dedicated to the humane care and responsible adoption of homeless

companion animals in Coos County. While working to open a new animal adoption center, Pacific Cove continues to operate its People to People Pet Adoption Program. Since 2006, an adoption coordinator and other volunteers have successfully placed over 700 dogs, cats, bunnies and birds in their forever homes.

For more information, visit <http://www.pacificcove.org/> and learn about other fundraising events. Also, "like" Pacific Cove Humane Society on Facebook. Call 541-756-6522 with other joint fundraising ideas.
