

# INVEST FOR YOUR FUTURE!

No one knows what the future will hold, I am predicting the City will grow East. One of my Listings is one of those potential properties that will be in demand. Right now the price is reasonable and could be included

into one of the larger parcels. We need the sewer and water extended. It is in the city limits but no sewer and water. It is so close and yet too far. Do we still have Urban Renewal?

**The price has been reduced to \$135,000.** Call me, lets Talk.

**MLS #26-50**
