Burden's Muffler & Towing

Serving Tillamook County for 51 Years

Don Burden 1970

Burden's Muffler & Towing Service is a third generation Tillamook business.

We began serving the area when our dad, Don Burden, opened shop back in 1970 at the north entry to downtown Tillamook where the recently torn down Shell station was located. Back then it was a Texaco. Dad still works at Burden's with our mom, Linnea, and their son, Rick, and daughter Sylvia, as well as grandsons Jeremy and Justin.

Wednesday Aug. 11

With romantically charged #1 hits like “Are You Gonna Kiss Me Or Not” and “If I Didn’t Have You,” as well as the energetic, top 5, CMT video award winning “I Got You”, the playful “Everything I Shouldn’t Be Thinking About” and “Glass”, multi-platinum international success, and honors as Vocal Duo of the Year from both the ACM and CMA Awards, the Grammy nominated Country duo Thompson Square admit they have been infinitely blessed.

Masterpiece, their latest and most personal project was indepen-

dently released in 2018. The title track, about their son Cooper, is the definition of their masterpiece. An artist’s best work, and what they’d want to be known for when they leave this world. Reflecting on the creative satisfaction behind the duo’s third studio album they explain, “When we’re 80 years old and we look back, we want to be able to say we’re really proud of everything we did.” Working independently for the first time, the widely diverse Masterpiece arrived at a tipping-point moment for the duo – and found

them taking skillful control of their acclaimed musical bond.

Brought together by love and undeniable talent, Keifer and Shawna each moved to Nashville separately, but soon met while competing against one another in a local singing competition. They formed Thompson Square as complete unknowns, taking the Country scene by storm with an organic vocal blend that harkens back to the duets of icons like Johnny Cash and June Carter.

As always, entry to the concert is free with your paid Fair admission.

Thursday Aug. 12, 8 p.m.

Rocking the Fair Thursday August 12th, Molly Hatchet is a perfect mixture of English invasion rock, blues, country, and gospel.

Molly Hatchet firmly cemented their place in music history in the late seventies. They stood alongside other iconic Southern rock bands out of Jacksonville, Florida, such as Lynyrd Skynyrd and the Allman Brothers.

They were the hardest hitting of the Southern rock bands at the time when, in 1978, Epic Records released Molly Hatchet's self-titled debut album. It reached multi-platinum status, and the band established their reputation of working hard, playing tough and

living fast through intense touring. During this time, they were on the road with Aerosmith, Bob Seger, The Rolling Stones, and many others.

In 1979, Molly Hatchet's second album *Flirtin' with Disaster* was released, and it also quickly achieved multi-platinum status. It skyrocketed the band into the stratosphere and performing an average of two hundred and fifty shows per year kept them busy.

Molly Hatchet next released *Beatin' the Odds* (1980), followed by *Take No Prisoners* (1981), *No Guts... No Glory* (1983), *The Deed Is Done* (1984) and *Double Trouble Live* (1985).

Molly Hatchet continues their worldwide tour, performing classic hits such as "Flirtin' with Disaster," "Devil's Canyon," "Gator Country," "Whiskey Man," and "Dreams I'll Never See."

The band's current lineup consists of long-time members Bobby Ingram on lead guitar and John Galvin on keyboards, as well as Tim Lindsey on bass guitar and Shawn Beamer on drums, with Jimmy Elkins on vocals. Molly Hatchet continues to honor the legacies of those members who passed away (including Danny Joe Brown, David

Hlubek, and Phil McCormack) by keeping the music alive, performing across the United States, and throughout the world.

Molly Hatchet celebrated their 40th anniversary with a world tour and the release of the double CD and triple vinyl live album titled Battleground. Recorded

in both Germany and Switzerland on the SPV/ Steamhammer label and featuring cover art by famed artist Paul Raymond Gregory (Dio, Uriah Heep, Saxon), Battleground has garnered rave reviews by their loyal fans, as well as the national and international press.

According to Bobby Ingram, "In recording this album, we compiled a four-decade long catalog of songs that our friends wanted to hear. They would tell us what songs they wanted on the

album, and we would record them. Some of these songs have never been recorded on a live stage before, and we were honored and proud to be able to perform them for many generations of past, present, and future Southern rock fans."

After forty plus years Molly Hatchet is still workin' hard, playin' tough, livin' fast, and Flirtin' with Disaster!!!

Pari-Mutuel Horse Racing will be providing fun, excitement, and a chance to wager during the Tillamook County Fair. The 2021 Tillamook County Fair is thrilled to offer 33 races in 4 days of live horse racing action, with eight races on Wednesday (8/11), Thursday (8/12), and Friday (8/13), and nine races on Saturday (8/14). Post time will be 1:00 pm each day.

Horsemen will be vying for over \$100,000 in purse money thanks to the support from:

ing HUB funds, allowing the Tillamook County Fair the opportunity to host the Pari-Mutuel race meet

- the Oregon Horseman's Benevolent Protective Association (\$500 per race, and an additional \$1,000 stakes race)

- the Oregon Quarter Horse Racing Association (\$500 per Quarter Horse race)

- local businesses and families have contributed \$12,000 for addition-

al purse money that will be distributed amongst the 4 race days.

An excellent field of horses to wager on is expected for this year's Race Meet and Jockeys will again be competing for bonus money from the Oregon Racing Commission for participating in the Race Meet.

Special thanks to Chinook Winds Casino and Resort for sponsoring the halter and lead ropes for this year's Race Meet, and Tillamook County Fair for sponsoring blankets to the winners.
