Southern Coos Hospital & Health Center honors employees

Jonathan Wager is the clinical employee of the month and Jeff Weymouth is the non-clinical employee of the month.

Wager began working at SCHHC in February as a radiation technician in the medical imaging department.

He was chosen for the honor because of his drive and positive attitude.

"Jonathan has been nominated because he is always willing to step in when needed and never complains when it gets busy," officials said.

"Jonathan is easy going and gets along with his coworkers as well as all other departmental staff.

He goes above and beyond in all his tasks and offers to help others without being asked."

Wager is known for being patient and compassionate with the patients.

"His colleagues often receive comments on how nice Jonathan is," officials said.

He passed two national registry exams in the month of September, which will enhance his value to SCHHC.

Weymouth is an information services analyst and has been employed by SCHHC since 2014.

He was nominated for the honor because of his excellent work and posi-

tive interaction with staff.

His job "entails everything from changing out copier toner cartridges and building new workstations, to specification inspections of new products and services, maintaining all software and servers and user/provider databases for our specialized needs in conjunction with the rest of the team" officials said.

He is the primary information systems analyst for the radiology department and its equipment and communication systems and mammography unit. He also maintains the phone system and fax servers.

Bandon Crossings to host Rotary veterans tourney

Bandon-By-The-Sea Rotary Club will hold its fourth annual Veterans Golf Tournament to benefit Coos County Veterans on Saturday, Nov. 14, at the Bandon Crossings Golf Course.

The tournament format will be a four-person scramble, with a shotgun start at 10 a.m. Make your own team or we will pair you with other veteran supporters.

The entry fee is \$85 per

person and includes green fees, range balls, golf cart and lunch.

Hole-in-one prizes include a \$10,000 cash award sponsored by Bain Insurance and a 2020 Toyota Tundra 4x4 pickup truck sponsored by Coos Bay Toyota. Prizes will be awarded for closes to the pin on all five par-3 holes, as well as for the longest drive for men and women.

All net proceeds go to

veterans organizations serving Coos County.

No handicap is required to enter. The tournament is described as a fun day and great way to honor our veterans.

Registration is done through the Bandon Crossings pro shop at 541-347-3232 and preregistration is encouraged.

For more information, contact Dave Buche at 541-572-2017.

Southern Coos Health Foundation honors community lights

This week the Southern Coos Health Foundation, Southern Coos Hospital, and the community celebrate the fourteenth and final Community Lights, Cari George, Amber Heisen, Hannah Bailey, and Kenia Whittaker, who make up the front office staff at South West Internal Medicine.

The group was nominated for “being consistently positive and full of good humor,” officials said. “The front office staff always remembers your name, what you need, and why you’re there. They have made coming to the

doctor’s office during COVID less scary.”

In short, the front office team at South West Internal Medicine is dedicated to their community, their patients, and their team.

When 2020 began, the team at South West Internal Medicine knew there would be changes, but they could never have anticipated the full scope of what this year would have in store. Not only did South West Internal Medicine move its office from Coquille to Bandon, they like the rest of us, have had to adapt to the changes that COVID-19

has brought.

“We are doing everything we can as far as sanitizing and cleaning, and mask wearing and social distancing. You know it’s understandable that [patients] are scared but we want to make sure that they are staying healthy throughout this and not leaving things swept under the rug just because of that fear. Hopefully, they want to still come in and we definitely want to see them,” Whittaker said.

“Even if [patients] just have questions, we can generally help them a lot over the phone too,” added

Heisen. “If they’re apprehensive about something or have questions about lab work or medications, we’re just a phone call away.”

So how do they keep their spirits up in the face of change and a pandemic?

According to Bailey, “[We] all just work very well together as a team. We’ve been together for years, been with Dr. Crane for years. He’s a great leader to all of us. And we just hope to pass that positivity along to our patients.”

Even just walking into

the building it’s easy to see that this team not only gets along well with each other, but that they put patient care and safety first.

“Dr. Crane is very much patient care comes first, it is always the patient that comes first,” added Whittaker, “he has always just incorporated that into the entire office. Yes, we have fun and yes, we want to be here, and it’s just easy [to keep positive] with this team. We try to keep to the positive as much as we can.”

George summed it up with “We love all of our patients sick or healthy.”

Making up this team are George, who has been with Dr. Crane for four years and is a Bandon lifer, who grew up and raised a family in Bandon. For her, the best part about Bandon is the ocean.

Bailey, a mom of four boys, who was born and raised in Coos County, has been with Dr. Crane for 13 years. For Hannah, “it has been really positive bringing our practice to Bandon. Everyone has been really receptive, they are excited to have Dr. Crane and the office here. Overall, it has just been a positive experience.”
