Did you know? Did you know that Dr. Thomas Welch was a dentist from Civil War days whose name is commonly known today?

It's true! In 1869 Dr. Welch founded a vineyard and the town of Vineland in south New Jersey, and began producing "unfermented wine" which became very popular. His business expanded, and his unfermented wine became what we know today as Welch's grape juice!

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! Experience Dentistry with a Difference!
