Did you know?

Did you know that just plain water can help to prevent cavities and gum disease?

It's true! A tiny high pressure stream of water directed between teeth and gums can disrupt bacteria and dislodge food particles that are not reached by brushing and flossing. When used daily, it can even control periodontal disease! What a good idea for a gift!

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Ask us about implants!

MarLo Dance Studio presents 'Peter Pan'

BANDON - Be a part of one of MarLo Dance Studio's most popular productions as the "boy who would not grow up" flies from London to Neverland, does battle with Captain Hook and his cowardly pirates and revels in the adventures of childhood.

MarLo Dance Studio will present "Peter Pan" on May 18, 19 and 20 at the Sprague Community Theater, 1202 11th St. SW. in Bandon. Friday and Saturday shows are at 7 p.m., with two Sunday matinees, at 2 and 4:30 p.m.

This classic tale will feature dancers from Bandon, Coos Bay, Port Orford, Langlois, Brookings, Coquille and

Myrtle Point and a guest alumna performer from Eugene's Ballet Fantastique.

MarLo's "Peter Pan" is a fast-paced adaptation of the classic story by J.M. Barrie told through dance and mime. This original MarLo Dance Studio adaptation first flew across the Sprague Theater stage to sold-out audiences in 2010. MarLo produces an annual spring production every May and "The Nutcracker" bi-annually (coming Dec. 2018).

Peter and company will take to the stage with a little fairy dust and happy thoughts through a grant from the Coos County Cultural Coalition. The grant supported bringing

in acting specialist Mike Dempsey to coach both young and adult dancers in mime, swordplay and comedy. In turn, MarLo dancers will be presenting some of that fun in a free mini-performance for Bandon's Ocean Crest students on May 15.

Reserved seating tickets, if purchased in advance, are \$14 for adults and \$10 for children 12 and younger and are available online at www.marlodance.com under the "events" tab, or call 706-550-1416. Tickets are also available at the door: \$16 for adults and \$12 for children. For more information, call 541-252-1394 or visit the website.

Spring is the time to clean up, so burn responsibly

SOUTH COAST - Now is the time to start removing brush and debris from around homes, and rainy spring days are the best time to get the backyard burning accomplished. Residents are asked to burn responsibly, as debris burning is one of the leading causes of wildfires in southwest Oregon. The Coos Forest Protective Association encourages residents to get burning projects completed as early as possible this spring. This

takes advantage of wet fuel conditions, which helps prevent debris burns from escaping.

Common reasons debris burns escape control include:

- burning in high winds
- not having an adequate clearing around the pile
- leaving a debris burn unattended or ensuring it is completely extinguished
- burning too late into the spring
- burning too large of a pile

■ For machine built piles please call CFPA for advice. Always keep in mind that anytime individuals are responsible for maintaining control of their burn. For burning restrictions inside the city limits contact your local fire department. For example, burning is not allowed in Bandon city limits. For more information on fire prevention visit CFPA on the web at www.coosfpa.net on Facebook or call 541-267-3161.
