Tillamook water mainline halfway complete

WILL CHAPPELL
Headlight Editor

Work on a new \$13.2-million, 3.2-mile water transmission line from the City of Tillamook's water treatment plant near Clements Corner to the corner of Highway 101 and Long Prairie Road is around halfway complete.

Tillamook City Manager Sean Lewis recently took the Headlight Herald for a tour of the work, which is expected to be complete by November or December, improving the system's resiliency with modern, seamlessly welded pipe designed to survive a seismic event. The work is the first phase of a two-phase project that will see the transmission line replaced all the way to the corner of Second Street and Ivy Avenue in Tillamook where it connects to the distribution system.

The project, being undertaken by Tapani Inc., is replacing 80-year-old clay and copper piping original to the system with new 36-inch, PVC pipe that is being joined with seamless welds rather than glue, forming connections designed to withstand an earthquake. The project is also changing the line's routing, moving a section that currently passes beneath the Tillamook Airport's runway to south end of

An excavator at work on a section of the pipe along Highway 101.

the runway. The current pipe will be backfilled with soil to prevent a void under the runway, per Lewis, also with an eye toward seismic resiliency.

Lewis said city officials

predating his tenure had worked to secure easements with the property owners along the new line's path, which proceeds from Brickyard Road down South Prairie Road to Highway 101

where it turns north. The Port of Tillamook Bay owns most of the property, Lewis said, with large portions leased to farmers who cultivate it for corn and other cobs, and those whose fields

have been impacted will be compensated for the loss.

Most of the line is being installed by trenching, though

Salmonberry team updates executive council

WILL CHAPPELL
Headlight Editor

At the third meeting of the Oregon Parks and Recreation Department's Salmonberry Trail Executive Council on August 20, representatives from the Salmonberry Trail Foundation gave an update on trail fundraising and construction.

Salmonberry Trail Foundation Executive Director Caroline Fitchett detailed the funding situation, sharing that the foundation had received almost \$650,000 in donations last year, while foundation board member Michael Neunzert discussed work on sections of trail in Wheeler and Washington County.

The council was formed at the beginning of this year when the Oregon Parks and Recreation Department (OPRD) assumed the lease for the rail line between Tillamook and Banks from the Salmonberry Trail Intergovernmental Agency and began providing technical support for the trail, construction of which will be led by local communities or groups.

Jessica Horning, the OPRD staffer assigned to the trail, briefly discussed the ongoing

lease negotiations between the Oregon Coast Scenic Railroad and Port of Tillamook Bay, which owns the rail lines. Horning said that department staff were open to a 25-year term for the railroad's new lease and allowing the railroad to continue operations beyond Wheeler, believing the trail can be collocated with the rails. Horning also said that the lease for the line had officially been transferred to OPRD on May 28.

Fitchett then began a presentation on the Salmonberry Trail Foundation's efforts in the past year in support of the trail. Fitchett said that 443 donations in an average amount just over \$1,000 had been given to the foundation in 2025, with the majority coming from Tillamook, Multnomah and Washington Counties. The foundation also received \$100,000 from Tillamook County transient lodging tax (TLT) revenues and \$50,000 from Washington County's TLT revenues, as well as \$17,000 in in-kind work donations, Fitchett said.

So far this year, the foundation has raised around \$250,000

County leaders evaluate annex fits

WILL CHAPPELL
Headlight Editor

Tillamook County leaders met on August 17, continuing discussions about which departments to relocate to the ex-Bureau of Land Management building on Third Street that the county purchased last year.

Consultant Mitch Hein, from

DLR Group, the firm helping the county with its space planning following a space needs analysis completed last year, shared several bubble diagrams of potential departmental fits in the facility's 6,500-square-foot office portion and 6,500-square-foot undeveloped garage space. County commissioners selected two options that Hein will use to

develop more detailed test fits for the departments in the space, before one is selected for a finalized concept plan.

Commissioners purchased the property to relocate county workers to make space for needed upgrades to the circuit court's facilities in the courthouse.

NCLC and ODFW host Cape Falcon Marine Reserve tour

WILL CHAPPELL
Headlight Editor

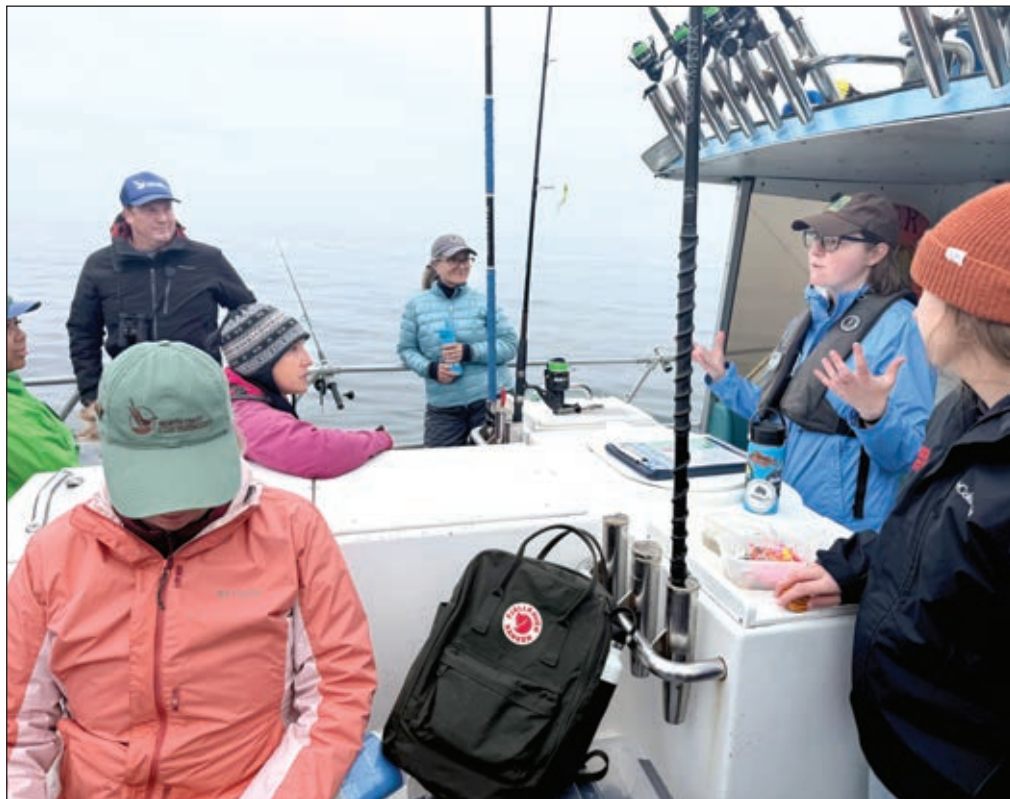

North Coast Land Conservancy and Oregon Department of Fish and Wildlife staff cohosted a tour of the Cape Falcon Marine Reserve off the coast of Oswald West State Park on August 18.

Around 20 representatives from conservation and tourism organizations as well as several local tribes attended, departing from the Port of Garibaldi aboard Garibaldi Charter's Norwester for the cruise to the reserve.

Cape Falcon Marine Reserve is one of five along Oregon's coast established by the Oregon Department of Fish and Wildlife (ODFW) following an executive order from Governor Ted Kulongoski in 2008. The other four reserves are located at Cascade Head, Otter Rock, Cape Perpetua and Redfish Rocks. The reserve at Cape Falcon was established in 2016, setting the area offshore Oswald West State Park for three nautical miles aside for conservation, research and recreation purposes while prohibiting fishing or other economic activities.

Katie Darr, specialist with the Marine Reserves Program at ODFW, told the group that experts at ODFW monitor fish abundance, size and species characteristics by hook and line surveys, in which fish are tagged and released, conducted every other year with help from charter operators like Garibaldi Charters. Darr said that additional surveys were conducted by scuba divers from Oregon State University to look at habitat and invertebrates in the reserve.

While there have not been notable changes in the fish populations at the reserve since ODFW began monitoring the area in 2014, Darr said that had been expected and that it was important to have the longitudinal data so that scientists can quantify

Darr discusses the reserve during the boat tour.

Cape Falcon Marine Reserve lies off Oswald West State Park and was established in 2016.

future changes. Research at other marine reserves around the world has shown increases in species diversity and indicators of robustness compared to surrounding areas over time, Darr said.

North Coast Land Conservancy (NCLC) Marine Reserve Program Manager Angela Whitlock also discussed her organization's involvement with

the reserve, which include organizing volunteers to undertake community projects and complete surveys both in the reserve and on shore at Oswald West State Park and NCLC's adjoining 3,500-acre rainforest reserve abutting the park at its north end. Whitlock said that along with those areas under conservation, Arch Cape's community-owned forest created a

32-mile, continuous conservation corridor along the coast.

During the tour, participants were able to fish for lingcod near the reserve's boundaries, with all on-board hitting their daily limit, and to pull crab pots soaked by the charter's crew, with all hitting their daily limit and numerous crabs thrown back.

Highway 6 maintenance projects update

STAFF REPORT

Several projects maintaining Oregon Highway 6 are ongoing, with one repaving a section recently complete and another to improve safety at the Wilson River Loop intersection beginning.

The project repaving between mileposts four and nine was completed in late August, with a \$9.2-million budget, with new striping and rumble strips also added.

A project upgrading the structure and coating the steel of the Devils Lake Fork Wilson River Bridge is about two thirds complete and will be completed by October 25. Upgrades to guardrails throughout the corridor between Tillamook Banks is also progressing, with the contractor moving from west to east and working around milepost 15.

A project improving safety at the intersection of the highway and the Wilson River Loop is set to begin construction on September 7, with completion expected by October 14.

Office space in the building being considered to house the clerk, and assessment and taxation offices.

Annex

From Page A1

Representatives from the circuit court presented a plan to county leaders last month requesting exclusive use of the first floor of the courthouse, leaving the second floor for county government use. Commissioners hope to secure state funding to support part of the project.

Hein began the meeting by saying that after previous discussions in July, he had been able to develop three general options that he thought would be the best fit for the county’s needs and the available space at the building from among six options put forward at the beginning of the process last year.

Hein said that he had used those options to develop bubble fits, representing each department’s square footage needs in proportionally sized bubbles, which could be compared against the 13,000 square feet of available space. The fits presented at the meeting did not account for specific department needs, Hein said. Those will be taken into account in future models.

At the last meeting on the annex, commissioners agreed that with the courts requesting use of the courthouse’s first floor, it made logical sense to relocate the clerk, and assessment and taxation offices currently housed there to the new building, and two of the options presented by Hein included that move.

The first option consisted of moving those two departments to the annex, with human resources, the treasurer’s office and veterans’ services in a remodeled garage. The second option would

see the county’s administrative department, including commissioners and their staff would be relocated to the remodeled garage along with one of veterans’ services, the treasurer’s office or human resources departments.

The third option envisioned leaving the clerk’s office in the courthouse, making space in the annex for administration, human resources, the treasurer’s office and veteran’s affairs, in addition to assessment and taxation.

