### Did you know?

Did you know that the anesthetic Novocaine is not used by dentists?

**It's true!** The local anesthetic procaine was invented in 1905 and given the name Novocaine. It was widely used by dentists. In the 1940s and '50s, safer and more effective anesthetics were developed. Novocaine has not been used in dentistry since the late 1970s.

**We've come a long way!** With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! Dentistry with a difference!

# Bandon Trolley's final weekend for the season

BANDON - For people who haven't had a chance yet to ride the Bandon Trolley, this will be the final weekend the trolley will be running on a regular schedule, according to City Manager Robert Mawson.

The Bandon Trolley has been well received by both residents and visitors alike and has been running a route on a regular schedule around town since

September.

The purchase and refurbishing of the trolley was a joint effort between the Port of Bandon and the City of Bandon. It was formerly used in Jacksonville, Oregon.

The trolley will be used occasionally for special events during the off season, then resume the regular schedule in May 2019, Mawson said.

## Bear Cupboard coat and blanket drive underway

COQUILLE - The Bear Cupboard is holding its third annual coat, blanket and sleeping bag and tarp drive for veterans, school-aged children and the homeless in the South Coast area. This year, Bear Cupboard organizers are adding new socks to their requests for the drive.

Bear Cupboard is an emergency food and clothing pantry located at the old Jefferson School, 790 W. 17th St., in Coquille. It is open every Tuesday from 11 a.m.-1 p.m. and the first Tuesday of each month from 4-6 p.m.

Last year, Bandon and Coquille donated carloads full of gently worn and laundered and new coats for all ages as well as tents, tarps, 30 sleeping bags and blankets for the

homeless and veterans, said Sally McSherry, one of the drive's organizers.

"Please join us in our efforts to ensure no one is cold or wet this winter," McSherry said. "It is a great time to go through closets to collect coats for all ages and blankets and camping gear for the homeless and veterans in the area. We accept all new and gently used clean items."

Bandon donations can be made by calling McSherry at 541-347-9130 for pick-ups. In Coquille, drop donations off at The Sentinel newspaper, 61 E. First St. or call Gina at 541-297-0941.

This drive will run up to Thanksgiving, but school-age children and those sleeping outdoors are already asking, McSherry said.
