Did you know?

Did you know that sour candies erode tooth enamel and speed up decay?

It's true! Sour candies contain citric acid which erodes tooth enamel much faster than any other food. Most sour candies are more acidic than vinegar, and are in contact with teeth for prolonged periods as the candy is eaten. Rinsing after sour candy helps.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! We enhance people's loves!

Sweet Speeches coming on Nov. 9

BANDON - Join the Bandon High School Speech and Debate Team for its first Sweet Speeches of the school year at 7 p.m., Thursday, Nov. 9, at the Sprague Community Theater, 1202 11th St. SW.

Sweet Speeches is the team's main opportunity to share with the community the season's award-winning speeches while raising funds for meals and motels for upcoming speech tournaments.

"Sweet Speeches has always been, and always will be, a wonderful experience," said coach Tyler Curtis.

Come and watch the team perform a variety of pieces ranging from interpretations of published works, to originally written

after dinner speeches. There will be five dual interpretations to enjoy, ranging from humorous plays to dramatic stories. In addition, Ruby Toole-Jackson will perform her humorous interpretation, "Saving Toby"; Bella Erenfeld will perform her dramatic interpretation, "Learning how to Walk"; and Jackson Kennon will humor the audience with his originally written after dinner speech titled "Homeschooling." Each performance will be humorously introduced by Speech Team members.

Admission is \$10 for adults and \$5 for students and includes cookies and punch during intermission. Tickets are available at the door or from team members.