Commissioner Mary Faith Bell asked about the county’s emergency services department being moved to the annex, and Hein said that two office spaces and a storage closet for the department had been included in the administrative department’s bubble. Bell said that she would like to see a meeting space for the department included in future assessments.

Commissioner Paul Fournier then chimed in, saying that his primary concern was that the county did not

have money to pay for a remodeling of the garage space and wondered why it was being considered as part of the assessment process. Fournier said that in an ideal world it would make sense to renovate the space, but that given the county’s financials reality, he felt including an option assessing the cost of moving just the two departments made sense.

Hein said that he could stop the planning process with simply moving the clerk and tax assessment and collection offices but that his firm’s services were already contracted and paid for, so looking at the possibilities for future phases made sense to him.

Fournier said he agreed and asked that pricing for the two departments’ relocation be broken out separately.

Commissioner Erin Skaar concurred, while saying that she agreed with Hein that if the planning was ongoing, it would be a missed opportunity not to

The building’s garage would require significant upgrades to qualify for a change of occupancy and serve as office space.

see where the county could go in the future. Skaar also said that the group needed to consider where they would pivot should the state funding for a court upgrade not be approved.

Fournier added that the clerk and assessment and taxation both had specialized security needs for elections and tax revenues and that a sallyport ought to

be considered.

Bell said that she thought it would still make sense to move the clerk and assessment and taxation offices to the new annex should state funding not materialize. Bell said that she would also like to examine the possibility of moving the community development department to the annex to stop paying a

lease at the TLC building, but both other commissioners said they thought that consideration would overcomplicate the process.

Hein said that based on the discussions, he thought that only the first two options he presented made sense based on the county’s needs and that he would return in a couple of months with test fits for further discussion.

‘Vintage Hitchcock: A Live Radio Play’ Brings Three Classic Stories to the Stage

The Tillamook Association for the Performing Arts’ (TAPA) newest production, “Vintage Hitchcock: A Live Radio Play”, opens September 4th. Sponsored by Cyndi Lewis of Rob Trost Real Estate, “Vintage Hitchcock” is a unique theatrical experience that combines classic suspense with the nostalgia of old-fashioned radio. Tickets are available now at tillamooktheater.com or by calling the TAPA box office at 503-812-0275.

Set in the style of a live radio broadcast, this production brings three Hitchcock stories to life on stage: “The Lodger,” a suspenseful tale surrounding a mysterious tenant; “Sabotage,” which follows a woman who begins to suspect her husband may be involved in something sinister; and “The 39 Steps,” a fast-paced adventure involving mistaken identity, danger and a man caught up in an international conspiracy.

Part of the charm of

“Vintage Hitchcock” is the chance to step back in time to an era when families gathered around the radio to listen to the next episode of their favorite program. And in a way, audiences can choose how they experience the show. Close your eyes for a moment and simply listen as the voices, music and sound effects give you everything you need to imagine the story unfolding in your own mind. Open your eyes again, and you get the added experience of watching the actors and Foley artists create that world right in front of you. It asks the audience to enjoy a little bit of theater while employing a little bit of imagination, just as radio has always invited its listeners to do.

The actors in “Vintage Hitchcock” take on multiple characters throughout the production, sometimes switching between roles within the same story, while Foley artists create the live sound effects that bring each

scene to life. From footsteps and doors opening to animals and countless other sounds, watching these effects being created on stage adds another entertaining layer to the experience.

With suspense, humor, classic storytelling, and a healthy dose of nostalgia, “Vintage Hitchcock: A Live Radio Play” offers audiences a chance to experience these familiar stories in an entirely different way. Come settle in, listen closely and let the stories unfold, just like the good old days, when the whole family gathered around the radio to find out what would happen next.

“Vintage Hitchcock: A Live Radio Play” is sponsored by Cyndi Lewis of Rob Trost Real Estate and runs September 4th through September 20th. Friday & Saturday shows start at 7 p.m., Sunday shows start at 2 p.m. Tickets are available at tillamooktheater.com or by calling the TAPA box office at 503-812-0275.

Clerk to Host Election Town Halls Ahead of November General Election

TILLAMOOK COUNTY CLERK’S OFFICE

Tillamook County Clerk Christy Nyseth will host two community Election Town Halls in September to provide voters with information about the upcoming November 3, 2026 general election and answer questions about the election process.

The Town Halls are intended to give community members an opportunity to learn more about what to expect in the November election, how ballots are processed, election security, and other election-related topics. Attendees will also have an opportunity to ask questions directly of the County Clerk.

Election Town Hall Dates:

Wednesday, September 16, 2026
1–3 p.m.

Pine Grove Community Center
225 Lanada Avenue
Manzanita, Oregon

Wednesday, September 30, 2026
5:30 – 7:30 p.m.

Thank you,
Oceanside

My parents, Mary and Joseph Gluzinski, retired to Radar Road in Oceanside more than 30 years ago. Both passed away within the past five years. As their oldest son, I was given the responsibility of serving as Executor of their Estate.

During the process of settling their affairs, I spent a total of ten weeks at their home. In that time, I became acquainted with many wonderful people in the local community.

I would like to extend my sincere gratitude to everyone I met during those weeks for your kindness and assistance in helping me bring my parents' estate to a close.

I would especially like to thank everyone who knew and cared for them through

their church, my mother's knitting group, Habitat for Humanity and the Tillamook YMCA.

One of the most wonderful highlights of my parents' years in Oceanside was the eight years my father spent working alongside Tillamook local Roy Wilson to improve access to Short Beach.

With the help of many local Radar Road residents, several Boy Scout troops, the Oceanside Fire Department, and various government agencies, their combined efforts made a remarkable difference. The improvements helped reduce rescues at the Short Beach access from three dozen incidents per year to only a few.

We are grateful to everyone who contributed to making Short Beach safer for the community and its visitors.

A sign dedication ceremony honoring these efforts

is scheduled for September 9, 2026, at 1 p.m. at the Short Beach trailhead.

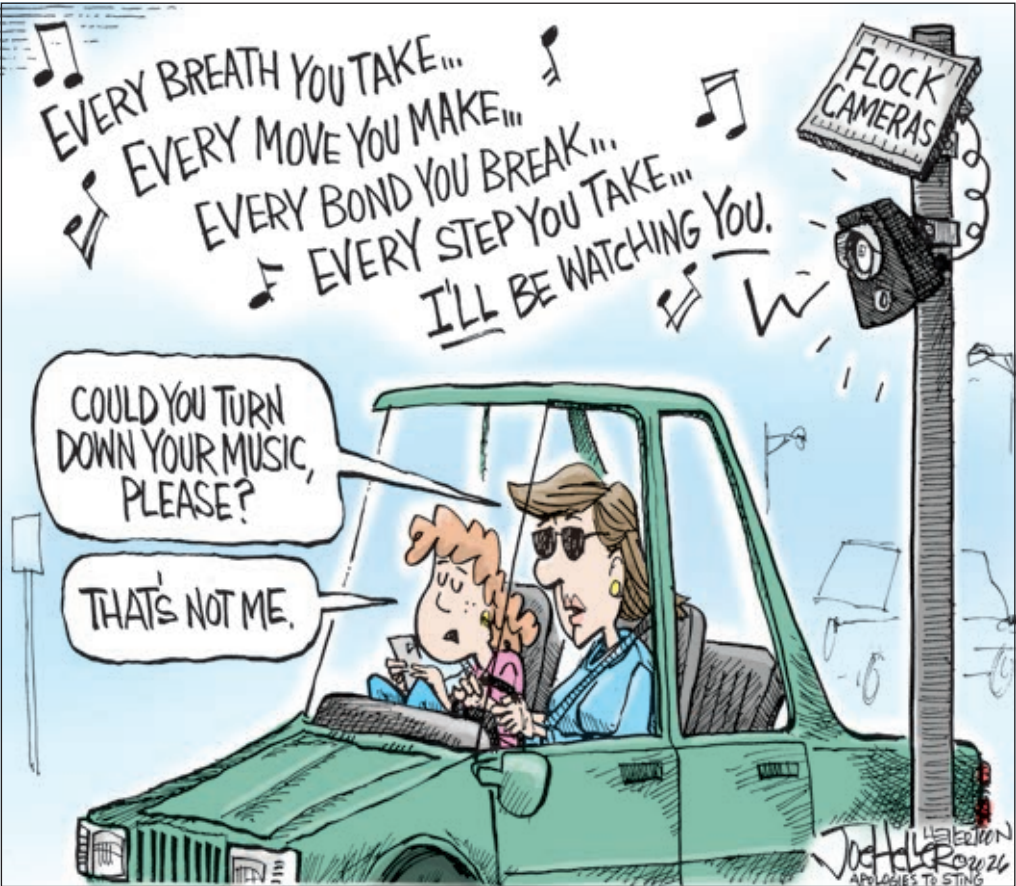

Following the ceremony, everyone is invited to the Oceanside Community Club from 1:45 to 3:30 p.m. for light refreshments, sponsored by the Gluzinski family. Our way of saying thank you to the many local volunteers and everyone who knew, supported, and cared for our parents over the years.

All are welcome to join us for both the sign dedication at Short Beach and the gathering at the Oceanside Community Club.

Oceanside was their home for many years, we will always remember the friendships, community spirit, and wonderful people who made it special.

With sincere appreciation,

Joe Gluzinski Jr.
Wenatchee, Washington

FENCEPOSTS

Capt. Pete took our son and his two oldest children, ages six and nine, crabbing in Netarts Bay recently. It was these grandkids' first crabbing trip, and they had a blast. It is like a treasure hunt, pulling up a crab trap to see what is in it. Then there is learning to tell the boy crabs from the girl crabs, measuring a crab, learning how to avoid getting pinched, helping catch the rope with a gaff to pull up the trap, etc. The bay was pretty overcrabbed by Sunday morning, but the Steen crew did get one keeper Dungeness crab and a red rock crab. They also saw gulls, herons, seals and other wildlife while on the water. Nothing like

good old Mother Nature for a teacher.

We have read about the Hangar B salvation plan, with Tillamook Air Museum announcing a partnership with Vintage Aviation Museum to save the building. We wish them well. We were here back on the day (August 22, 1992) when Hangar A burned to the ground in a massive fire that ignited the stored straw and hay inside the historic World War II wooden structure. It was a dreadful sight. Over 50 local volunteer firefighters tried to save the building, but it was completely destroyed by the fire. The cause was determined to be a spontaneous combustion

of the thousands of tons of straw and hay.

Moving from buildings to people, I recently saw some great safety tips for hiking along the Oregon Coast in the Tillamook Pioneer. They are worth repeating here. Stay

- safe out there.
- Check tide tables and weather conditions before your hike.
 - Be aware of incoming tides, sneaker waves and heavy surf that can quickly cut off your route back.
 - Avoid climbing or traveling on wet, unstable cliffs and rocks.
 - Stay on established trails whenever possible.
 - Carry a charged phone and consider bringing a portable battery.
 - Tell someone where you're going and when you expect to return.
 - Give yourself plenty of daylight and never rely on the beach as an exit route without

knowing the tides.

