

# DID YOU KNOW?

It has been said that my Structure was the first to be built in Woods and it was a store. Well years pass and weather taking its toll on me. I became a house, a family lived her for years. There is potential in me and possibilities. Three lots, only the house has water and sewer, but it is available to the other two. It is close to the beach and Pacific City. Looking is free.

**MLS #23-493 \$399,000**
