Volunteers Needed

Our local residents of nursing homes, assisted living, and memory care need your help! Long-Term Care Ombudsmen are volunteers trained by the state as advocates for these residents. Volunteers visit facilities and talk to residents and families to make sure this vulnerable population is receiving the care they need and treated with the dignity they deserve. Sometimes the Ombudsmen are the only visitors the resident receives and their only voice for support. We in Coos and Curry County are in desperate need for others to join us so all long-term residents can be protected from abuse and loss of their rights to proper care. To learn more please contact one of our local ombudsmen at either (541) 267-0892 or (541) 756-5730, or visit www.oltco.org.