Fall salmon season is here. We are excited that the bag limit for wild adult Chinook in the Tillamook basin has increased from last year: One wild adult Chinook is allowed per day, with a maximum of five for the season (August 1–November 30). As for wild coho, one adult wild coho is allowed per day if caught on a Wednesday, Saturday or Sunday from September 9–October 28, with a maximum of three for the season pending federal approval. If you have questions about the fall salmon angling regulations, please contact District Fish Biologist Robert Bradley by phone

at 503-842-2741 or via email at Robert.Bradley@odfw.oregon.gov.

It is this Saturday. Yes, the much anticipated Third Annual Cape Meares Labor Day Art Show is Saturday, September 5, from 10 a.m.-5 p.m. at the Barbara Bennett Community Center (5690 4th Street NW). Members of the Cape Meares Artist Collective will be displaying all kinds of art, from handwoven materials and pottery to watercolors and pencil sketches to collages and driftwood mobiles and more. The general public is welcome to attend. See you there to celebrate art and the transition to fall.

Greetings from Rockaway Beach

Labor Day. Wow. Summer sure flew by this year, and this weekend our town and surrounding areas will be packed with people

enjoying that last three-day holiday weekend of summer. Lots of traffic, lots of pedestrians, so please be careful out there.

This Saturday, Meals for Seniors will be holding their fundraising Labor Day Weekend French toast breakfast at

St. Mary's by the Sea from 8 a.m. until noon. This delicious breakfast will include link sausage, scrambled eggs, fruit compote, coffee and juice. All are welcome, the meal is by donation only with proceeds going to support Meals for Seniors Rockaway Beach.

Meals for Seniors is a crucial component of our community. Communal hot meals are served Monday, Wednesday and Friday for those 55 years of age and older. Volunteers also deliver meals to those in need that cannot make it to the meal site. In today's economic times, these food services can be the difference between eating and going hungry.

As of June, 126,000 fewer Oregonians are receiving federal food assistance compared

ROCKAWAY BEACH
BARBARA TROUT

to the same time last year. The Oregon Food Bank network includes food banks, pantries and hot meal programs like Meals for Seniors. According to Feeding America, 1 in 6 people in Oregon face hunger. Grocery store costs have risen more than 30% since 2019, and with rising costs of utilities, housing and health care, our seniors who are often living on a fixed income are feeling the pinch. So please, enjoy a delicious French toast breakfast this Saturday at St. Mary's by the Sea and support the efforts of the volunteer force behind

Meals for Seniors Rockaway Beach.

The Oregon Coast Scenic Railroad (OSCR) will continue daily trips from Garibaldi to Rockaway Beach through September 27th. The train leaves Garibaldi at 10 a.m., noon and 2 p.m. The departure times from Rockaway are 11 a.m. and 1 p.m. This Friday the OCSR will offer a Wheeler limited excursion, you can travel either from Garibaldi or Rockaway Beach to Wheeler, and in Wheeler there will be a 1 hour layover to enjoy the town's artisan shops and food offerings. There will also be a moonlight excursion on September 19th with drinks, light food and live music for those 21 years of age and older.

The final Free Movies in the

Park this year is this Saturday at the Phyllis Baker City Park. The feature is "Project Hail Mary" and is a science fiction movie starring Ryan Gosling as a middle school teacher who wakes up on a spacecraft and is humanity's last hope against a mysterious threat to the sun. Take your lawn chairs, blankets and plan to get comfortable. The movies start at dusk, which is now around 8 p.m. There are concessions sold at the park: polish dogs, popcorn, candy and other snacks. The Free Movies in the Park has been sponsored this year by the Rockaway Beach Business Association, along with Sea Breeze Ice Cream, All Professionals Real Estate and Sequest Gifts and Artisan Gallery.

DEADLINE

Wednesdays 4 p.m.

Tillamook
Headlight Herald

WRITE TO US

LETTERS TO THE EDITOR

Letters to the editor should contain at most 350 words. The Headlight Herald reserves the right to edit, condense, or reject any letter to the editor. Letters published in The Headlight Herald will also be published online.

Letters to the editor and guest columns must include your first and last name, city or town or residence, and phone number for verification purposes.

Letters endorsing candidates or campaign issues must be received no later than ten days before an election. Letters written by candidates will not be accepted. Letters to the editor should be the author's work.

We strongly discourage and will attempt to weed out form letters, letters mailed to other news outlets, or letters written and edited by a third party, including but not limited to political parties.

We try to restrict the printing of one submission per author per month. We do not publish anonymous letters, personal attacks, personal complaints, poetry, consumer complaints, or letters written in bad taste.

Letters need to be submitted by **4 p.m. Wednesday** the week prior to publication.

While we strive to publish all viewpoints, Headlight Herald and Country Media reserve the right to refuse to publish any letter or guest editorial.

OBITUARIES
Obituaries need to be submitted by **4 p.m. Wednesday** the week prior to publication.

FENCEPOSTS

ON ALWAYS LEARNING

Here we are in September already and I am still trying to figure out where July went. The summer seems to have sped by, and Labor Day is creeping up on us. I must say I have enjoyed the summer, although I do wish we had more rain as I got tired watering my garden every few days. The pots and baskets were watered every day, but the rest of the garden had to make do with weekly watering. I do try to water deeply, encouraging the roots to go deeper, too. I also got a lot of time this summer visiting with friends. Lunches out, garden tours, and even just walking dogs on the beach made the summer feel

more like, well, summer. And it was at one of those lunches with gardening friends that the topic of dandelions came up. Seems like we pick a topic to discuss -or complain about – each time we meet. But rarely do we discuss dandelions. And this is where I learned something new. Did you know dandelions close their blooms at night? I guess I work so hard getting this weed out of my tiny yard that I don’t pay attention to what it is doing in the neighborhood after dark. And one of the gardeners at the table sent me a link to a website after our lunch. I just had to explore more. As it turns out, dandelions are not just lying there being yellow and troublesome. They are keeping time. Their nightly closing is called nyctinasty, which

GARDENING MATTERS
CARLA ALBRIGHT

is the fancy word for a plant movement tied to the coming of darkness. The flower head folds in on itself as evening arrives, then opens again when light and warmth return. It is such a simple thing to overlook, especially when we are busy deciding whether the plant belongs in the lawn or in the compost bucket. What I like about this is that the dandelion’s

closing is practical, not mysterious. Pollen does not do well when it is soaked by dew or rain, and a folded bloom gives those reproductive parts a bit of shelter. It also makes sense from the pollination side of things. Most of the insects visiting dandelions like bees, small flies and other daytime workers, are active when the sun is up. Staying wide open in the dark would be like keeping a shop open after all the customers have gone home. These patterns of blooming and closing throughout the day and into the evening are just more fascinating examples of how nature adapts to the environment. When dandelions open their petals in the morning sun, they maximize photosynthesis and attract pollinators like

bees and butterflies. When they close at dusk, they avoid dehydration from the cooler temperatures and maintain their energy reserves for another day. It also protects them from night-time predators. (Although I am not sure what eats dandelions other than humans.) Plants, of course, do not have brains or little wall clocks tucked under their leaves, but they do respond to light, temperature, and their own internal rhythms. That is the part that makes me pause. The dandelion I have been grumbling about while digging it out of the path is quietly responding to the day with more precision than I give it credit for. It knows when to open its bright face to the world and when to button itself up for the night. I admit to going out last

evening to try to capture a photo of a closed dandelion. And, low and behold, they were hard to find! They had almost disappeared in the twilight, and I wound up looking for the rosette leaves to track one down. Now, this does not mean I am giving dandelions a permanent welcome in my garden beds, my lawn, or my driveway. I am not quite that reformed. But I may look at them a little differently. There is something charming about a so-called weed that follows the sun, protects its pollen, feeds early pollinators and then folds itself shut like a child in pajamas at bedtime. Maybe the trick to always learning is not to travel farther, but to look more closely at what is already growing underfoot.

Today is the first of September, the true summer months have passed, but I really love September and October here in our area. The weather is usually lovely, still with plenty of sunshine, less wind in the afternoons, and the light seems to change to a softer, warm glow. It is also quieter after the busyness of summer and all our visitors, so once again we have the beaches, trails and grocery stores for ourselves. It’s a time of harvest as well. Fruits, veggies, flowers that we have tended all summer come into their

giving time, readying us for the winter ahead. Next Monday is Labor Day, it’s quite late this year due to the way the calendar fell, so hopefully everyone can enjoy a good barbecue, some fun on the beach or just gathering with family and friends. Don’t miss the annual Labor Day Oceanside Art Show. The show takes place in the Oceanside Community Club Hall and runs from 10 a.m. to 5 p.m. Saturday and Sunday. Jewelry, pottery, photography, paintings and a myriad of other works will be on

show and for sale. Our very own Bay City artist, Niciola Meeks will have her wonderful display of work at this show. Support our local artists and find some incredible, unique pieces of art for yourself or for gifts. This is always a truly enjoyable and inspiring event. I recently went kayaking at Cape Meares Lake and saw an amazing sight. A beaver dam in the lake. Beavers usually build dams in moving water, so this is quite unusual. The only fact I’ve been able to find is that sometimes they’ll build one

BAY CITY
PENNY EBERLE
hrhpenny57@hotmail.com

if the water is shallow, but in a lake that doesn’t create deeper water. If anyone out there has an answer, I’d love

to know. This past week, members of the Bay City Booster Club have been spreading many yards of compost onto the planting areas at the Welcome Garden Park. The compost will help nourish the soil over winter, with Mother Nature’s rain working the compost deep into the soil. The compost also helps smother weeds and their seeds, so that hopefully next spring weeds won’t be so prolific. During the Pearl and Oyster Festival there were many visitors to the garden, and the Booster Club

received many compliments for their efforts. There is always work to be done at the park, and everyone that would like to help out is encouraged to come along and lend a hand. We even have our own supply of tools for you to use. Now that school is back in session, we must all stay alert for children walking and or waiting for morning and afternoon buses. Let’s all slow down, take extra time and follow all the rules for school buses.

