Did you know?

Did you know that the first woman dentist in English history was noted before the pilgrims came to America?

It's true! Mrs. B. Dawson was mentioned in the Annals of Barber Surgeons in 1557. It seems she had helped her husband pull teeth at the barber shop, and kept it up after he passed away.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants you can keep your beautiful teeth and smile for a lifetime! Dentistry with a difference!

Programs offered at Bullards

BANDON - Bullards Beach State Park continues its summer programs for 2018. The programs run from 7-8 p.m. through Sept. 1, Tuesdays through Saturdays, with the exception of the Oregon Old Time Fiddlers, who will play from 2-3:30 p.m. on the second and fourth Wednesdays of each month. The programs are held in either the amphitheater or the meeting yurt and are free and open to the public.

Carpooling or parking at the east side picnic area and walking into the campground is encouraged to avoid parking issues and traffic congestion. Allow enough time if walking in.

Bullards also has a top-notch Junior Ranger program that runs from 10-11 a.m. Tuesdays through

Saturdays throughout the summer. On Saturdays, the Junior Rangers take part in a bicycle parade. They have a chance to decorate their bikes and learn bike safety before the parade, then they ride throughout the park. All children are welcome.

This week's programs:

Wednesday, July 4 - No program

Thursday, July 5, amphitheater - "Tales of the Cemetery" with Jim Proehl. Did you know there is a cemetery hidden in Bullards Beach? Find out who is buried there and hear the story of how Bullards Beach became a State Park.

This program includes a short walk to the cemetery.

Friday, July 6, amphitheater - "Coquille Indian Cultural History" with Cassandra Rippee. Journey

through the rich history and heritage of the Coquille Indian Tribe.

Saturday, July 7, amphitheater - Bullards Beach Interpretive Park Ranger talk with Patrick Newhall, who will speak on a wide variety of natural and cultural topics to enhance visitors' park experience.

Tuesday, July 10, meeting yurt - "Bandon Cranberry Farming" with the Clarke Family. A glimpse at cranberry farming along the Oregon Coast and what it takes to be a successful cranberry grower.

Wednesday, July 11, amphitheater - Oregon Old Time Fiddlers, 2-3:30 p.m. Old time music and fiddling with audience participation.

It is fun for the whole family.

Sage Place offering art workshops for kids

BANDON - Children, ages 6-18 years, are invited to Sage Place and the Bandon Discovery Center, for a summer of creative studio adventures.

Beginning Thursday, July 5, and running through Aug. 30, Sage is offering a series of workshops called “Art Journeys for Kids.”

Each class is focused around exploring fundamental design concepts, experimenting with art materials and discussing works from pre-history to the 21st century.

Thursday workshops are offered in two sessions: ages 6-12 meet from 10-11:30 a.m., and ages 13-18 meet from 1-2:30 p.m.

All classes will be taught by Anne Sobbota, M.A. The owner of Sage Place, Sobbota is an artist and professional arts educator.

With 28 years of teaching experience, she currently teaches advanced glass and creative theory workshops in the studio. Assisting, on Thursdays, will be Autumn Moss-Strong, a University of Oregon student and Bandon High graduate who was recently accepted into the UO Educational Foundations program.

Additional workshops, combined for all age groups, will also be offered on select Sunday and Monday afternoons, from 3-5 p.m. Susan Tree will be the assistant in these condensed classes. Tree is a professional artist and a Sage Place instructor. She is also the creator of many of the beautiful glass pieces featured in the Bandon Discovery Center exhibits.
