Did you know?

Did you know that without saliva you cannot taste food?

It's true! Saliva is necessary for tasting. It carries dissolved flavor molecules in food to receptors on taste buds, which send flavor signals to the brain. Saliva also contains substances which eliminate viruses, bacteria and fungi from the mouth.

In celebration of National Poetry Month, PoetryMusic will be performed at 7 p.m. Wednesday, April 4, at the Bandon Public Library Sprague Room, 1204 11th St. SW.

For over 30 years, Lee and O’Brien have performed as the eclectic chamber jazz duo Primal Mates. Along the way, they have performed at the Mt. Hood Jazz Festival and the Festival Internacional de Jazz in San Miguel, Mexico, and were featured on the Denver PBS series “Artist Profile.”

Their current performance, PoetryMusic, “Where Words and Music Meet,” is dedicated to poetry set to music, music composed to poetry and poetry as a catalyst for free improvisation. The performers combine poetry, music and visual images for a unique multimedia experience. Following the program, Lee and O’Brien will take questions from the audience and facilitate a discussion about poetry and music. Learn more at <https://www.poetrymusic.org>.

There is no cost to attend, everyone is welcome, and refreshments will be served. This program is sponsored by Bandon Library Friends and Foundation, www.bandonlff.org.