Seven Capes Bird Alliance will host two bird walks (closer than usual to us) next weekend. The first is from 9-11 a.m. on Friday, September 11. Participants, dressed for the weather with binoculars if we have them, will meet at the wayside just north of Lincoln City on North Fraser Road by 9 a.m. Warblers and other migrating songbirds are expected as

the group explores Cascade Head Interpretive Wayside. Our own Sitka Sedge is the location of the second hike. It’s planned from 10 a.m. through noon on Saturday, September 12. Egrets and Herons are among the expected birds to spot. Participants, outfitted as above, will meet in the parking lot, off Sandlake Road, by 10 a.m. The events are free and

all are welcome. Cloverdale Cruise-In is planned from 8 a.m. through 2 p.m. this Saturday, September 5th in downtown Cloverdale. Participation is free for cars, trucks, motorcycles and spectators. Donations are encouraged and will benefit Nestucca Rural Fire Protection District. For more information, call 503-392-3171. Also this Labor Day

weekend, Tillamook County Pioneer Museum will host a free admission day from 10 a.m.-4 p.m. on Saturday, September 5. The community is invited to come and see the second installment of “The Searchlight,” a rotating series focused on military history. The exhibit highlights artifacts from the museum’s collection to show little-known pieces of America’s military history throughout time. The exhibit will be on display for a year. Tillamook County branch libraries (including South Tillamook County Library in Pacific City) will open late this Thursday. Opening is planned for noon. The Main Library (located on Third and Stillwell in downtown Tillamook) will be open regular hours, 9 a.m.- 6 p.m. Pacific City’s branch is located off Brooten Road on Camp Street. A harm reduction syringe exchange happens from 11 a.m. until 1 p.m. on first Thursdays (September 3) at Nestucca Valley Presbyterian Church. The address is 35305 Brooten Road in

SOUTH COUNTY
MELONIE FERGUSON
503-812-4242
mossroses@yahoo.com

Pacific City. The service is offered at the same time four weekdays a month. On 2nd and 4th Thursdays go to The Herald Center at Tillamook 7th Day Adventist Church. The address is 2710 First Street, in Tillamook. 4th Wednesday exchanges happen at the Upper parking lot of North County Food Bank; the address is 278 Rowe Street in Wheeler. Kiawanda Community Center serves senior lunches at 11:30 on Tuesdays (September 1) and Wednesdays (September 2) for \$3 each. (Others may partake for \$6.) Bingo there is planned from 1-3 p.m. on Thursdays (September 3). For more

information call 971-212-7131 or go to kiawanda.com. The address is 34600 Cape Kiawanda Drive in Pacific City. Jim Oeder, Fire Chief with Nestucca Rural Fire Protection District, was injured on the job a while back. During a call-out Jim broke his wrist which may require surgery and injured a finger which is badly infected. His wife Karri gave permission to share this troubling news in this week’s Fencepost column so that we can think of Jim, sending good vibes or prayers for his speedy recovery. Karri Oeder does me the annual kindness of ordering and delivering South Tillamook County’s birthday calendar; it’s a fundraiser for Nestucca Valley Lions Club. While it was received in plenty of time (and was laid out to travel with me today), I’m separated from it as we go to press. I apologize. Watch this space for that belated list, next week. And have a great week, dear reader.

Your Season of Strength

As the seasons change and routines shift, fall is the perfect time to check in on your health and establish habits that support your well-being all year long. Take charge of your health now by focusing on small, meaningful steps like scheduling your regular health screenings and making sure your vaccinations are up to date.

Our dedicated primary care providers are here to support you with personalized care and guidance, helping make this season your healthiest one yet.

The garden continues to produce, and I just brought in over twenty cucumbers. Along with the end of the zucchini, three pints of grape tomatoes, ten stalks of rhubarb and two spaghetti squash. A pretty good haul. I hope to deliver most of this to friends in the morning. It seems like some of the tomato plants are not what they were advertised to be. Grape is ruling my tomato patch. I do not see Roma tomatoes in there at all. The early girls are still green and not very large. I would really like to let these tomatoes ripen so I don’t have green tomatoes to deal with. I have a warning for you. A friend of mine just dealt with a scammer who hacked into her computer. What she encountered was a takeover of the screen with a message in bold letters saying the computer was hacked and she needed to call a specific number for the Federal Trade Commission. It was startling and it created a sense of urgency, so she called the number. The person wanted her to go to the bank, take out money and send it to the FTC. She came close but did not follow through with what she was asked to do. Then she called her bank and they confirmed this was a scam and took action to protect her account. Please. If this happens to you, stop. Take

GARIBALDI
LINDA BADE
lindabade2023@gmail.com

a deep breath. Do not make that call. Instead turn off your computer. Get the device checked and the malware removed. Call your bank to notify them about the scam. Follow their advice. Pat yourself on the back for doing the right thing. Do not let the thieves get you to do something that you really don’t want to do. This can happen to anyone. It happened to me. A dear friend passed away this week. She was a remarkable woman. We met at the VFW Ladies Auxiliary and found ourselves at Masonic events together with our spouses. We played pinochle as a four-some monthly. Dinner and cards. She was here when my husband went into hospice. I was there when she went into hospice. A giving and loving person, she helped initiate a Veteran’s PTSD group for Tillamook County, she was president of the Ladies Auxiliary, was an active participant in several social groups, in addition to

helping her husband pastor his congregation. And for a while she had an antique business. She never stopped. And all the while her health was failing. She had to go on dialysis. And she still carried on. She became an inspiration to those around her. Not complaining, always thinking of others and putting them ahead of herself. And when she made this decision, she gave us another gift to remember her by. As if we need something. Those of us who knew her will sorely miss her. We can be assured that while she is absent from the body, she is present with the Lord. There were no council meetings this last week. No Garibaldi Business Association meeting, either. But September will see three council meetings – the second Monday is the workshop; third Monday the business meeting; and the fourth Monday will be another Town Hall, your opportunity to speak to the council about what the city should be doing. Work is beginning on the foundation of city hall as part of mold remediation work, so you may see some construction type activity at city hall. It should lead to the staff being back in their own offices, possibly by October. I hope to deliver most of this to friends in the morning. The city is getting back to “normal.”

OBITUARIES — NEWS

Benny R. Parker

October 21, 1939 - August 18, 2026

Benny Parker, be-loved father, grand-father, brother, and friend, passed away suddenly on August 18, 2026, following a tragic car accident. He was 86 years old.

Benny was born on October 21, 1939. In 1962, he married the love of his life, Waylene Parker, and together they soon moved to Elk Grove, California, where Benny made his dream of owning a dairy farm come true. Benny and Waylene raised their three children, Tim, Lou, and Angie, building a life filled with hard work, family, and love.

Later, Benny and Waylene moved to Tillamook, Oregon, where they joined the Tillamook Creamery Association and continued making a life together in the community they loved.

Benny is survived by his three children: Tim Parker

of Pendleton, Oregon; Lou Parker of Sisters, Oregon; and Angie Rankin of Divide, Montana. He also leaves behind seven grand-children—Josh Parker, Cody Parker, Justine Parker, Kaitlyn Rieger, Shelby Hulburt, Maria Parker, and Sara Parker—and three great-granddaughters. He is also survived by his

brother, Richard Parker, of California.

Benny was a man who found joy in the simple things. He loved growing a garden and sharing its bounty with friends and neighbors. He had a special love for animals and could rarely pass up a good auction. His generosity, humor, hard work, and love for those around him touched many lives.

Benny will be deeply missed by his family, friends, and all who had the privilege of knowing him. Though his passing was sudden, the memories he created and the love he gave will remain in the hearts of those who knew him. He will be loved always.

Friends and family gathered on August 31st at the Brownsmead Grange to share stories, memories, and love for Benny.

Anita Maria Hanakahi

June 5th, 1953 - August 25th, 2026

Anita Maria Hanakahi was born to Maceo and Yaeko Bustamante June 5th, 1953, and she passed into the arms of Jesus August 25th, 2026, surrounded by loved ones.

She was a God-fearing woman who loved the Lord and loved people. She never knew a stranger; everyone she met quickly became a friend. She had a special way of making people feel loved, welcomed, and valued.

For more than 45 years, Anita and her loving husband, Sterling, shared a life of faith and ministry, serving the Lord together and reaching out to people with the love of Christ. Over the years, they opened their hearts and their lives

to countless people, encouraging them, praying for them, and pointing them to Jesus. She wanted everyone to know that Jesus loves them and that He has a plan and purpose for their life.

Her life was a testimony of faith, compassion, and love for her Savior and for others.

Her favorite Scripture, Romans 8:38–39, which reminds us that “nothing shall be able to separate us from the love of God, which is in Christ Jesus our Lord.” This was the hope she wanted everyone to know—that nothing in this life or the next can separate us from the love of God.

Anita will be deeply missed by her family, friends, and all who were blessed to know her. Her faith, her love for people, and the many lives she touched throughout her years of ministry will remain a beautiful and lasting legacy.

Obituary Policy

1. DEATH NOTICE:

This option includes basic information such as the deceased's name, age, town of residency, and details about any funeral services. There is no charge for this service. If you wish to add a photo, there is a \$35 fee.

2. SERVICE NOTICE:

A Death Notice that includes a link to a full obituary will be charged \$75.

3. STANDARD OBITUARY:

For \$100, you can submit an obituary with up to 200 words. Each additional 200 words cost \$75. A small photo can be included at no extra charge. If you'd like to add more photos, each additional one costs \$35.

4. 50% OFF PICK-UP OPTION:

If you choose to republish an obituary within one month of its original publication date without making any

changes, you'll receive a 50% discount.

5. ONLINE: All obituaries are placed online at no additional charge

Obituaries need to be submitted and paid for by 4 p.m. on Wednesday the week prior to publication.

Need further assistance? Call (503) 842-7535 Monday – Friday 8:30 a.m. – 5 p.m. or email classifieds@orcoastnews.com

SALMONBERRY Trail

From Page A1

against a goal of \$600,000, Fitchett said, typical for their revenue flows, as most donations arrive in the last three months of the year. Fitchett said the foundation was planning a fall solicitation campaign and several other initiatives to ensure sufficient donations.

Of the funds raised last year, Fitchett said the foundation has spent \$91,000 on planning for the Catalyst Loop, \$21,000 on the Wheeler demonstration trail and \$15,000 for design work for trestle repairs. Volunteers contributed 6,204 hours of labor last year, and the foundation hosted 24 guided hikes between April and July and participated in 78 community events over the course of the past year.

Neunzert then discussed work on the trail, saying that two interpretive signs, one downtown and one near Bott's Marsh, were recently installed at the .3-mile demonstration trail segment in Wheeler. Neunzert said that the section's originally proposed .6-mile length had been shortened due to concerns from homeowners and that the foundation was shooting to have it opened by late October. Neunzert said that the foundation had so far spent around \$55,000 of a \$68,000 grant awarded for the project by the Tillamook Coast Visitors Association.

In Washington County, work on the 3.2-mile Catalyst Loop has been bogged down in the land-use permitting process,

which has been significantly more complicated than anticipated because of flood concerns, per Neunzert. Neunzert said that because the proposed path of the trail wended through the floodplain, it had been necessary to do flood modeling for the area, though Neunzert said the added cost of

doing so would be offset in construction as gravel from sections in the now-mapped floodplain can be used for sections outside of it.

Neunzert said that the foundation hoped to submit their final land use application to Washington County in the next month or two.

In Loving Memory of Harvey Wyss

Please join us for a **Celebration of Life** honoring **Harvey Wyss on Saturday, September 5, 2026 at 12:00 p.m. at Swiss Hall, 4605 Brookfield Avenue, Tillamook, Oregon.**

As we gather to celebrate Harvey's life, we invite family, friends, neighbors, and all whose lives he touched to share a favorite memory or story. Together, we will remember the laughter, kindness, and lasting impact of a truly wonderful man.

