Did you know?

Did you know that dental hygiene principles were recorded a thousand years ago by a Middle Eastern doctor?

It's true! About 1100 AD the Persian physician Abulcasis wrote about plaque and tartar on teeth, how infection was transferred to the gum tissue, and recommended scraping the teeth with small tools, much like we do today.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. We're here to help!

Knit in Public Day set for June 10

BANDON – World Wide Knit in Public Day will be held from 11 a.m.-3 p.m., Saturday, June 10, at the enclosed picnic shelter on the Port of Bandon boardwalk.

The Wool Company of Bandon will be hosting this free event.

All knitters, crocheters and spinners can come together to enjoy each other's company and share in the fun of knitting with the public. Anyone who would like to join group is invited. A raffle drawing and beverages will be provided. Bring a snack to share.

World Wide Knit in Public Day was started in 2005. It began as a way for knitters to come together and enjoy each other's company.

"Knitting is such a solitary act that it's easy to knit alone somewhere and sink into your work without thinking about all the other knitters out there," said Kelly Oney, owner of The Wool Company. "We are expanding our group to those that crochet and spin because the more the merrier."

For more information, those interested can contact Oney at 541-347-3912.

Mind-body healing talks offered

BANDON – Have you ever wondered how the mind can contribute to the healing of the body? What is the current thinking of the scientific community on this type of healing? Join Inbar Shahar C.L.C., D.H.H., BA in psychology and experienced mind-body facilitator, for an introductory/experiential talk about the subject of mind-body healing.

This talk will explore ways that individuals can use visualization and other mind-body techniques to facilitate healing. These techniques have proven to be successful in treating issues such as anxiety, depression, stress, chronic pain issues, abuse, relationship issues, medical problems due to addictions and more.

Two free talks will be available in June. At 11 a.m. Saturday, June 10, at the Bandon library in the Logan Room and at 2 p.m. Saturday, June 17, at Unity of Bandon Church.

During each talk there will be a demonstration interacting with the audience on a technique to change a challenging negative problem to a positive one.

Inbar is also available for life coaching and private healing sessions. She is planning several meditation workshops on dealing with stress through meditation and other subjects, depending on community interests.

For more information, feel free to call Inbar at 310-297-6786.

Striders to hike Cape Arago trails

COOS BAY – The South Coast Striders will host a hike at the Cape Arago Area Trails on Saturday, June 10.

Hike description: Take a 2.5 mile one-way trip from Cape Arago Point on the Arago Pack Trail toward Simpson Reef (the group will stop there briefly to check out the local wildlife - bring binoculars if possible) then along the Oregon Coast Trail to a point .25 miles south of Shore Acres botanical garden.

Those wishing to end their hike there need to arrive a little early (8:30 a.m.) to set a vehicle beside the road .25 miles south of Shore Acres.

For those wanting a longer hike, the group will cross

the highway and take New Perimeter Trail and Arago Pack Trail back to Arago Point for a total of 7.5 miles of hiking.

If there is someone available to lead it, there may be a third option of intermediate length. The short hike is rated moderate and the long hike is rated moderate to difficult.

Plan on two hours for the short hike and three hours for the long hike. Restrooms are at beginning and end of the long hike and a short drive from end of short hike. Pack a lunch to enjoy on the trail, or in the park at the end of the hike.

These hikes offer lots of variety and will be done in time to visit the Clamboree

and Glass Art Festival in Empire, or the gardens at Shore Acres.

Location and time: Meet at 9 a.m. at the covered pavilion at the end of the Arago Point loop for the hikes. From U.S. Highway 101 in downtown Coos Bay and follow the signs 12.3 miles through Charleston to Sunset Bay State Park. Continue past Simpson Reef overlook to the covered pavilion out on the point.
