BANDON HIGH SCHOOL

Commencement: Saturday, June 10, 2017, Otis K. Murray Court (the BHS gym),
Followed by Project Graduation-sponsored all-night party

Baccalaureate: The Barn/Bandon Community Center, sponsored by the Bandon Ministerial Association.

The Class of 2017 is an aspiring group of students and I would like to personally congratulate each and every one of you for achieving high school graduation. Graduation is an opportunity to reflect on your accomplishments and prepare for future opportunities that lie ahead. I look forward to hearing more about how your future hopes and dreams unfold and wish you all the very best.

In addition, I would like to acknowledge the tireless efforts of Project Graduation, our ASPIRE volunteers and local service organizations for their continued commitment to our graduates. The Bandon community goes above and beyond in their support of our students. It is demonstrated year after year through partnerships with local organizations who provide financial and emotional support. Thank you so much for caring about the future of our students.

Sincerely,

Ms. Sabrina Belletti,

BHS Principal

Valedictorian: Katlynn Dawn Ferreri is the daughter of Dino and Jamie Ferreri of Bandon, Oregon. Katlynn plans on attending Oregon State University after graduation to pursue a degree in biology/pre-medicine. She has chosen this academic path because she is interested in becoming a surgeon and has a desire to work with people.

Katlynn's scholastic performance has been exceptional. Remaining focused on her grades and earning the title of class valedictorian is a true reflection of her determination to succeed in high school and beyond. Katlynn challenged herself academically by selecting rigorous courses such as; calculus, physics and college level Spanish. Additionally, she was able to gain placement in our limited medical internship program with Southern Coos General Hospital, which gave her a well-rounded education.

In addition to her academic pursuits, Katlynn has been active in athletics and student body government. She played on our school varsity volleyball and basketball teams, and has always driven herself to take on critical positions within our student body. Not only has she been an energetic leader among her peers by serving in a student body representative role each year of high school, but this year she was voted our school's Associated Student Body President.

Katlynn Dawn Ferreri

Eleanor Rain Winston

Katlynn also volunteers in many capacities which benefit our community, such as Community 101, which awards funds to non-profits in need of financial assistance. She participates in blood drives for the American Red Cross, has spent time working with community based ecological restoration projects and helped fundraise to provide economically disadvantaged families gifts at Christmas time. She is a great role model for her peers and is highly respected by our school faculty.

Katlynn has proven herself to be very serious about her education and enthusiastic about her future. She is an accomplished young lady who is courteous, funny and passionate about life. It has been a pleasure having her as part of our student body and we look forward to seeing what her future holds. We congratulate Katlynn on attaining the honor of being named Bandon High School's Valedictorian of the Class of 2017.

Salutatorian: Eleanor Rain Winston is the daughter of Michael and Jenn Winston of Bandon, Oregon. Eleanor will be attending Oregon State University in the fall to pursue a double major in English and Journalism, as she interested in a career in publishing.

Throughout high school, Eleanor has involved herself in a little bit of everything. Currently, she is the 2017 Associated Student Body Secretary, however, she has made it a priority to involve herself in roles of school leadership since her sophomore year. Over the past four years, Eleanor has excelled in art and her pieces have been chosen to represent BHS in various art shows. Her extra-curricular involvement includes dance, speech and track, which she has competed at the state level in all. Her dedication to our community is an admirable virtue of Eleanor's. She has been involved with multiple Bandon High School service clubs and helped organize various community fundraisers.

Eleanor's ability to maintain a strong academic focus, while balancing involvement in student government, athletics and her community is why she is graduating with a 3.957, the second highest GPA in her class. It is with pleasure we congratulate Eleanor Winston on earning the title of Bandon High School's Salutatorian of the Class of 2017.

COQUILLE HIGH SCHOOL

"I've been looking forward to 2017 ever since these students started in the building as Freshmen. It's been a year full of great memories. Their parents have been very supportive of the school and we will miss the extra involvement from the parents. I'm looking forward to see what the future holds for these students."

— Mr. Jeff Philley,
Principal

Valedictorian: Tara Edwards

Tara plans on attending Mount Hood next year to play basketball while getting her prerequisites and then she plans to transfer to OIT to complete her Degree for Medical Imaging.

