KILCHIS PUMPKINS

Kilchis River Pumpkin Patch & Corn Maze opens for the season

For the Herald

This past weekend saw the opening season for the Kilchis River Pumpkin Patch & Corn Maze.

Hosted at the Hydrangea Ranch as a family-run business, the Kilchis River Pumpkin Patch is authentic with thousands of u-pick pumpkins grown on the farm, including specialty bi-colored and unconventionally shaped pumpkins and gourds. They are priced according to size and include a hayride around the farm. The pumpkin patch has multiple sets decorated and setup for family photos.

The five-acre corn maze is one of the largest on the Oregon Coast and has a unique design with miles of trails. Admission to the

corn maze is \$7.

The patch will be open the three more weekends in October: 9-10, 16-17, 23-24; Saturday/Sunday, noon to 5 p.m.

The “Maze of Murder” haunted nights in the corn maze are Oct. 22 and 23, Friday & Saturday, from dusk to 10 p.m. Admission is \$10.

All major credit cards accepted. The barns and venue as seen at the patch are also available for rent for company parties, customer appreciation, or other events. For more information on the venue, call 503-815-3762.

The Kilchis River Pumpkin Patch & Corn Maze is located at the Hydrangea Ranch at 9455 Kilchis River Road in Tillamook.

COVID-19 Update Testing, outbreaks and vaccines

Hilary Dorsey
Staff Writer

Tillamook County Health Department reports seven COVID-19 cases from Oct. 1-3 for the weekend case count. There were 24 cases in the 7-day case count from Sept. 26 through Oct. 2.

“Our month to date – this is for the month Sept. 1 through Sept. 30 – was 394,” Administrator Marlene Putman reported during a Tillamook County Board of Commissioners meeting Wednesday, Oct. 6. “Of those individuals, 247 were unvaccinated, 86 were vaccinated, and 61 were unknown.”

Putman said unknown means the vaccine record is not in Oregon’s system.

The death toll for Tillamook County is now at 24.

Putman said there are 22 outbreaks currently under monitoring. Oregon Health Authority confirmed outbreaks, as of Oct. 6, at Fred Meyer with 31 cases, Tillamook County Creamery Association with 19 cases, Adventist Health with a total of 23 cases, Tillamook Country Smoker with 14 cases, and Hampton Lumber Mill with eight cases.

Living Water Fellowship hosts fall carnival

Staff Report

Living Water Fellowship is hosting a fall carnival from 4:30-6:30 p.m. on Halloween, Sunday, Oct. 31. The event will be held at the church, located at 1000 N Main Ave., and will feature fun games for the kids to win all kinds of prizes.

There will be food for purchase, such as hotdogs, chips, drinks, popcorn, cotton candy and a butternut squash soup. Games and candy are free. Come dressed up in your costume and ready to have fun. There will also be a cakewalk and bingo.

The church will follow whatever COVID-19 protocols are required at the time of the event.

“One reason for holding the carnival is to provide a safe, dry, warm space for kids to come,” said Justin McMahan, lead pastor of Living Water Fellowship. “Many people don’t give out candy on Halloween anymore and many families have concerns about going out, so our goal is to provide a safe space for that in our community. This

provides us the opportunity as a church to let them know how much Living Water Fellowship cares about kids, teens and the families of Tillamook.”

Council approves film crew to drive through Manzanita for upcoming Amazon movie

Hilary Dorsey
Staff Writer

Manzanita will be on the big screen once again. The council approved during a meeting Wednesday, Oct. 6, a special event permit for Big Indie Somebody, Inc. to film a mobile scene in the town for an Amazon Studios film titled “Somebody I Used To Know.” The filming of the scene will take place in the afternoon Tuesday, Oct. 12, for 15-20 minutes.

City manager Leila Aman said the request is to film a movie scene from Hwy 101, down Laneda Avenue, up Ocean Road and back up Nehalem Road to Hwy 101. The film crew will not be stopping in Manzanita.

In the application for the special event permit, Roger Faires, assistant location manager for Big Indie Somebody, Inc., said the gist of the

quick drive through Manzanita is to follow a family wedding party as they make their way to a hotel.

The picture bus caravan will consist of one picture bus with 15 extras on board, one camera vehicle, two or three support vans that will have director Dave Franco on board, possibly a van with some adjustment equipment, and possibly a law enforcement escort.

“We’re still exacting this picture car caravan,” Faires said. “I think it’s going to be a little simpler than I originally thought.”

Faires said they are looking at a 6-car caravan and would be filming while driving through the town. They are hoping for a law enforcement escort. Oregon State Police is short-staffed and Tillamook County Sheriff’s Office is interested in filling a one to two car position. The City of Manzanita will also see if Manzanita Police Department has any off-duty officers to escort.