A light lunch will be served.

All who knew and loved Harvey are welcome. ❤️

Water Damage at Nehalem Bay Health Center and Pharmacy Fully Repaired

NEHALEM BAY HEALTH DISTRICT

The failure of a plumbing connection at the Nehalem Bay Health Center & Pharmacy (NBHCP) on May 12, 2026, resulted in considerable damage to flooring, dry wall and some equipment, but as of the last week of July all repair and restoration work has been completed.

The Nehalem Bay Health District, owner of the facility, expresses its appreciation to the community for its patience and understanding during as restoration, and extends thanks to the management and staff of the NBHCP, as well as Bremik Construction and its subcontractors for the tremendous effort and teamwork required to return the facility to “as new” condition.

All flooring material other than tile on the first floor of the facility had to be replaced, and the same carpet and vinyl flooring that was originally installed was utilized. Dry wall that suffered water damage was removed, replaced and repainted. Two rooms, an exam room and a rest room, received the most serious damage as a result of the water release and repairing

those rooms involved new ceilings and case work, as well as flooring. The spectacular collection of Oregon artwork, some of which had to temporarily removed, has been reinstalled.

A remarkable effort was required by NBHCP management and staff, working with contractors, to schedule and preform the restoration work in order to minimize to the extent possible impact on patients and pharmacy operations.

“Certainly, no one expects or plans for such a significant water release in a health care facility, but it is a testament to the resilience

and cooperation of the community that the Nehalem Bay Health Center & Pharmacy was returned to ‘as new’ condition as quickly as humanly possible,” said Marc C. Johnson, president of the Health District.

Johnson, in addition to acknowledging management and staff of NBHCP for their efforts, said the Health District board expresses it's great thanks to the City of Wheeler, particularly its public works department, and personnel from Nehalem Bay Fire and Rescue who were outstanding first responders and assisted in minimizing water damage.

Adventist Health Plaza Medical Office is located on the Adventist Health Tillamook campus at 1100 Third Street in Tillamook, Oregon. The facility is a modern healthcare clinic situated adjacent to Adventist Health Tillamook Medical Center, offering convenient access to primary care, specialty care, and urgent care services.

Adventist Health Medical Office – Plaza Urgent Care to Update Hours

Adventist Health Tillamook is updating the hours of operation for Adventist Health Medical Office – Plaza Urgent Care, located at 1100 Third St., effective August 30, 2026. Beginning August 30, urgent care will be

open Monday through Friday from 8 a.m. to 6 p.m. and Saturday and Sunday from 9 a.m. to 5 p.m. The change follows a review of the days and times patients most often seek care to ensure resources are available when the community needs them most.

Urgent care provides easy access to same-day treatment for illnesses and injuries that are not life-threatening but require fast medical attention. Patients will continue to have reliable access to experienced providers who can address a wide range of healthcare concerns without an appointment. Additionally, emergency care for life-threatening illnesses and injuries will continue to be available 24 hours a day, seven days a week at the Adventist Health Tillamook Medical Center Emergency Department, located on the same campus.

“Our goal is to meet patients where they are and provide care when they need it most,” said Michael Halferty, MD, Ambulatory Medical Director for Adventist Health Tillamook. “The updated hours better align with how our community is using urgent care while allowing us to align resources when they are most needed. We are committed to ensuring patients

have convenient, local options for high-quality care close to home.”

WATER Mainline

From Page A1

several sections, including under wetlands and at the runway's south end, have used boring.

Lewis said the city's contract with Tapani calls for the project to be finished and demobilized by the first quarter of 2027 and that substantial completion is expected sometime before that in November or December.

The new pipe will have to be flushed with chemicals to make it safe to transport drinking water, at which point it will be connected to the existing line running into town and pressurized, a process that will take around half a day. Lewis said that the public works department planned to transition to an intertie with the City of Bay City's system for supply during the pressurization process, and that users should not experience any service interruptions, though they will be alerted to the time

of changeover in case they do.

The lion's share of funding for the project's \$13.2-million budget is coming from the American Rescue Plan Act of 2021, which contributed \$10 million. City council also approved a \$7.2-million loan from Business Oregon in November 2025, before receiving a further \$4 million in federal funding in January of this year. Money beyond that required for the first phase will be put towards the second phase, which Lewis said is expected to come in around the same price as the first. Lewis said efforts by city staff to identify outside funding sources are ongoing.

The project's first phase was originally expected to cost \$14 million, and city leaders were pleasantly surprised when Tapani's bid came in at just \$12.7 million. Originally, plans had called for trenching to be used in the area south of the runway, but due to Federal Aviation Administration regulations, council approved a \$525,000 change order in July to instead bore in the area.

Mooks drop football opener

BY MIKE WEBER
For The Headlight Herald

In a disappointing start to the season, the Tillamook High Cheesemakers dropped their home opener against the Central High Panthers, 42-7 on August 28 at home.

After jumping out to an early lead, the Mooks were held scoreless as the Panthers ran away thanks to strong performances on third down and several large plays. Tillamook Head Coach Kye Johnson said that the team would need to clean up both areas to have success moving forward.

“It was not the start we were hoping for,” said

Johnson. “We got spanked on the scoreboard for sure. We were not good enough in many areas on either side of the ball. We struggled on third downs both offensively and defensively. We had third and long defensively a few times and gave up big plays. Those are the type of things that swing momentum and give your opponent more time with the football. We have to clean those things up especially in order to beat playoff caliber teams.”

Coming off a strong season a year ago when they reached the state playoffs, the Mooks lost 18 graduated seniors, leaving roles to be filled across the depth chart coming into the game. Central finished last season

4-5 at the 5A level before reclassifying to 4A for this season and presented a strong opponent for the Cheesemakers.

“Central is a good team and we knew they were going to be,” said Johnson. “They didn’t throw a ton of things at us that we weren’t prepared for, but they just flat out beat us and executed well. That’s really what week zero comes down to in my experience.”

After the Mooks recovered a Panther fumbled punt early in the game, senior running back Aden Camacho Garcia (five carries, 19-yards rushing) capped a five-play, 22-yard possession as he scored on a five-yard touchdown run. Following a point after

touchdown by senior kicker Aslan Scott, Tillamook led 7-0 with 6:56 remaining in the opening quarter.

Unfortunately, it was the only score of the game for the Mooks. The Panthers responded with a quick scoring drive just 46 seconds later, knotting it 7-7 with 6:10 left in the quarter, where the score remained at the end of one.

From there, the Mooks struggled defensively, unable to stop the explosive Panther offense for the remainder of the one-sided contest. The Panthers outscored the Mooks 20-0 in the second quarter to extend the lead to 27-7 at the half.

For a few minutes in the third quarter, the Mooks

showed signs of life. On their first offensive possession of the quarter, the senior trio of running Vincent Maciel (eight carries, 33 yards rushing), receiver Eli Wooten (four receptions, 97 yards receiving) and quarterback Kevin Hurliman (16-for-33, 156 yards passing) combined to help lead the Mooks on their longest offensive series of the game.

The Mooks proceeded on a 51-yard, 10-play series, but it stalled at the Panthers 24-yard line on a failed fourth down conversion play.

This proved a turning point, as the Panthers responded with a 76-yard scoring drive to extend the lead to 35-7 with 4:09 left

in the third, before tacking on a final touchdown in the fourth.

“There were plenty of good things for us to build off of and we’re going to do that,” said Johnson. “We take a lot of pride in being a program that shows growth every year. We have a chance to get back on our feet next week when we go to Sweet Home and we’ll need to play better football to get our first win.”

The Mooks will look to bounce back in their next game Friday at 7 p.m. on the road versus the Sweet Home High Huskies (3-2 SD3, 7-3 in 2025). It will be the season opener for the Huskies, who reached the first round of the playoffs last year.

Kyler Beebehiser shot 69,75 to capture the 2026 Mens Club Championship at the Mook at Alderbrook.

Alderbrook announces winners of the Club Championship

Staff

Kyler Beebehiser, outlasted the field both days to win the Alderbrook Mens Club Championship. Beebehiser shot 69 the first day over the difficult 18-hole layout and 75 the second day to pull away from the field by 7 strokes.

Senior champion this year was Ted lane, B Flight winner was Ron Holder. Winning the C Flight was Carl Welch and overall Net Champion was Aaron ‘Fluff’ Dunn.

Memorial Tournament

The Mook at Alder-

brook is playing host to the 4th Annual Memorial at the Mook, Sept. 26-27. There are both member and non-member entry fees. Entry for the two person teams include golf with cart, range tokens, a putting contest, lunch and prize money. Gross and Net payouts for each flight will be awarded. Plus lots of other prizes up for grabs like \$25,000 hole in one prize, long drive and long putt prizes.

Entry forms are at the pro shop or you can call Mike Fitzsimonds at 503-801-4698 or Roby Lane at 503-457-8257 for more information.

Bobcat football shoots for continued success

BY MIKE WEBER
For The Headlight Herald

Nestucca High School’s football team has enjoyed tremendous success recently, qualifying for the state playoffs the last two years, a streak they will shoot to continue this year as the season gets rolling on Friday.

The Bobcats (4-2 league, 6-4 overall) capped a successful 2025 season with a third-place finish in the seven-team Special District 1, earning a number 16 ranking to reach the OnPoint Community Credit Union state playoffs. The Bobcats lost a first-round road matchup 54-0 to the number one ranked Heppner High Mustangs (12-1) to conclude the season. The Mustangs eventually reached the finals and lost 24-22 to the defending state champion Lost River High Raiders (12-1).

Following three weeks of practice while guided by new head Coach Frank Elsasser, the 32-player Bobcat squad will open the season Friday with a 7 p.m. nonleague road game versus the Toledo High Boomers (4-4 in 2025), who they beat 40-34 in the season opener a year ago.

“We had a good season last year and we made the playoffs, which was our goal,” said Elsasser, who is the Bobcats third head coach in the last three years. “I always

have the same goal every year, which is to be playing football in November. Obviously, I would like to win our league and host a playoff game. The most important thing though is to still be playing when the playoffs start and that’s what our focus is.”

Elsasser, who has been coaching high school football for 23 years, was an assistant coach to head Coach Michael Ward last year. Ward resigned following the conclusion of the season. Former longtime (18-years) Coach Jeff Schiewe guided the Bobcats in 2024 before retiring. Throughout the changes, Assistant Coach Jim Kiser has provided continuity with ten years’ experience with the program.

“We have six more players on the team this year, so it’s nice to see growth in our program,” Elsasser said. “We have a lot of talent in the freshman class (seven players), which is a pretty good group. We have a lot of depth too with nine juniors, which is good not only for this year, but also for next year as well.”