Salutatorian: Sabrina Smith

Outside of my academics, which I obviously spend a great deal of time on to be in this position of Salutatorian, my favorite thing to do is skate. Skating has been an outlet for me, and my membership in the ACRD Star Stompers (the local roller derby team) has been a big part of my life in the last two years or so. My team, family, friends, and teachers have all encourage me to do my best, on and off the track, as well as inside and outside of school.

MARSHFIELD HIGH SCHOOL

Marshfield High School, 10th and Ingersoll, Coos Bay, Oregon.

167 graduating seniors.

Graduation: 7pm Saturday, June 10, 2017
Marshfield High School Physical Education Building

Commencement Speaker: Principal Travis Howard

Student Destinations:

93 seniors planning to attend a community college/vocational

25 plan to attend a 4 year university/college

8 plan to go into the military

17 straight to the work force

Balance undecided or unreported.

Marshfield's graduating Class of 2017 stands out as having a record number of student's participating in Expanded Options classes through Southwestern Oregon Community College, 2+2 dual credit classes, work experience opportunities both paid and volunteer, and a large number of the graduates that will be staying local to attend SOCC and give back to their community after graduation.

*-Travis Howard,
Principal*

Photo courtesy Marshfield Times

Rachael Blumenshine

Valedictorian: Rachael Ashley Blumenshine

Rachael Blumenshine is the daughter of Wendy and Jesse Blumenshine. Rachael is a resident of Coos Bay, Oregon but was born and raised in Eugene, Oregon. There, she attended the French Immersion Program that began in kindergarten at Fox Hollow Elementary and continued the rigorous program until her junior year at South Eugene High School. Rachael is very grateful that her parents put her through this program because she believes that it has greatly contributed to her academic success. This program included IHS (International High School) and IB (International Baccalaureate) classes that taught her to have a global and accepting perspective, to be a good problem solver, as well as how to work through things until the end, even when they are extremely challenging. At South Eugene, Rachael played on the Varsity Softball team her freshman and sophomore years. Balancing school with sports taught her the time management skills that are necessary for college. When Rachael transferred to Marshfield High School, she did not expect to be valedictorian, in fact was very surprised, but it is something that she is greatly honored and proud of. Next year, she will be attending OIT in Klamath Falls to complete the rest of her pre-requisite classes for the medical imaging program the following year. After that, she plans to go through medical school and eventually become a radiologist.

Shaylynn Jensen

Salutatorian: Shaylynn Kathleen Jensen

Shaylynn Jensen is the daughter of Tad and Lisa Jensen, and sister to Gracie Jensen. Shaylynn has attended all 4 years of high school at Marshfield High School while residing in North Bend, OR. She was a Homecoming Princess her sophomore year, was voted best senior girl for Mr. MHS, was 2nd team all-league for Volleyball her freshman year and 1st team all-league her sophomore and junior years. Shaylynn was also selected as Volleyball Team MVP her junior year. Other activities that Shaylynn was involved in during high school include: Club Volleyball, National Honors Society (President, senior year), Science National Honors Society (President, senior year), Mr. MHS senior girl, Younglife and was a participant in Concert Choir and New Horizons. Shaylynn has been attending SOCC part time throughout her senior year, and plans to continue there this fall. She has signed to play for SOCC's volleyball team, and is finishing her AAOT degree as well as pre-nursing degree starting in the fall. In the future, she plan's on transferring to a university, to obtain a bachelors and master's degree in nursing. She hopes to become a neonatal nurse practitioner once she completes all of her schooling.

MYRTLE POINT HIGH SCHOOL

Myrtle Point Jr. / Sr. High School is excited to celebrate the graduating class of 2017. We have 29 graduates who have worked very diligently the past four years to achieve this milestone and we could not be happier for them. They are a hard-working group of young adults who have excelled in everything from athletics to drama to Future Farmers of America (FFA). We are confident they will continue their path to accomplish their goals whether it be continu-

ing their academic studies or moving in to the workforce. The future is bright and their willingness to contribute to the community will be a benefit for the next generation. We are certain they have the tools to be successful and we are pleased they were able to establish their foundation as part of the Myrtle Point School District. As they move forward we wish them all the best and look forward to watching them achieve their dreams. Bobcat Nation will remember each of you and we know all of you will do your best to make us proud. Thank you for all you have done.