“We’re hoping to get this in one pass because after we’re done with that driving shot, then we got to hightail it up to Gearhart to do some more filming at a different location,” Faires said.

Mayor Mike Scott said the town has had film crews in Manzanita in the past and are a little gun shy.

In a previous film shoot, Laneda Avenue was closed down. Hulu’s television series “Shrill” and Amazon’s “Staties” have filmed in Manzanita.

“I think if you’re going to drive straight to town and not stop, you could probably get away without any problems,” Scott said.

The filming caravan would stop at the 4-way stops in Manzanita, Faires said. Regardless of how

other cars intersect, they will not be asking the public to wait for the crew.

“The idea is to go with the flow,” Faires said.

The crew will begin prepping at Arch Cape in the morning on Oct. 12 before driving through Manzanita. They will obey all traffic laws.

Talk to your health care provider about this treatment if you have tested positive for COVID-19.

The health center continues to provide COVID-19 testing. Around 25 people are tested each day this week at the center’s testing sites. Drive-up testing is available at the Tillamook County Fairgrounds for those with symptoms or is a close contact to someone who has tested positive, as there is still a high demand for testing. No appointments are required. Testing is available from 8:30 a.m. to 3 p.m. Monday, Wednesday and Friday.

Emergency Preparedness Coordinator Ed Colson said 16,835 Tillamook County residents have received at least one dose of the COVID-19 vaccine. This is 63.46 percent of the total population. A total of 15,64 residents are considered full vaccinated, which is 58.65 percent of the total population.

The health center has COVID-19 vaccine clinics available at the convention center at the fairgrounds from 8:30 a.m. to 3 p.m. Tuesday and Thursday. Flu and pneumonia vaccines are now available at the drop-in clinic until Oct. 17. Beginning Oct. 18 and through the rest of the month, there will be an additional clinic from 1-4 p.m. on Wednesday.

Two found dead after boat capsizes near Nedonna Beach last week, cast still under investigation

For the Herald

Tillamook County Sheriff's Office deputies responded to a reported capsized sailboat at 8:20 p.m. Sunday, Oct. 3, north of Rockaway, near Nedonna Beach, just south of the south Nehalem Jetty. Rockaway Fire-Rescue, Garibaldi Fire-Rescue, Nehalem Bay Fire-Rescue, Tillamook Ambulance and the US Coast Guard responded as well.

According to the sheriff's office, fire personnel located an unconscious/not breathing woman on the beach and CPR was initiated. Unfortunately, the woman could not be resuscitated. U.S.

Coast Guard crews continued searching the area for survivors with two motor lifeboats.

The capsized sailboat, registered out of Astoria, became partially beached and coast guard personnel were able to gain access to the vessel and located a deceased man, the sheriff's office reported.

The two victims, husband and wife, were believed to be the only people on board the vessel at the time of the incident. Thanks to the efforts of Tillamook 911 Dispatchers, the victims were identified and immediate family has been notified.

This investigation continues.

Oregon adds 7,900 jobs in August as more go back to work

STAFF REPORT

Oregon's unemployment rate dropped to 4.9% in August from 5.2% in July.

It is first time Oregon's unemployment rate dropped below 5% since March 2020, when the rate was 3.6%. Oregon's unemployment rate was below 5% in only two other periods since 1976 when comparable records began, according to the Oregon Employment Department.

During 14 consecutive months in the mid-1990s when the rate dropped to as low as 4.5%; and during the 51 consecutive months during 2016 through March 2020 when the rate dropped to a record low of 3.3% in late 2019.

The U.S. unemployment rate dropped to 5.2% in August from 5.4% in July.

In Oregon, nonfarm payroll employment grew by 7,900 in August, following monthly gains averaging 10,300 in the prior seven months. Gains in August were largest in government (+3,500 jobs); wholesale trade (+1,400); leisure and hospitality (+1,200); and professional and business services (+1,000). Only one major industry cut jobs: retail trade (-1,900 jobs).

Since the low point of April 2020, at the economic depths of the COVID-induced recession, Oregon has recovered 204,700 jobs, or 72% of the jobs lost during the recession.

Leisure and hospitality added 1,200 jobs in August, following a gain of 6,100, as revised, in July. Despite these gains, it still accounts for the bulk of Oregon's jobs not recovered since early 2020, with 44,300 jobs left to recover to reach the prior peak month of February 2020. The industry has regained 60% of jobs lost early in the pandemic.

Employment in health care and social assistance has been relatively flat all year. This major industry recovered substantial jobs in mid- through late-2020, but is still down 10,400 jobs, or 4%, since its pre-recession peak of February 2020. Over the past year, nursing and residential care facilities has been especially weak, having lost 1,300 jobs since August 2020. Meanwhile, two component industries have expanded in the past 12 months: ambulatory health care services (+3,100 jobs) and social assistance (+1,100 jobs).

