Did you know?

Did you know that Charles Lindberg was the grandson of a dentist?

It's true! Not only that, Charles Land, grandfather of Charles Lindberg, invented the porcelain jacketed crown in 1903. The basic design of the crown, used on millions of molars, has not changed since it was invented. Is it possibly the first crown to cross the Atlantic?

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. We're here to help! Dentistry with a difference.

the breezeway of McKay's Market, 65 10th St. SE. The car wash will be held in the parking lot of Napa Golder Auto Parts, 885 Oregon Ave., Highway 101.

GBA asks for public input via survey

BANDON - Oregon Main Street and National Main Street representatives will be conducting an economic strategy visit on May 2 and May 3 in Bandon as part of the Greater Bandon Association's Main Street Refresh. The visit will help in clarifying a vision for downtown and identify market opportunities for Bandon, based on commu-

nity input and market data.

"Your feedback is important to us and we would like to ask you to take 5-10 minutes to complete this on-line survey," said GBA Chairman Harv Schuboth.

The results are confidential and being collected by Oregon Main Street. For the purposes of this survey, "downtown" Bandon includes all of Old Town as

well as U.S. Highway 101 north to Face Rock Creamery and south to 13th Street. Results will be shared at a public meeting at 6:30 p.m. Wednesday, May 2, at the Bandon Community Center, 1200 11th St. SW.

Go to <https://www.surveymonkey.com/r/DowntownBandon> and complete the survey by April 18.

Food Handler Class to be held in Bandon

BANDON - Coos Health & Wellness will be sponsoring a Food Handler Class at 3:30 p.m. Tuesday, April 17, at the Bandon High School cafeteria, 435 Ninth St. SW, Bandon. A RSVP is not required - those who wish to participate can just show up. The class is free, and testing is free, but the food handlers' card is \$10 upon successful completion of the class (cash, check or credit/debit cards accepted). For more information, contact Rick Hallmark, Environmental Health Program manager, at 541-266-6720.

‘Tales from the Cemetery’ program set for April 21

BANDON - “Tales from the Cemetery: Who’s Buried at Bullards Beach,” is the title of a program at the Bandon Historical Museum Saturday, April 21. Museum volunteer Jim Proehl is the speaker.

The Human Bean in Bandon is sponsoring the event. Admission to the program and to the museum for the day will be free, courtesy of the Human Bean.

The program will be delivered at 11 a.m. and repeated at 2 p.m. Recent museum programs have drawn capacity crowds.

The focus of the program will be on the small cemetery inside Bullards Beach State Park, where some of the area’s earliest European American settlers are buried. Proehl draws extensively from the book, “Two Johns Come to America,” a family history by Alice Hamblock Evans, to tell the story of how “Black John” Hamblock emigrated to America and ended up on the north bank of the Coquille River, and then how the Hamblock place became Bullards Ferry, before it evolved into Bullards Beach State Park.

“My hope is that after the program, people will visit the Bullards Cemetery and feel like they know everyone buried there. They each have an interesting story,” said Proehl.

The program will be accompanied by pictures. There are a number of artifacts related to the Hamblock and Bullard families on display in the museum.

“We hope that doing the program twice will relieve some crowding,” said Gayle Nix, museum director. “We are gratified that people come out to our programs but get a little embarrassed when the seating gets tight. You still may want to come early to get a good seat.”

“We appreciate the sponsorship by the Human Bean, which allows the community to both attend the program and visit the museum for the day at no charge,” said Nix.

The Bandon Historical Museum is located at the corner of U.S. Highway 101 and Fillmore Avenue. The museum is open Monday through Saturday from 10 a.m. to 4 p.m., and can be reached at 541-347-2164.

BHS Class of 2018 to hold car wash fundraiser

BANDON - The Bandon High School Class of 2018 will be hosting a “double threat” car wash and bottle drive from 10 a.m.-4 p.m. Saturday, April 21, in the parking lot of NAPA Golder Auto Parts, 885 Oregon Ave., Highway 101.

The class is hoping to raise additional funds for their senior trip.

“Please come support the senior class to help with funds for our senior trip,” said Class of 2018 president Sydney Flynn.

For more information, contact Flynn at 541-404-4658.

Ball from the top of the Bandon Rural Fire District’s flagpole has been stolen

BANDON - Bandon Fire Chief Lanny Boston reported that the ball from the top of the Bandon Rural Fire District’s flagpole has been stolen. He noticed it Thursday morning, April 12, but said it may have happened within the last few days. The ball has been on the ground since the flagpole was hit by lightning on Feb. 22. Boston said in retrospect, he should have put the ball inside, but didn’t think it was unsafe where it was. A

new flagpole is on order, but the Fire District was going to use the ball, which survived the lightning strike without damage, for the new flagpole.

The cost to replace the ball is approximately \$500, Boston said. “We’d like it back,” Boston said. “If someone could bring it back to the Fire Hall, there will be no questions asked, or drop it off when the Fire Hall isn’t open. It would be much appreciated.”