*Sincerely, Ken Smith
Myrtle Point High School Principal*

NORTH BEND HIGH SCHOOL

The 2016-2017 school year has seen some amazing accomplishments for North Bend High School. This past Fall, our football team accomplished what no other team in our 110 year history had been able to achieve by having an undefeated season, capping off the year

by winning it's first OSAA State Championship. During the last four years, our senior class has been to the semi-finals twice and played for two state titles. This year's class also has the claim to having the only boy to ever win a State Title in Boy's Cross Country. This past Spring, our band continued it's impressive string of accomplishment by winning a fourth straight state title. This year's senior class band members have never known anything but victory at the OSAA State Championships, an accomplishment that no other team at North Bend High School, and very few others around the state have ever accomplished. This year, North Bend High School won eight Far West League Titles. Perhaps as impressive as any other accomplishments has been the academic success of our students involved in athletics and activities. Of our 23 varsity teams, 22 maintained above a 3.0 GPA. The leadership of this year's senior class has paid off not only on the field of competition, but also in the classroom as well. North Bend High School offers more college credit classes than ever before, while also maintaining CTE classes such as culinary, wood shop and metal shop to prepare non college bound students for the work force. The Class of 2017 has taken full advantage of these opportunities and we are very proud of their accomplishments.

—Bill Lucero, Principal

Valedictorian: Brigham Baker

Brigham Baker is the son of Michael Baker. He plans to attend Carroll College in Helena, Montana to study Biology/Pre-Med. Brigham plans to play football for Carroll College and become a neurosurgeon. He was very involved in Extra-Curricular activities such as: National Honor Society, Vice-President of the Student Body, Chess Club, Science Bowl, Science Club, Battle of the Books, Interact Club & Mr. Bulldog. Brigham was a multisport athlete. He participated on the Wrestling, Football, Soccer, Tennis and Baseball Teams. Brigham considers being Valedictorian and First Team All-State Kicker as his most significant accomplishments while in high school.

Valedictorian: George LaGesse

George LaGesse is the son of Dr. Philip and Lisa LaGesse. He plans to attend Gonzaga University in Spokane, Washington to study Biology. While in high school he maintained perfect attendance and was very involved in Extra-Curricular activities such as National Honors Society, Interact Club and Key Club. He spent 4 years on both the Varsity Cross Country and Track Teams. George is a Deacon at First Presbyterian Church in North Bend, and enjoys skiing, hunting, fishing & backpacking in his spare time.

Valedictorian: Thomas Mitchell

Thomas Mitchell is the son of Stuart and Connie Mitchell. He plans to attend the University of Oregon to study Computer Science and Economics. He has been instrumental while at NBHS as Captain of the Media Team operating the Jumbotron at football games and track meets. Thomas has used his tech and organizational skills to assist staff and students alike who requested his assistance with a multitude of school projects. Thomas has been very involved while in high school as a member of the National Honor Society, Media Team Captain, Key Club President, Student Council Secretary, Link Crew Leader and Boys State Senator. In his free time he plays the piano and manages his investment portfolio.

Valedictorian: Alyssa Monohon

Alyssa Monohon is the daughter of Troy and Carol Monohon. Alyssa plans to attend Gannon University in Erie, Pennsylvania to study Biomedical Engineering. While in high school she participated on the Cross Country, Track and Field and Swim Teams. Extra-Curricular activities included Science Club, Interact Club and Mr. Bulldog. Alyssa looks back with pride when she recalls being a member of the State Championship Band for 2 years, going to State in Cross Country for 3 years and being on the State Championship Swim Team that broke 3 school relay records.

Valedictorian: Hannah Shupe

Hannah Shupe is the daughter of Deborah and Douglas Shupe. Hannah plans to attend Oregon State University and will study Chemistry/Biology. She was involved in high school activities such as International Club, Link Crew and held a leadership role as an Officer in Key Club, and participated on the Cross Country and Swim Teams. Hannah is a dancer at the Pacific School of Dance and was a North Bend July Jubilee Princess.