FENCEPOSTS

Autumn is definitely here, with the leaves turning color, the rain drizzling down, darkness coming earlier...let's have one last throwback to summer!

Regina Sackrider hosted a marvelous summer get-away in Cape Meares for her aunt, in her mid-80s, and three of her aunt's friends, all in their late 70s. Regina had not seen her aunt in two years due to COVID. As soon as they were both vaccinated, they made plans for this reunion. The five women had a grand time together, walking on the beach, eating crab in Garibaldi, shopping in Manzanita and Rockaway,

and just sitting around the cabin conversing. Regina lived in southern Oregon growing up, but was shipped off to Aberdeen, Wash., for a month each summer to stay with her grandmother and aunt, who lived next door to each other. What wonderful memories Regina has of those summers! They tossed crab pots off a dock in Westport, ate clam chowder at a nearby restaurant while waiting for the pots to fill, then pulled up the pots and feasted on crab until their tummies couldn't handle anymore. Regina downed her crab with cranberry juice while her grandmother and

aunt washed theirs down with Olympia beer. This was just one of the many good times that Regina and her aunt reminisced about during this summer's visit. Regina said it was truly a gift to spend time with this group of

wise women elders. Thanks for sharing this upbeat story, Regina.

Captain Pete and our son, Erik, cohosted the 30th annual Hogs 'r' Runnin' Salmon Derby on October 1 and 2. This a private affair for family and close friends. Over the years, this derby has raised a few thousand dollars for the Oregon Wildlife Foundation to be used exclusively for the enhancement of anadromous fisheries in the Tillamook Bay watershed. The derby was cancelled last year due to COVID. This year, participants were limited to those who were fully vaccinated, and the awards banquet on

Saturday was held in a well-ventilated space. The prize for the largest salmon (aka The Big Hog) went to Steve Walz of Cape Meares. The prize for the most fish caught (aka The Big Pig) was divided between two winners, Collin Foster of Portland and Kevin Burke of Cape Meares. Congratulations to the winners!

Two good friends of Gloria Languedoc, former longtime Cape Meares resident, called to let me know that she passed away Oct. 1. Gloria loved living here, and she was a founding member of our active artists' colony. She was especially fond of

flowers; many of her delicate watercolor paintings featured them. Gloria moved to the valley when her health began to fail; she died in a care center in Hillsboro. The Cape Meares community extends sincere condolences to Gloria's family and friends.

A reminder that the Hoffman Center for the Arts in Manzanita has published its annual edition of "The Squid," and it includes works by Cape Meares artists and writers Sally McGee, Butch Freedman, Lana Ayers, and Ciel Downing. Art from the publication is on display this month. Drive on up the road and check it out!

October is Domestic Violence Awareness month. Wednesday is "Healthcare Workers Care About D.V." day. Those in the profession are asked to wear purple and to post a photo to social media tagged "tidesofchangenw" (Tides of Change Northwest). Purple Thursday is planned for October 14. All of us are invited to wear purple that day and post photos to social media. Besides the one above, suggested hashtags include "purplethursday" (Purple Thursday) and "weareresilient" (We are resilient).

Tides of Change is offering a group for Domestic Violence survivors that helps develop skills to assist with life problems that might relate to past or present trauma. "Trauma Recovery Empowerment

Thanks to Joani Moore for details about Nesko Women's Club. The group, which is open to any woman living in South Tillamook County, will meet at 11:45 a.m. on Friday, October 15 at Kiawanda Community Center (KCC), 34600 Cape Kiawanda Drive, in Pacific City. Lunch, catered by Grateful Bread is \$12, or attendees can bring a bag lunch. Everyone pays \$3 for use of the space. For more information, call Julie Krohn, 503-863-9307 or email her at juliekhrhon@gmail.com. If it isn't a hardship, attendees are asked to bring Halloween candy for a community party on Halloween night at KCC. (Watch this space for details on that, to come.)

I was working in the lab late one night, when my eyes be held an eerie sight....

Don't you just love fall! Halloween is the icing on the autumn cake! I have so many great memories going from door to door with my brother and sisters in Milwaukie, and even better memories taking our daughter, Amber 'Trick or Treating' at all the relatives home, then settling in my parents Eastmoreland neighborhood. And we have lots of pictures year by year!

As a child, we would fill up our bags, go home and get another, then fill that bag up. It was always a mystery that all our chocolate bars would be gone when we returned to see what we had collected. It was years later when we found a stash of chocolate bars hidden in the

kitchen with my Dad's name on it. Ha-ha, he did have a sweet tooth!

