Runners enjoy chance to compete

In the eyes of Brent Hutton, the opportunity for Bandon’s runners to join Marshfield, North Bend and Powers for weekly track meets in the Bay Area this month is a reward of sorts.

“It is a relief,” the Bandon track coach said. “Our kids have been running as a group for three months. I have been trying to find something to reward them.”

Bandon’s distance group has been running as a club, which has enabled the Tigers to enter a couple of club cross country meets — against similar clubs from Tillamook, Newport and Philomath. A group of the Tigers also participated in the COVID-style Prefontaine Memorial Run in September.

Marshfield and North Bend are participating in a series of sports against each other every week, including baseball, softball, outdoor volleyball (on the football turf) and track and field through the end of next week.

Then the two Bay Area schools will switch to boys and girls soccer, seven-on-seven football and basketball skills competitions.

Bandon did not participate in the first of four track meets, but have participated in the past two.

The final track meet, next Friday at Marshfield, will be a Coos County Meet of sorts, though it only includes Marshfield, North Bend, Bandon and Powers. The track season, of course, was canceled in the spring.

This fall, Hutton has had about 25 kids working out consistently, all from the cross country team.

An internal team joke of sorts last week was that it was the first track meet ever for Josh Minkler, who plays baseball in the spring, rather than competing in track and field, but is on the Tigers’ cross country team each fall.

The track meets are being run similar to regular meets, though without all the events. Also, the junior high kids from the schools are competing at the same venues, which is not a regular spring occurrence.

And there are no fans, one of the requirements for Marshfield and North Bend to be able to have their fall series of sports competitions.

Ideally, by the time the regular track season comes around next spring, that won’t be the case.

The Bandon girls cross country team won its two club meets this fall, showing the team’s strength, and also had a strong showing in the distance events in the first meet at Marshfield.

Holly Hutton (11:47.91), Danielle McLain (12:04.87) and Aunika Miller (12:33.39) finished first through third in the 3,000 meters and Hutton (2:37.36) and Thompson (2:39.41) were first and second in the 800. Rachel Eickhoff, like Thompson a freshman, won her heat in 3:11.21.

North Bend’s Alex Garcia-Silver won both the boys distance races, taking the 3,000 in 9:23.50, ahead of teammate Tyler Hill (10:10.14). Bandon runners were third through fifth, with Charlie Ells finishing in 10:10.14, Ansen Converse in 10:14.95 and Daniel Cabrera in 11:10.20.

In the 800, Garcia-Silver finished in 2:09.21, followed by Marshfield’s Jacob Calvert (2:18.50) and four Bandon runners: Minkler (2:20.37), Patton Brown (2:22.28) and Damian Avalos (2:24.40). The latter three all are freshmen.

Among the junior high girls, Marley Petrey won the 800 in 2:45.38, a strong time for the seventh-grader.

North Bend’s Emma Slade was second in 2:51.67, followed by another Harbor Lights seventh-grader, Lilly Iverson, in 3:05.04.

Bandon Crossings will host Rotary veterans tournament

Bandon-By-The-Sea-Rotary Club will hold its fourth annual Veterans Golf Tournament to benefit Coos County Veterans on Saturday, Nov. 14, at the Bandon Crossings Golf Course.

The tournament format will be a four-person scramble, with a shotgun start at 10 a.m. Make your own team or we will pair you with other veteran supporters.

The entry fee is $85 per person and includes green fees, range balls, golf cart and lunch.

Hole-in-one prizes include a $10,000 cash award sponsored by Bain Insurance and a 2007 Toyota Tundra 4x4 pickup truck sponsored by Coos Bay Toyota. For more information, contact Dave Buche at 541-572-2017.
