## **AQUARIUS (Jan. 20-Feb. 19)**

Stay in touch with trends. Ask questions, make suggestions and do your part to maintain a healthy and vibrant environment. Be a reasonable observer and try to understand what others are going through. You'll make better decisions.

## **PISCES (Feb. 20-March 20)**

Offer kindness and consideration when dealing with negativity or opposition. Avoid risky or no-win situations. Don't let your emotions and generosity lead to financial loss or conflict.

## **ARIES (March 21-April 19)**

Arguing is a waste of time. Align yourself with people eager to work by your side to get the desired results. Focus on what's right in front of you; you will find what you're looking for.

## **TAURUS (April 20-May 20)**

Don't sit back if taking charge will get you where you want to go. By being aggressive with your plans, you will find the road to victory. Sincerity will pay off.

## **GEMINI (May 21-June 20)**

Keep your plans secret. Put a limit on spending to avoid being put in an awkward position. Stick to the most efficient way to execute your plans. Be secretive.

## **CANCER (June 21-July 22)**

Turn an idea into a profitable venture. Adjust what's necessary to complete your plans. Do your homework and broaden your outlook. Don't invest in someone else's plan if it conflicts with yours.

## **LEO (July 23-Aug. 22)**

Listen and do more but say less. Keeping the peace and taking care of matters that bring you closer to someone you love is in your best interest. A change of scenery will pay off.

## **VIRGO (Aug. 23-Sept. 22)**

Participate in something that challenges you mentally and sparks your imagination. Some, not all, will welcome how you approach situations at work and home. Don't try to take charge.

## **LIBRA (Sept. 23-Oct. 23)**

Walking down memory lane will help you implement a successful plan. Asking someone to contribute will help keep the peace and build a solid relationship. Stay true to your goals.

## **SCORPIO (Oct. 24-Nov. 22)**

Listen to reason and use your attributes to reach your goal. Your intuition won't lead you astray. A change is apparent, but trepidation will hold you back if you aren't ready to take a leap of faith.

## **SAGITTARIUS (Nov. 23-Dec. 21)**

Observation will provide insight into how best to handle money, partners and getting things done on time. Deal with opposition strategically to fine-tune your plans.

## **CAPRICORN (Dec. 22-Jan. 19)**

Look, evaluate and consider how best to use your skills to get ahead. Step up and be the first to take a stand and make a difference. Aggressive action will drum up the help you need.
