Did you know?

Did you know that dental implants can help to strengthen bone and to save your existing teeth?

It's true! Dental implants exercise and strengthen bone which resorbs when teeth are lost. They also help distribute chewing forces, which reduces stress on existing teeth, and helps prevent damage to good teeth.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! Dentistry with a difference!

Molly Tuttle is first Showcase concert of season

BANDON - Bandon Showcase presents singer-songwriter Molly Tuttle for its first concert of the 2018-19 season.

Tuttle will perform at 7:30 p.m., Friday, Oct. 12, at the Sprague Community Theater, 1202 11th St. SW, in Bandon City Park.

A virtuoso multi-instrumentalist and award-winning songwriter with a distinctive voice, Tuttle has turned the heads of even the most seasoned industry professionals. Her lovely voice, impeccable guitar playing and sensitive song writing make her a star on the rise.

Her 2017 win for Guitar Player of the Year from the

International Bluegrass Association was history-making, as the first woman to ever be nominated for the honor. The accolades kept coming in 2018 as Folk Alliance International's International Folk Music Awards awarded her Song of the Year for her song "You Didn't Call My Name."

On her debut solo EP "Rise," Tuttle reveals the rich new ground she's discovered. Anchored by her luscious vocals, smart writing and incredible flat-picking, "Rise" is a direct reflection of Tuttle's personal and artistic growth over the last several years.

Reserved seating tickets are \$25 each and are available at Bandon Mercantile, 541-347-4341, at www.bandon-showcase.org or at the door.