Following Friday’s opener, the Bobcats will meet the Waldport High Irish (2-7 in 2025) in a September 11 nonleague road game. The Bobcats play their home opener September 18 against the defending SD1 champion Clatskanie High Tigers (6-0 SD1, 10-1 in 2025). The

Tigers won 18-6 over the Bobcats in their last matchup. Clatskanie, Nestucca and the Knappa High Loggers (5-1 SD1, 7-2 in 2025) each advanced to the playoffs a year ago and the three are expected to be the top league contenders again this season.

“It should be a good season opening game against Toledo and we’re hoping to get a win there,” said Elsasser. “We beat them by a touchdown last year, so I think they’re kind wanting to get some revenge this year. Our kids know each other well because some of them play together on the same summer league baseball team and it will be like a friendly rivalry game. It will be a game between two evenly matched teams. It’s going to be a tough fight for sure against all of our opponents for sure and we have lots of good teams in our league, which makes it one of the strongest in Class 2A.”

A key matchup on Nestucca’s nine-game schedule is the annual Tillamook County rivalry game October 2 versus the Neah-Kah-Nie High Pirates (2-4 SD1, 2-6 in 2025) at Neah-Kah-Nie High School in Rockaway Beach. The Bobcats won last year’s matchup 54-0 at home on Sept. 26, 2025.

The Bobcats lost seven seniors to graduation last year but have an experienced

group returning this year with a total of eight seniors who will provide leadership for the team. They include Kenji Nixon, Jace Jensen, Owen Love, Brady Hurliman, Merari Mondragon, Tegan Slavens, Sawyer Collins and Wyatt Clark.

“We lost a lot of good players from last year, including pretty much our whole starting offensive line, except for one,” said Elsasser. “We have lots of seniors again and so we have some talented players at key skilled positions on the team. We have a very solid group of offensive players and talent-wise, I think we can match up well with anybody in our league. The key thing will be how quickly the offensive line steps up.”

Hurliman, a third-year quarterback/cornerback will help lead the Bobcats offensively and defensively along with Jensen, a quarterback/defensive back. Hurliman earned an SD1 First Team All-League Award at cornerback in 2025.

Love, a 6-foot-4 wide receiver, will also be a key player offensively along with running backs Slavens and Nixon. One of the freshmen who is also expected to help provide the Bobcats with some strong playmaking ability includes Jon London, who is a 6-foot-4, 270-pound lineman who plays both sides of the ball.

NEWS

Search Warrant Targets Suspected Organized Criminal Activity as Part of ODOJ Partnership with Tillamook Police

The Oregon Department of Justice (ODOJ), working in partnership with the Tillamook Police Department, Tillamook County Sheriff’s Office, Oregon State Police, and Tillamook County District Attorney’s Office, conducted a search warrant at Pearl Massage, a massage business located within the City of Tillamook.

The search warrant follows several months of investigation and surveillance related to suspected illicit activity at the business. The investigation is part of a broader partnership between ODOJ and local law enforcement agencies aimed at identifying and disrupting organized, multi-jurisdictional criminal activity.

“Illicit massage businesses can be associated with human trafficking and

the exploitation of vulnerable people,” said Tillamook Police Chief Nick Troxel. “We have no tolerance for individuals or organizations that profit from exploiting others. At the same time, we recognize that some of the people found working in these environments may themselves be victims. They deserve to be treated with dignity, compassion, and provided an opportunity to connect with resources and support. Our focus is on protecting victims, holding offenders accountable, and keeping this type of criminal activity out of Tillamook.”

“Public safety partnerships like this one with Tillamook County help us shine a light on underground criminal networks and organized crime,” said Attorney General Dan Rayfield. “By combining our investigative

resources to dismantle the networks behind these criminal operations, we’re able to hold offenders accountable, protect our neighborhoods, and get trafficking victims the support they need.”

On August 27, 2026, investigators executed a search warrant at Pearl Massage on North Main Avenue in Tillamook. The search resulted in the seizure of more than \$4,600 in cash, along with additional evidence investigators believe is associated with prostitution and other unlawful activity.

Deng Shuyuan, a 55-year-old female, was arrested in connection with the investigation. The owner was not present and will be cited for operating a business without the required license within the City of Tillamook. Investigators also worked to identify individuals who may

have been victims of trafficking or exploitation and connect them with appropriate resources and services.

The property owners have been notified of the law enforcement action and have indicated they intend to begin the process of removing the business from the property. This investigation is connected to a broader effort targeting suspected illicit massage businesses and organized criminal activity across multiple Oregon jurisdictions, including recent enforcement actions in Washington and Lincoln counties.

The investigation remains ongoing, therefore there will be no further information released at this time. All individuals arrested or cited are presumed innocent unless and until proven guilty in a court of law.

Team Lip Service Wins 21st Annual Oregon Tuna Classic in Garibaldi

OREGON TUNA CLASSIC

The 21st Annual Oregon Tuna Classic wrapped up another memorable weekend at the Port of Garibaldi on August 14 and 15, bringing together anglers, sponsors, volunteers, community members and visitors for two days of offshore fishing, friendly competition and a shared commitment to giving back. Founded in 2005 by local fishermen, the Oregon Tuna Classic has grown into a much-anticipated charitable fishing tournament while remaining true to its original purpose: combining a passion for sportfishing with a commitment to fighting hunger and supporting conservation throughout Oregon.

This year, 38 teams participated in the tournament, with anglers heading offshore in search of albacore and the opportunity to claim the 2026 Oregon Tuna Classic championship.

Team Lip Service Takes the 2026 Championship

Team Lip Service captured first place with an impressive five-fish total of 132.45 pounds. Their five qualifying fish weighed 24.10, 24.45, 28.75, 28.20 and 26.95 pounds. The race at the top was close. Team Sea Minus finished second with 129.45 pounds, followed by Team Pacific Reign in third with 128.40 pounds—meaning just 4.05 pounds separated the top three teams. Friday brought another round of excitement with Team El Jefe winning Big Fish Friday with a

25.9-pound tuna. Team Lip Service also took the Big Fish Side Pot with a 28.75-pound fish, while Team Tunado landed a bluefin tuna to win the Pelagic Side Pot.

Other side-pot winners included Team Pacific Reign, Team Pendejos Locos, Team Roam Moonshine Express, Team Game Changer, Team El Jefe, Team Big Tuna Marine and Team Lewis & Clark.

The Excitement Continued on Shore

The Oregon Tuna Classic is about much more than what happens offshore. Spectators gathered at Captain's Corner Friday and Saturday as boats returned to Garibaldi, tuna came across the scales and teams waited to see where they would finish on the

leaderboard. Saturday evening brought anglers, sponsors, volunteers and community partners together under the Port of Garibaldi event tent for dinner, awards, raffles and live and silent auctions. The live auction featured an impressive collection of donated items and experiences, including original artwork, guided fishing trips, Oregon Ducks football season tickets, a Cabo getaway, marine electronics, an Argentina Cast & Blast adventure and a South African safari.

Fishing for a Greater Purpose

While the competition is an important part of the Oregon Tuna Classic, giving back remains at the heart of the tournament. Tuna donated by participating anglers is now being processed for distribution

to help feed families in local communities. Because processing and distribution take time, the final amount of tuna donated through the 2026 Oregon Tuna Classic will be announced once those efforts are complete.

The tournament also raises funds in support of Oregon Food Bank and Ducks Unlimited, continuing OTC's commitment to hunger relief and conservation throughout Oregon. In 2025, the generosity of OTC anglers, sponsors, volunteers and supporters resulted in more than \$70,000 in donations to Oregon Food Bank and Ducks Unlimited, along with 14,000 pounds of fresh tuna donated to the local community. The Oregon Tuna Classic looks forward to sharing the final charitable impact of the 2026 tournament once all donations, auction proceeds and tuna distribution have been finalized.

A Community Effort

The Oregon Tuna Classic would not be possible without the incredible support of the businesses, organizations, volunteers and community members who step up year after year. The Oregon Tuna Classic Board extends a special thank you to 2026 Title Sponsor Schooner Creek Boat Works, whose generous partnership and continued support helped make this year's tournament possible. We also extend our sincere appreciation to the Port of Garibaldi and the United States Coast Guard for their partnership, assistance and support throughout tournament weekend. A very special thank you goes to the Neah-Kah-Nie High School Wrestling Team for rolling up their sleeves and helping the OTC team throughout the event. Their hard work, positive attitude and willingness to jump

in wherever needed were greatly appreciated. Having local students involved in an event centered around community and giving back made their contribution especially meaningful. Finally, thank you to all our tournament sponsors, donors, participating businesses, volunteers, anglers and community partners who contributed their time, resources, expertise and enthusiasm to the 21st Annual Oregon Tuna Classic. This event truly takes a community, and we are incredibly grateful to everyone who helped make the 2026 Oregon Tuna Classic a success. The Oregon Tuna Classic is about so much more than the competition on the water. It's about bringing our anglers, sponsors, volunteers and community together for something we all love while making a meaningful difference for others. We are incredibly grateful to everyone who helped make our 21st year such a success. After more than two decades, the Oregon Tuna Classic continues the tradition that inspired its creation: great fishing, strong community, conservation and giving back.

About the Oregon Tuna Classic

Founded in 2005 by local fishermen, the Oregon Tuna Classic is a charitable fishing tournament based in Garibaldi, Oregon. The event brings together anglers, businesses, sponsors, volunteers and the community to celebrate Pacific Northwest sportfishing while raising funds and donating tuna to help fight hunger and support conservation.

Pirate football prepares for season opener

BY MIKE WEBER
For The Headlight Herald

After over two weeks of practice for the 15 players on their roster, the Neah-Kah-Nie High Pirates will start their football schedule with a season opening nonleague road game Friday against the Oakridge High Warriors. The Pirates (2-4 SD1, 2-6 overall in 2025), finished in fifth place in their seven-team Special District 1 league standings last season and finished with a No. 24 OSAA ranking. They'll be looking to start the season the same way that they ended last season, with a victory.

