### Did you know?

Did you know that just plain water can help to prevent cavities and gum disease?

**It's true!** A tiny high pressure stream of water directed between teeth and gums can disrupt bacteria and dislodge food particles that are not reached by brushing and flossing. When used daily, it can even control periodontal disease! What a good idea for a gift!

**We've come a long way!** With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Ask us about implants!

# Call to artists for Port of Bandon Boardwalk Art Show

BANDON - Art boards and entry forms are available now for the 2018 Port of Bandon Boardwalk Art Show. Artists of all ages are invited to enter.

The annual show is Bandon's uniquely accessible public art display on the picturesque boardwalk in Old Town. The 2018 theme is "Salmon Dreams, Marshes and Streams."

Paint is the most common medium, but past shows have included photography, collage and three dimensional pieces. The show features works by amateur and professional artists living throughout south-western Oregon and beyond. Prizes are awarded in youth and adult categories, along with people's choice winners.

Submissions are accepted now through

May 18, at 12 p.m. The show opens Memorial Day weekend and continues through the second weekend in September.

Artists create original works on weather-proof plywood. Art boards and entry forms are available in Bandon at the Port of Bandon office, 390 First St. SW; and Art by the Sea Gallery, 145 Fillmore Ave. SE. A \$10 entry fee covers the cost of art boards and prizes. Scholarship boards are available: inquire at the Port of Bandon.

The 2018 show is presented by the Port of Bandon, with grant support by the Coquille Tribal Community Fund, and sponsored by the Bandon Professional Center. Contact port staff for more information, 541-347-3206, or visit portofbandon.com.

# MarLo Dance Studio presents 'Peter Pan'

BANDON - Be a part of one of MarLo Dance Studio's most popular productions as the "boy who would not grow up" flies from London to Neverland, does battle with Captain Hook and his cowardly pirates and revels in the adventures of childhood.

MarLo Dance Studio will present "Peter Pan" on May 18, 19 and 20 at the Sprague Community Theater, 1202 11th St. SW. in Bandon. Friday and Saturday shows are at 7 p.m., with two Sunday matinees, at 2 and 4:30 p.m.

This classic tale will feature dancers from Bandon, Coos Bay, Port Orford, Langlois, Brookings, Coquille and

Myrtle Point and a guest alumna performer from Eugene's Ballet Fantastique.

MarLo's "Peter Pan" is a fast-paced adaptation of the classic story by J.M. Barrie told through dance and mime. This original MarLo Dance Studio adaptation first flew across the Sprague Theater stage to sold-out audiences in 2010. MarLo produces an annual spring production every May and "The Nutcracker" bi-annually (coming Dec. 2018).

Peter and company will take to the stage with a little fairy dust and happy thoughts through a grant from the Coos County Cultural Coalition. The grant supported bringing

in acting specialist Mike Dempsey to coach both young and adult dancers in mime, swordplay and comedy. In turn, MarLo dancers will be presenting some of that fun in a free mini-performance for Bandon's Ocean Crest students on May 15.

Reserved seating tickets, if purchased in advance, are \$14 for adults and \$10 for children 12 and younger and are available online at [www.marlodance.com](http://www.marlodance.com) under the "events" tab, or call 706-550-1416. Tickets are also available at the door: \$16 for adults and \$12 for children. For more information, call 541-252-1394 or visit the website.

Health Coalition is to promote healthy lifestyles for the women of Coos County by providing educational information on women’s issues and encouraging healthy activities for the entire family. The event is from 10 am to 1 pm at Pony Village Mall in North Bend. The event will include speakers, exhibitors, fitness demonstrations, power stations, music, raffle prizes and more!

Over 250 walkers and 20 exhibitors participated in last year’s event.

Organizers are excited to announce that a new component has been added to this year’s event. Power stations and demonstrations will enable walkers to learn proper techniques of various health-related activities.