Salutatorian: Samantha Shook

Samantha Shook is the daughter of Trisha Shook and Scott Shook. Samantha's future plans are to attend Southwestern Oregon Community College for 1 year, and then transfer to Portland State University where she will study Criminal Justice and Journalism. She is a member of the National Honor Society, Student Council, Interact Club and Band. Samantha fondly remembers competing on the Cross Country, Track and Tennis Teams, and receiving MVP honors for Cross Country her Senior year. She is very proud to have been a member of the Band while winning State 2 years back-to-back. Samantha considers herself a simple gal who enjoys running, star gazing, swinging on swings, eating chicken strips, drinking Dutch Bros Coffee, and spreading happiness to those around her.

The Powers High School graduating class of 2017 consists of ten very well-rounded students, each with their own dreams and aspirations. In a school our size, a student's education can be individualized and tailored to fit each student's abilities and passions. This group is a microcosm of that approach, with each student prepared to take the next step in each of their chosen paths. Some will graduate with numerous college credits already earned through dual credit courses, some are off to the next level in their athletic careers, and others are poised to serve our country in our nation's military; All worthy pursuits and each as unique as the individuals.

As adults we know that what we choose to be our "lifelong career" when we are 18 years old doesn't often come to fruition. The journey of life takes us down paths that we neither expected nor prepared for. With the pace of change continuing to increase exponentially in our world, it is very likely that some of today's graduates will find themselves pursuing careers that don't even exist yet. The challenge for schools is to prepare students to be lifelong learners, instilled with resiliency and courage to take on the unknown and solve the problems that we've never faced before. This is a group of students that we at Powers are proud to put forth into this ever-changing world, because they will go forward and meet the challenges and succeed.

The opportunity to work with these young adults and help them become the person they want to be is a very rewarding endeavor. The relationships and bonds you develop last a lifetime. Small schools often struggle with lack of resources and opportunities, but what they lack in that area they make up for in relationships. Our school is a family. In a family we rejoice in each other's success and support each other in difficult times. When a part of our family graduates and departs, it is both exciting and a little sad. While we look forward to the future for our graduates and the pride they will bring to our school and community, our world is left with a void in their absence. They are to become a treasured piece of our school history and a lasting presence in our community.

— Matt Shorb, Principal

Senior Sports Awards Night:

6:00 p.m. Wednesday, May 31, 2017
Reedsport Community Charter School Auditorium.

Project Graduation Grad Night:

6:30 p.m. Sunday June 4, 2017
From Reedsport Community Charter School back parking lot.

Destinations:

7 are going to work
24 are going to post-secondary education

The Reedsport Community Charter School class of 2017 stands out as a very successful class in so many ways. This is a highly motivated class with two-thirds of them planning on going on to college where their drive and determination should bring them success. Many of the students have overcome significant personal obstacles to reach this point and that perseverance will carry them a long way. They have exhibited strong leadership skills throughout their time here at RCCS as members of our student council. Athletically, this class has been the foundation of great success in several sports that have earned spots in the State tournament. This is a great class and they have left a positive mark on our school and our community.

—Vincent Swagerty, principal

Anna Charlotte Zetzsche

Valedictorian: Anna Charlotte Zetzsche

Anna Zetzsche is a senior at Reedsport Community Charter School. She was raised in Reedsport, Oregon, by her parents, Jost and Kristin Zetzsche. Anna enjoys being very active in her school, church, and community. At school she is Student Body President, National Honor Society Vice President, a co-captain on her volleyball and basketball teams, a student representative on the Reedsport School District Mascot Committee, and one of the senior coordinators for Mr. RHS. Outside of school she is very active in her church and community. This fall Anna is planning to continue her education at Seattle Pacific University, majoring in Elementary Education.

Gabriela Garcia Analco

Salutatorian: Gabriela Garcia Analco

Gabriela is the daughter of Gonzalo and Ava Analco. Gabriela has frequently been on the honor roll and participates in Varsity Volleyball, Basketball and Softball. She plans on attending the Washington State University in the fall and plans to study animal sciences and possibly become a veterinarian.