The Pirates won last season's finale 52-20 over the Rainier High Columbians (1-5 SD1, 3-6 overall) at home. It was a solid performance and they're hoping that they can continue to show that same improvement in their season opener. The Pirates should have a very good chance for a win on Friday versus the Warriors, who finished 1-7 in 2025. The team lost just three seniors to graduation, Noah Scovel, Brady Douma and Nathaniel Tinnes, so a majority of the squad returns this year, including four seniors. Several changes happened since the end of last season. Fourth-year Head Coach

Alejandro Quintana resigned, and the team will be guided by John Malcom, who is optimistic about the upcoming season. "We feel like we'll have a good chance to win our season opener on Friday at Oakridge and we're all excited about the start of the season," said Malcom, a 1997 Neah-Kah-Nie High graduate. "I feel like every team's goal is to win and obviously, that's what we want to do more often this year. The biggest goal I have for the season is to just stay focused on the process, not the outcome." In 2024, the Pirates won just one game, before improving last year and doubling their win total, a feat the team

will aim to match again this season. The Pirates play three teams, Rainier, Oakridge and the Sheridan High Spartans, that each recorded just one league win a year ago, giving Neah-Kah-Nie good opportunities for victories. "It's a big task for me, because I've never coached high school football and I'm a little nervous about it for sure," Malcom said. "I've spent the last seven weeks with these guys though and we have a good returning staff of assistant coaches (Greg Hardy, Jeff Sargent), so I have a good supporting group." The Pirates will be led by the senior trio of Daniel Sargent (second team running

back/linebacker), Everton Morton (honorable mention) Asher Ortman (second team offensive lineman) and junior Patrick Hardy (honorable mention), who each earned SD1 All-League Awards last year. Sargent had an outstanding performance in the season finale versus Rainier last year in leading the offense with 14 carries for 269 yards rushing as he scored five touchdowns. Following Friday's opener, the Pirates will play Sheridan in their nonleague home opener on September 11 at 7 p.m. at Neah-Kah-Nie High School. A key highlight on the schedule includes the Tillamook County rivalry matchup versus the Nestucca

High Bobcats (4-2 SD1, 6-4 in 2025) October 2 at Nestucca High School. The top three SD1 teams, the defending league champion Clatskanie High Tigers (6-0 SD1, 10-1 in 2025), the Knappa High Loggers (5-1 SD1, 7-2 in 2025) and Nestucca, each advanced to the 2A state playoffs last year. The three teams are expected to be the top contenders again this year. The SD1 made one change in the league as Vernonia moved into Class 1A eight-man football. The Corbett High Cardinals (5-4 in 2025) are a newcomer to the league as they moved over to SD1 from SD2.

NEWS

Tillamook County Budget Committee Vacancy

The Tillamook County Board of Commissioners is seeking applications from Tillamook County residents to fill a vacant position on the Tillamook County Budget Committee. Because of the fiscal challenges facing the County, the Commissioners would like to appoint an individual who is willing to make a real commitment of time to the Budget Committee. Anyone, except officers, agents, or employees of the County, is eligible to serve on the committee. The successful applicant would need to attend several workshops and at least one formal Budget Committee meeting each year. Under State law, the committee has the responsibility to develop budget policy and priorities and approve the County's

annual budget. The committee consists of the three County Commissioners and three members chosen from the community. A background in government finance, accounting or business is helpful, but the most important qualification is an interest in, or knowledge of, programs and services that are either offered by the County or required by law to be performed by the County. Membership application forms are available on the County website under the Board of Commissioners' page at: <https://www.tillamookcounty.gov/bocc/page/committees> and should be e-mailed to Isabel Gilda in the Commissioners' office at Isabel.gilda@tillamookcounty.gov by 5:00 p.m. on Friday, September 4, 2026. For

more information on how to submit an electronic ap-

plication, call Isabel Gilda at 503-842-3431; for more

information about the Tillamook County Budget Com-

mittee, please call Debra Jacob at 503-842-3439.

City of Tillamook
The Dairylands

Job Opportunity Utility Clerk

Salary Range \$51,308 - \$61,264 D.O.E

This position supports the Mission of the City by providing services in the Public Works Department under the direction of the Public Works Director to support the Mission Statement. This position maintains a high level of visibility internally and requires excellent interpersonal, organizational, and verbal/ written communication skills. Furthermore, this position performs various utility billing and customer service tasks. Responds to inquiries, complaints, and requests for assistance from customers regarding utilities and various other City functions on the phone and in-person. Provides other assistance to the Public Works Director as needed.

Complete job descriptions, requirements and applications may be picked up at Tillamook City Hall, 210 Laurel Avenue, Tillamook between 7:30 a.m. and 5:30 p.m., Monday-Thursday, or go to www.tillamookor.gov for the announcement, job description and application. A resume is required. Questions: Call Human Resources at (503) 374-1828. Position recruitment will remain open until filled. EOE. Emailed applications are accepted at humanresources@tillamookor.gov.

999

Public Notices

corded 6/30/2008, as Instrument No. 2008-004859, in mortgage records of Tillamook County, Oregon covering the following described real property situated in said County and State, to-wit: A tract of land in Section 19, Township 4 South, Range 10 West of the Willamette Meridian, in Tillamook County, Oregon, described as follows: Beginning at a point in the East line of 4th Street, which point is the Northwest corner of Lot 4, Block 3, FISHER'S SUBDIVISION to Pacific City; Thence North 8° 16' East along said East line of 4th Street 280 feet to the true point of beginning of the tract to be conveyed; Thence North 81° 44' West 113.7 feet to the East line of Hillcrest Street; Thence North 31° 22' East along said East line of Hillcrest Street 103.8 feet to the Southwesterly corner of Stanfield's tract; Thence South 58° 38' East along the Southerly line of said Stanfield tract 100 feet; Thence South 29° 45' West to the true point of beginning. The street address or other common designation, if any for the real property described above is purported to be: 34900 FOURTH STREET PACIFIC CITY, OREGON 97135 The Tax Assessor's Account ID for the Real Property is purported to be: 2202 4S10 19 CD 08700 / 237309 Both the beneficiary and the trustee, ZBS Law, LLP have elected to foreclose the above referenced Trust Deed and sell the said real property to satisfy the obligations secured by the Trust Deed and a Notice of Default and Election to Sell has been recorded pursuant to ORS 86.752(3). All right, title, and interest in the said described property which the grantors had, or had power to convey, at the time of execution of the Trust Deed, together with any interest the grantors or their successors in interest acquired after execution of the Trust Deed shall be sold at public auction to the highest bidder for cash to satisfy the obligations secured by the Trust Deed and the expenses of sale, including the compensation of the trustee as provided by law, and the reasonable fees of trustee's attorneys. The default for which the foreclosure is made is: The monthly installment of principal and interest which became due on 9/1/2025, late charges, and all subsequent monthly installments of principal and interest. You are responsible to pay all payments and charges due under the terms and conditions of the loan documents which come due subsequent to the date of this notice, including, but not limited to, foreclosure trustee fees and costs, advances and late charges. Furthermore, as a condition to bring your account in good standing, you must provide the undersigned with written proof that you are not in default on any senior encumbrance and provide proof of insurance. Nothing in this notice should be construed as a waiver of any fees owing to the beneficiary under the deed of trust, pursuant to the terms and provisions of the loan documents. The amount required to cure the default in payments to date is calculated as follows: From: 9/1/2025 Total of past due payments: \$14,358.50 Late Charges: \$482.40 Additional charges (Taxes, Insurance, Corporate Advances, Other Fees): \$3,789.20 Trustee's Fees and Costs: \$1,627.68 Total necessary to cure: \$20,257.78 Please note the amounts stated herein are subject to confirmation and re-

999

Public Notices

view and are likely to change during the next 30 days. Please contact the successor trustee ZBS Law, LLP, to obtain a "reinstatement" and or "payoff" quote prior to remitting funds. By reason of said default the beneficiary has declared all sums owing on the obligation secured by the Trust Deed due and payable. The amount required to discharge this lien in its entirety to date is: \$160,690.91

Said sale shall be held at the hour of 10:00 AM on 10/30/2026 in accord with the standard of time established by ORS 187.110, and pursuant to ORS 86.771(7) shall occur at the following designated place: At the front entrance to the Tillamook County Courthouse, 201 Laurel Ave, Tillamook, OR Other than as shown of record, neither the said beneficiary nor the said trustee have any actual notice of any person having or claiming to have any lien upon or interest in the real property hereinabove described subsequent to the interest of the trustee in the Trust Deed, or of any successor(s) in interest to the grantors or of any lessee or other person in possession of or occupying the property, except: NONE Notice is further given that any person named in ORS 86.778 has the right, at any time prior to five days before the date last set for sale, to have this foreclosure proceeding dismissed and the Trust Deed reinstated by payment to the beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred) and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation(s) of the Trust Deed, and in addition to paying said sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and Trust Deed, together with the trustee's and attorney's fees not exceeding the amounts provided by ORS 86.778. The mailing address of the trustee is: ZBS Law, LLP 5 Centerpointe Dr., Suite 400 Lake Oswego, OR 97035 (503) 946-6558 In construing this notice, the masculine gender includes the feminine and the neuter, the singular includes plural, the word "grantor" includes any successor in interest to the grantor as well as any other persons owing an obligation, the performance of which is secured by said trust deed, the words "trustee" and "beneficiary" include their respective successors in interest, if any. Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale. IMPORTANT NOTICE: Starting March 1, 2026, Federal Law may prohibit ZBS Law from issuing a Trustee's Deed Upon Sale in connection with this trustee's sale until information about the winning bidder is reported to the U.S. Treasury's Financial Crimes Enforcement Network. See, 31 CFR § 1031.320 (https://www.ecfr.gov/current/title-31/

999

Public Notices

subtitle-B/chapter-X/part-1031/subpart-C/section-1031.320). If this trustee's sale qualifies as a "reportable transfer" under 31 CFR § 1031.320(b), and you, as buyer, qualify as a "transferee entity" under 31 CFR § 1031.320(e) (1) or "transferee trust" under 31 CFR § 1031.320(e)(2), you will be obligated to provide information about the Beneficial Owner(s) of the transferee to ZBS Law or ZBS Law's designated representative. If you qualify as an exempt entity or trust under 31 CFR § 1031.320(n)(10)-(11), you may be required to provide evidence of the exemption supported by a declaration under penalty of perjury. If the Trustee's Deed Upon Sale cannot be issued due to a qualified transferee's failure

999

Public Notices

or inability to provide the necessary reporting information, the qualified transferee will be responsible for all fees and costs to re-notice the trustee's sale. Dated: 6/16/2026 ZBS Law, LLP By: Amber L. Labrecque, Esq., OSB#094593 ZBS Law, LLP Authorized to sign on behalf of the trustee EPP 48318 Pub Dates 08/11, 08/18, 08/25, 09/01/2026

