Did you know?

Did you know that just plain water can help to prevent cavities and gum disease?

It's true! A tiny high pressure stream of water directed between teeth and gums can disrupt bacteria and dislodge food particles that are not reached by brushing and flossing. When used daily, it can even control periodontal disease! What a good idea for a gift!

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Ask us about implants!

Stamp Out Hunger Food Drive is May 12

SOUTH COAST - On Saturday May 12, letter carriers will be doing more than just dropping off the mail; they'll also be collecting food for the annual Stamp Out Hunger Food Drive. Hosted by the National Association of Letter Carriers, Stamp Out Hunger takes place around the country and is the largest single-day food drive.

Take part by collecting nonperishable food items and leaving them in a bag near the mailbox early on May 12. A letter carrier or volunteer will pick up the donation

and ensure it gets to Oregon Food Bank. Last year, one million pounds of food was collected in Oregon and Clark County, Wash. This year's goal is 1.2 million. All donated food stays in the community where it was collected.

A list of most wanted foods is available at oregonfoodbank.org/mostwanted. Donations not picked up by letter carriers can be dropped off at any post office by Wednesday, May 16. Financial donations can be made online at give.oregonfoodbank.org/NALC.

BANDON HIGH SCHOOL
2018 GRADUATION is June 9.

The Bandon Western World will publish a photo page of the BHS graduates on June 7, with 1x3 ads surrounding the photos.

See seashells at free OIMB talk

CHARLESTON - Nearly everyone picks up seashells on the shore, but most don't really understand what they are and how they live in the underwater world.

The public is invited to an illustrated presentation at 7 p.m. Friday, May 11, that addresses such questions, presented by Professor Geerat Vermeij, one of the world's foremost authorities on living and fossil shells. The title of his lecture will be: "Shells: an ecological and historical window on the marine world."

Immediately following the lecture, interested individuals will be admitted to the Charleston Marine Life Center, where Dr. Vermeij, who is totally blind, will explore the museum's shell collections with his hands and explain the form, lifestyles and

evolutionary history of the specimens he finds there.

This is a truly rare opportunity for anyone who collects shells or has an interest in marine life.

The talk will be held in the OIMB Boathouse Auditorium in Charleston (Park near OIMB and walk to the end of Boat Basin Drive, past the Coast Guard housing complex). Admission is free and all are invited.

Dr. Geerat Vermeij is currently a professor of earth sciences at the University of California, Davis. He was born in the Netherlands and lost his sight at the age of three. Despite this challenge, he has become one of the premier evolutionary biologists of our time.

Face Rock Creamery celebrates five years

BANDON - In 2013, Face Rock Creamery opened with fanfare, with an overflowing crowd of officials, dignitaries and South Coast residents cheering as the ribbon was cut for the company that brought cheese back to Bandon.

Five years later, the creamery is going strong, and the annual anniversary celebration on Mother's Day weekend, this year named the Face Rock Festival, will be bigger and better than ever. The idea is that it's not just about cheese, but about the community coming together to celebrate, organizers said.

This weekend's festivities will run from 11 a.m.-7 p.m. Saturday, May 12, and 11 a.m.-6 p.m. Sunday, May 13, with live music on a portable stage by Done Deal from 11 a.m.-4 p.m. Saturday and 11 a.m.-2 p.m. Sunday. Live music also will be

provided by local high school bands from 2-6 p.m. on Sunday, including bands from Marshfield, Siuslaw and Bandon high schools.

In addition, there will be a bounce house, obstacle course and face painting for the kids, supervised by the BHS Cheer Team; tents for a covered seating area; \$3 cheeseburgers (with Face Rock cheese), \$2 hot-dogs and \$2 microbrews as well as wine, beer, cheese and food sampling; a dunk tank by the Bandon Aquatic Center and a booth from Bandon Animal Rescue; and mimosas on Sunday morning starting at 9 a.m. The event will be broadcast live on The Legend 105.9 FM.

For more event details, visit Face Rock Creamery's website at facerockcreamery.com or their Facebook page.

100 Strong Bandon to meet May 15

BANDON - Over the past year, 100 Strong Bandon members have contributed a total of \$14,925 to local charities. Founders Julie Miller and MaryAnn Soukup are excited about the impact of these funds in the community and are looking forward to seeing what happens as the group continues to grow.

100 Strong Bandon is a women's giving circle that supports local charities. Quarterly, the members meet, select a 501(c)(3) charity that benefits Bandon area residents and make a tax-deductible donation of \$50 or more directly to that charity, all within a one-hour meeting. In addition, the charity

selected by the group in the prior quarter presents a report on how they used the funds and thanks the donors.

There is no membership fee to join 100 Strong Bandon, and all funds raised go directly to charity. The goal is to reach 100-plus members. Current membership is approximately 60. The group is open to women 18 years and older living in the Bandon area. Guests are welcome to attend; however, to nominate a charity or to vote, you must be a member. To sign up, go to <http://bandon.com/100-strong-bandon-signup/> and complete the membership application.

To find out more about the group, go to www.bandon.com/100-strong or simply come to a meeting. The next meeting of 100 Strong Bandon will be Wednesday, May 16, in the 1st floor lounge at Lord Bennett's (1695 Beach Loop Drive SW). The doors will open at 5 p.m., with the meeting scheduled 5:30-6:30 p.m.

All members are encouraged to bring a friend to the meeting and nominate a charity. Members who cannot attend are asked to remember to send their check with a friend or drop it off at the Bandon Chamber of Commerce office within seven days following the meeting.
