Did you know?

Did you know that just plain water can help to prevent cavities and gum disease?

It's true! A tiny high pressure stream of water directed between teeth and gums can disrupt bacteria and dislodge food particles that are not reached by brushing and flossing. When used daily, it can even control periodontal disease! What a good idea for a gift!

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Ask us about implants!

Mother's NATURAL GROCERY

I would like to take the opportunity to thank our customers
and those who helped out during the business transition.
Your understanding during our training process is
appreciated more than words can describe.

A very special thanks to the moms of Mother's, Johann
Hubbard and Beth Castro. Your smiling faces and
delicious food sustained all of us, and you are both
missed. Good luck with your new ventures, and know
that you are welcome in the kitchen anytime.

Thank you Robin Miller and Sean Suppes for your
continued guidance and support of local businesses.

Additional thanks to Chris Butler for fixing the parking lot!

Assistance from Vicki Affatati, Mark Havill, Robin NiCathin,
Cathy Underdown, Robert and Vickie Eichelberger, Ben
Horton, Randy Gibson and Derrick Watgen is greatly
appreciated. Your efforts make progress possible.

Our staff to date has been flexible and strong during this
time. Thank you, Jeff Eikamp, Maggie Philkill and Johann
Hamblin for being the friendly faces that we all see
when entering the store. Rose Fisher, Emma Jones and
Matthew Vige create a lot of delicious creations, and we
all benefit from their creativity.

Your support has been a blessing and an encouragement
to remain focused during this transition. You have all
made it possible for Mother's to remain open, and to
continue to grow. Thanks again!

# 100 Strong Bandon to meet May 16

**BANDON** - Over the past year, 100 Strong Bandon members have contributed a total of \$14,925 to local charities. Founders Julie Miller and MaryAnn Soukup are excited about the impact of these funds in the community and are looking forward to seeing what happens as the group continues to grow.

100 Strong Bandon is a women's giving circle that supports local charities. Quarterly, the members meet, select a 501(c)(3) charity that benefits Bandon area residents and make a tax-deductible donation of \$50 or more directly to that charity, all within a one-hour meeting. In addition, the charity selected by the group in the prior quarter presents a report on how they used the funds and thanks the donors.

There is no membership fee to join 100 Strong Bandon, and all funds raised go directly to charity. The goal is to reach 100-plus members. Current membership

is approximately 60. The group is open to women 18 years and older living in the Bandon area. Guests are welcome to attend; however, to nominate a charity or to vote, you must be a member. To sign up, go to <http://bandon.com/100-strong-bandon-signup/> and complete the membership application.

To find out more about the group, go to [www.bandon.com/100-strong](http://www.bandon.com/100-strong) or simply come to a meeting. The next meeting of 100 Strong Bandon will be Wednesday, May 16, in the 1st floor lounge at Lord Bennett's (1695 Beach Loop Drive SW). The doors will open at 5 p.m., with the meeting scheduled 5:30-6:30 p.m.

All members are encouraged to bring a friend to the meeting and nominate a charity. Members who cannot attend are asked to remember to send their check with a friend or drop it off at the Bandon Chamber of Commerce office within seven days following the meeting.

Susan Gifford, Christine Hanlon, Mike and Yvonne Ousley, Victoria Tierney and Dorothea Tortilla. From 6:30 to 7:30 p.m. there will be music by Crystal Landucci on the baby grand piano (which originally belonged to a director of the Chicago Symphony Orchestra) and Heidi Connolly on her silver flute. Broker and owner of Oregon Bay Properties Herb Yussim and his wife Brooke Yussim, principal broker and owner, are enthusiastic supporters of the arts. Herb Yussim is also president of the Coos Art Museum. For several years, the Yussims have been showing works by some outstanding local artists at their office in North Bend. Recently they enlisted local artist and longtime curator Victoria Tierney to put together this new show in Bandon.

## BHS art on display at Bandon Library

BANDON - Through May 31 the Bandon Library Art Gallery features the work of Bandon High School art students.

Under the direction of teacher Jen Ells, Bandon High students in grades 9-12 encounter a wide range of historical and contemporary artists. Such work often becomes a jumping-off point, giving the students great creative freedom while maintaining the discipline of the assignments. They work clay, paint on silk, and of course, draw and paint on paper and

canvas both realistically and surrealistically. They make portraits and self-portraits; folk art and still life. Their work is abstract, expressionistic, personal and always interesting and original - even inspired.

All month there will be a box in the gallery to collect votes for the People's Choice Award. All participating students will receive drawing pencils and erasers and gallery director Tracy Hodson will present a Curator's Award.
