### Did you know?

**Did you know** that the Mayas practiced cosmetic dentistry before Europeans arrived in the New World?

**It's true!** The Mayas of Central America were very concerned about the appearance of their teeth. Besides using inlays of gold and colored stones, they also shaped their teeth by filing them into sharp points. This was to honor their Sun God, Kinich Ahau.

**We've come a long way!** With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Keep your beautiful teeth and smile for a lifetime! We enhance people's lives!

# Next brush pick-up to begin Oct. 9

BANDON - The next brush and yard debris removal event of 2017 will start on Monday, Oct. 9. Bandon Disposal will be picking up piles of brush and yard debris. City residents are allowed up to a maximum of 5 cubic yards of brush and yard debris (approximately two pickup loads) at no cost. Simply place brush and yard debris in the right-of-way alongside the street adjacent to your house prior to Monday, Oct. 9 and Bandon Disposal will pick it up.

**Note:** It may take several weeks for Bandon Disposal to pick up all the debris and brush piles around town, so residents are asked to be patient. If, after several weeks, your brush and debris pile has not been picked up, contact Bandon Disposal at 541-347-9633 and let them know.

Those who have more than 5 cubic yards of debris, or who want debris picked up at times other than the three brush removal weeks, can contact Bandon Disposal for a price quote.

# Mahaffy Ranch pumpkin patch open for season

COOS BAY - Mahaffy Ranch up Coos River has become a destination this time of year not just for pumpkins but for the corn maze, hay maze and hay rides, and the corn cannon. It's a fun place to meet friends and take pictures in the cutouts set up around the property.

Grab a wagon and head out to the pumpkin patch where you will find pumpkins of

all sizes; select wee little gourds for your fall decorations or a jack-o-lantern size pumpkin to carve for Halloween. Watch as the folks search for just the right one on the river front property Mahaffy's have held for generations.

This year's food vendors include Papa's Dogs and Elkhorn BBQ. Follow the signs to 10362 Highway 241 on the Allegany side

noon-5 p.m. Monday through Friday or 10 a.m.-6 p.m. Saturday and Sunday starting Friday, Sept. 29 and ending Sunday, Oct. 29.

You can learn to take photos, maybe ride a pony or sign up for a floral arranging class. For details on what's happening at the patch, visit [www.mahaffyranch.com](http://www.mahaffyranch.com).

Have questions? Call 541-269-3900.

# Barricades by the South Jetty foredune

BANDON - Residents and visitors may have noticed that some barricades have been placed down at the South Jetty parking lot by the sandy/grassy area between the parking area and the beach. The sandy/grassy area is known as the foredune.

The foredune is a naturally occurring barrier that protects properties in the area from damage due to large waves during

Winter storms. The barricades were placed in an attempt to prevent further erosion of the foredune, caused by vehicles. To learn more about foredunes and their importance in the State of Oregon, visit <http://www.oregon.gov/LCD/docs/goals/goal18.pdf>.

Contact Public Works Director Richard Anderson at [publicworks@cityofbandon.org](mailto:publicworks@cityofbandon.org) (link sends e-mail) with any comments or concerns.

# Staff Picks coming to Bandon library

BANDON - The Bandon library has a stellar reputation. Library patrons have come to expect the library to offer exciting, contemporary and innovative - some would say eclectic and quirky - collections.

There is nothing like the vibrancy of new books to attract and enrich. Keeping the library diverse and exciting is the library staff's challenge and goal.

Coos County libraries are supported by a stable county-wide tax base. The Bandon library stretches these funds to cover many ongoing needs. Additionally, the Bandon Library Friends and Foundation, Inc. (BLFF) has always enthusiastically

stepped up with vital support, most recently, working with the Bandon library to help produce a thriving children's book budget.

The BLFF is now partnering with the Bandon library staff and needs the community's support to extend and enhance the book and media collections for adults and young adults. The goal is to add new items - books, DVDs, CDs - every month which will become an ongoing, changing display called Staff Picks.

The Staff Picks collection will include subjects ranging from historical fiction and novelized biographies to current events, new mystery collections to everything Oregon.

The DVD collection will expand from current blockbusters to include more independent, documentary and foreign language films. Every month when patrons come to the library, they can enjoy a display of Staff Picks Project's new acquisitions.

The goal for this year is \$10,000. For more information and to donate to the Staff Picks Project, go to the BLFF website: <http://bandonlff.org/staff-picks>.

Those who prefer can mail or drop off a check to: BLFF Staff Picks Project, 1204 11th Street SW, Bandon, OR 97411. Put Staff Picks on the check's memo line.