HH26-339 TRUSTEE'S NOTICE OF SALE TS NO.: 25-75732 Reference is made to that certain Deed of Trust (hereinafter referred as the Trust Deed) made by JEFFREY W FOSS AND LAUREN R FOSS as Grantor to FIRST AMERICAN TITLE INSURANCE COMPANY OF OREGON, as trustee, in favor

of Mortgage Electronic Registration Systems, Inc. ("MERS"), as designated nominee for UNIVERSAL AMERICAN MORTGAGE COMPANY, LLC, beneficiary of the security instrument, its successors and assigns, as Beneficiary, dated 3/28/2012, recorded 4/3/2012, as Instrument No. 2012-001717, modified by Loan Modification Agreement recorded as Instrument 2023-05011 and recorded on 11/9/2023, in mortgage records of Tillamook County, Oregon covering the following described real property situated in said County and State, to-wit: THE EAST 79.32 FEET OF LOT 5, BLOCK 7, NORTON'S ADDITION TO TILLAMOOK CITY, IN TILLAMOOK COUNTY, OREGON. The street address or other common designation, if any for the real property described above is purported to be: 1102 GROVE AVE TILLAMOOK, OREGON 97141 The Tax Assessor's Account ID for the Real Property is purported to be: 128123 Both the beneficiary and the trustee, ZBS Law, LLP have elected to foreclose the above referenced Trust Deed and sell the said real property to satisfy the obligations secured by the Trust Deed and a Notice of Default and Election to Sell has been recorded pursuant to ORS 86.752(3). All right, title, and interest in the said described property which the grantors had, or had power to convey, at the time of execution of the Trust Deed, together with any interest the grantors or their successors in interest acquired after execution of the Trust Deed shall be sold at public auction to the highest bidder for cash to satisfy the obligations secured by the Trust Deed and the expenses of sale, including the compensation of the trustee as provided by law, and the reasonable fees of trustee's attorneys. The default for which the foreclosure is made is: The monthly installment of principal and interest which became due on 5/1/2025, late charges, and all subsequent monthly installments of principal and interest. You are responsible to pay all payments and charges due under the terms and conditions of the loan documents which come due subsequent to the date of this notice, including, but not limited to, foreclosure trustee fees and costs, advances and late charges. Furthermore, as a condition to bring your account in good standing, you must provide the undersigned with written proof that you are not in default on any senior encumbrance and provide proof of insurance. Nothing in this notice should be construed as a waiver of any fees owing to the beneficiary under the deed of trust, pursuant to the terms and provisions of the loan documents. The amount required to cure the default in payments to date is calculated as follows: From: 5/1/2025 Total of past due payments: \$9,340.68 Late Charges: \$81.44 Additional charges (Taxes, Insurance, Corporate Advances, Other Fees): \$2,127.25 Unapplied Funds: (\$17.19) Trustee's Fees and Costs: \$839.50 To-

tal necessary to cure: \$12,371.68 Please note the amounts stated herein are subject to confirmation and review and are likely to change during the next 30 days. Please contact the successor trustee ZBS Law, LLP, to obtain a "reinstatement" and or "payoff" quote prior to remitting funds. By reason of said default the beneficiary has declared all sums owing on the obligation secured by the Trust Deed due and payable. The amount required to discharge this lien in its entirety to date is: \$92,147.22 Said sale shall be held at the hour of 9:00 AM on 11/18/2026 in accord with the standard of time established by ORS 187.110, and pursuant to ORS 86.771(7) shall occur at the following designated place: Near the South Entrance to the Tillamook County Courthouse, 201 Laurel Avenue, Tillamook, OR 97141 Other than as shown of record, neither the said beneficiary nor the said trustee have any actual notice of any person having or claiming to have any lien upon or interest in the real property hereinabove described subsequent to the interest of the trustee in the Trust Deed, or of any successor(s) in interest to the grantors or of any lessee or other person in possession of or occupying the property, except: NONE Notice is further given that any person named in ORS 86.778 has the right, at any time prior to five days before the date last set for sale, to have this foreclosure proceeding dismissed and the Trust Deed reinstated by payment to the beneficiary of the entire amount then

due (other than such portion of the principal as would not then be due had no default occurred) and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation(s) of the Trust Deed, and in addition to paying said sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and Trust Deed, together with the trustee's and attorney's fees not exceeding the amounts provided by ORS 86.778. The mailing address of the trustee is: ZBS Law, LLP 5 Centerpointe Dr., Suite 400 Lake Oswego, OR 97035 (503) 946-6558 In construing this notice, the masculine gender includes the feminine and the neuter, the singular includes plural, the word "grantor" includes any successor in interest to the grantor as well as any other persons owing an obligation, the performance of which is secured by said trust deed, the words "trustee" and "beneficiary" include their respective successors in interest, if any. Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's

sale. IMPORTANT NOTICE: Starting March 1, 2026, Federal Law may prohibit ZBS Law from issuing a Trustee's Deed Upon Sale in connection with this trustee's sale until information about the winning bidder is reported to the U.S. Treasury's Financial Crimes Enforcement Network. See, 31 CFR § 1031.320 (<https://www.ecfr.gov/current/title-31/subtitle-B/chapter-X/part-1031/subpart-C/section-1031.320>). If this trustee's sale qualifies as a "reportable transfer" under 31 CFR § 1031.320(b), and you, as buyer, qualify as a "transferee entity" under 31 CFR § 1031.320(e) (1) or "transferee trust" under 31 CFR § 1031.320(e)(2), you will be obligated to provide information about the Beneficial Owner(s) of the transferee to ZBS Law or ZBS Law's designated representative. If you qualify as an exempt entity or trust under 31 CFR § 1031.320(n)(10)-(11), you may be required to provide evidence of the exemption supported by a declaration under penalty of perjury. If the Trustee's Deed Upon Sale cannot be issued due to a qualified transferee's failure or inability to provide the necessary reporting information, the qualified transferee will be responsible for all fees and costs to re-notice the trustee's sale. Dated: 6/30/2026 ZBS Law, LLP By: Amber L. Labrecque, Esq., OSB#094593 ZBS Law, LLP Authorized to sign on behalf of the trustee EPP 48453 Pub Dates 08/25, 09/01, 09/08, 09/15/2026

HH26-341 NOTICE OF PUBLIC HEARING ANNEXATION APPLICATION File No. 2026-01-A The City of Wheeler City Council will hold its regular meeting on September 15, 2026 at 6:00 PM at the Wheeler City Hall (775 Nehalem Blvd. Wheeler OR 97147) and via Zoom (www.cityofwheeleror.gov for log in information.) This meeting will include a public hearing to consider the following application: Request: Applicant: Location: Annexation of property to the City of Wheeler Bott's Marsh LLC, Ken Ulbricht 02N10W02BB; Tax Lots 300, 301,400,500 02N10W02BC; Tax Lots 4700, 4800 Persons interested in the proposal should become involved in the decision-making process. Anyone desiring to speak for or against the proposal may do so in person or by representation at the hearing. Written comments may also be filed with the City of Wheeler prior to the public hearing. All documents, evidence, and staff reports relied upon by the applicant are available for inspection at the Wheeler City Hall at no cost or copies can be obtained for \$.25 per page. Applicable criteria the City Council will use in deciding on the application may include the following: ORS 222.111 - Authority and procedure for annexation Oregon Statewide Planning Goals 1, 2, 5, 9, 10, 11, 12, 14 Wheeler Comprehensive Plan Goals 1, 2, 5, 9, 10, 11, 12, 14 Failure by the applicant or other parties to raise an issue in the hearing, in person or by letter, or failure to provide sufficient specificity to afford the decision makers an opportunity to respond to the issue, precludes appeal based on that issue. Written testimony will be accepted until September 15, 2026 at 4:00 PM. You may email public testimony to citymanager@cityofwheeleror.gov, deliver it to Wheeler City Hall during business hours, or mail it to City Hall so that it is received no later than September 15, 2026. This hearing will be conducted in accordance with the City of Wheeler City Council rules. A copy of the staff report will be available at least seven days prior to the hearing. If you need any special

HH26-342 NOTICE OF PUBLIC HEARING ZONING ORDINANCE TEXT AMENDMENT The City of Wheeler City Council will hold its regular meeting on Tuesday, September 15, 2026, at 6:00 PM at the Wheeler City Hall (775 Nehalem Blvd. Wheeler OR 97147) and via Zoom (www.cityofwheeleror.gov for log in information). This meeting will include a public hearing to consider the following proposal: Proposal: Amendment of the City of Wheeler Zoning Ordinance concerning non-conforming residential uses Criteria: Zoning Ordinance Section 16.070 The proposed change clarifies that non-conforming residential uses may be rebuilt after being destroyed. People interested in the proposal should become involved in the decision-making process. Anyone desiring to speak for or against the proposal may do so in person or by representation at the hearing. Written comments may also be filed with the City of Wheeler prior to the public hearing. All testimony should address the criteria found in Zoning Ordinance Section 16.070. All documents, evidence, and staff reports are available for inspection at the Wheeler City Hall at no cost, or copies can be obtained for \$.25/ page. Failure, by the applicant or other parties, to raise an issue in the hearing, in person or by letter or failure to provide sufficient specificity to afford the decision makers an opportunity to respond to the issue precludes appeal based on that issue. Written testimony will be accepted until September 15th, 2026 at 4:00 PM. You may email public testimony to citymanager@cityofwheeleror.gov or deliver it to Wheeler City Hall during business hours. This hearing shall be conducted in accordance with the City of Wheeler City Council Rules. A copy of the staff report will be available at least seven days prior to the hearing. If you need any special accommodation to participate in the hearing, please notify City Hall 24 hours before the meeting. For further information please contact Paul Shively, City Manager, Wheeler City Hall, 775 Nehalem Blvd. Wheeler OR 97147; or by phone at (503) 368-5767.

Lot 1208 of Section 32, Township 4 South, Range 10 West of the Willamette Meridian, Tillamook County, Oregon. Notice of public hearing, a map of the request area, applicable specific request review criteria and a general explanation of the requirements for submission of testimony and the procedures for conduct of hearing has been mailed to all property owners within 250-feet of the exterior boundary of the subject property for which application has been made at least 28 days prior to the date of the hearing. Applicable criteria and standards are contained within the Tillamook County Land Use Ordinance Section 6.040: Conditional Use Review Criteria, Section 8.030: Variance Review Criteria, the Tillamook County Comprehensive Plan, and the relevant standards of TCLUO Section 3.010: Rural Residential 2-Acre (RR-2) Zone. Only comments relevant to the criteria are considered relevant evidence. The hearing will take place at the Port of Tillamook Bay Conference Center with an option for virtual participation. For instructions on how to provide oral testimony at the September 24, 2026, hearing and hearing protocol, please visit the Tillamook County Community Development homepage at <https://www.co.tillamook.or.us/commdev> or call the Department at 503-842-3408 for assistance. The virtual meeting link can be found at the bottom of the Community Development Department homepage as well as a dial in number for those who wish to participate via teleconference. Written testimony may be submitted to the Tillamook County Department of Community Development, 1510-B Third Street, Tillamook, Oregon, 97141 prior to 4:00 p.m. on the date of the September 24, 2026, Planning Commission hearing or submitted in-person at the hearing. Testimony submitted by 4:00pm on Monday, September 14, 2026, will be included in the packet mailed to the Planning Commission the week prior to the September 24, 2026, hearing. Failure of an issue to be raised in a hearing, in person or by letter, or failure to provide sufficient specificity to afford the decision-maker an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals on that issue. Please contact the Department at 503-842-3408 as soon as possible if you wish to have your comments included in the staff report that will be presented to the Planning Commission. Documents and submitted application are also available on the Tillamook County Department of Community Development website (<https://www.co.tillamook.or.us/commdev/landuseapps>) or at the Department of Community Development office located at 1510-B Third Street, Tillamook, Oregon 97141. A copy of the application and related materials may be purchased from the Department of Community Development at a cost of 25 cents per page. The staff report will be available for public inspection seven days prior to the hearing, viewable here: <https://www.co.tillamook.or.us/commdev/landuseapps> or at the Department during business hours. In addition to the specific applicable review criteria, the Tillamook County Land Use Ordinance, Til-