The weather was perfect for the Kite & Art Festival at the wayside on the first weekend in October. Now, you can look forward to the 42nd "Go Fly A Kite" annual kite festival, Friday, October 22nd- Sunday, October 24th. This event is dedicated to the memory of Ann Swain, who was an

avid volunteer in our community for many years. Be sure to sonder over to the Rockaway Beach Wayside to get the best view of the kites on the beach! I love the date of this event. It will continue to bring tourists in our town even though the visiting season is over. But then, who really needs a reason to go to the beach, right?

Steve Press called me a few days ago to let me know that the new owners, Diane Langer and Doug Hammer are now the proud new owners of The Original Pronto Pup at 602 Hwy 101 S. in Rockaway Beach. You know the place, the building with the large, no enormous hot dog on top of it! That dog has even caused a car/train collision. Anyway, he said they are hoping to be open this winter, so keep

your eye in the dog and you may find a tasty feast one evening. Hopefully I will hear updates from the owners soon.

So, not much on the tree lighting yet. I believe everything is based on the City/County/State mandates at the time. I do know there are a lot of festivals happening all over the state, so I am keeping my fingers crossed that we can do this. Please cross your fingers or better yet, say a little prayer. (My ukulele is sooooo ready to perform!)

Well, back to painting. Will chat again next week. "Laugh and the world laughs with you. Cackle maniacally and people back away from you slowly." (Giggle...) That's Rockaway Beach, "Sugar Coated!"

This is the Bay City historic church, and many of you have wonderful memories of going to Sunday School in the little white church. As my Sunday School teacher used to say, "Well bless your heart for giving."

The Bay City Arts Center announced a month full of workshops and events. The first of the three monthly "Figure Drawing" workshops was on October 7th, but they continue November 4th and December 2nd. Class starts at 6:00 and ends at 8:00 PM. The class is open to artists 18 and older. Registration is required (baycityartscenter@gmail.com). BCAC also requires proof of Covid vaccination. Supplies are available, and there is a suggested donation of \$20.

Watch the Fencepost for the next stone carving workshop dates and times for November and December. Tools and instructors are available, and no previous experience is required. They will have a va-

riety of sandstone and black basalt to choose from. Again, the class is by donation, and a Covid-19 vaccination is required.

You're in luck. You have not missed the live performance of Bart Budwig on October 22nd. The performance starts at 7:00 PM. OPB calls Bart Budwig the most underrated musician in Oregon. The ticket price is a suggested donation of \$30. That is a real bargain when you are getting an opening act as well, the Hackles, a well-known guitar and banjo folk duo from Astoria. Hurry and preregister. There are only 25 tickets available.

On October 23rd artists Shawn Jackson and Hope Montgomery will be teaching a Batik workshop from 9 AM to 4 PM. The class is limited to eight people, and the Arts Center is asking a suggested donation of \$30.

For all the events listed, please email baycityartscenter@gmail.com for tickets and registration. Still need more information? Call Hope at 731-592-1737. And don't forget that you need proof of a Covid-19 vaccination.

The team and leadership at BCAC continue to bring great art forms and entertainment to Bay City. If you haven't been to any of the programs offered, or haven't been there for a while, you're missing meeting great people bringing great things to our community.

OPINION

TALES FROM THE LIBRARY

Bill Landau
Tillamook County Library

Who remembers their first trips to a library? I have such fond memories of going to the library as a kid and I am certain it shaped my career choices as an adult. I thought it would be interesting if I asked the Tillamook County Library staff to share some of their early memories so I can highlight their responses in the Tales from the Library column.

I will start with my story. I grew up in a small town in Iowa and we were lucky enough to have been gifted a Carnegie Library. It was a beautiful, impressive granite building with creaky wooden floors, but the only access to the children’s library in the basement was by descending a steep, dimly-lit, rickety spiral staircase! I wonder what committee designed that? But once you got into the room, you were treated to rows and rows of exciting books to check out! Another great memory was finally getting permission to go there all by myself. It was a 15-minute ride on my Schwinn Stingray

bicycle. However, the punch line was I always checked out too many books to carry back on my bike, so my mom would have to come and pick me up in the car anyway!

Library Assistant, Liz, seemed to have the same problem I had as a kid...the desire to check out too many books! “I remember mostly my parents telling me, ‘no that’s too much’, when I came up with a huge pile of books to check out, but they never gave me a limit so technically it’s their fault that I took advantage every time.” And as a side note, I can tell you with a smile that to this day, Liz always has the biggest pile of books waiting for her on the hold shelf.

Angel from the Bay City Library remembers being really impressed with the clear book jackets that library books had. “They were smooth under my fingertips and made a crinkly sound when I opened them. The books at home didn’t sound like that! These sensations told me that those weren’t regular books in my hands, they were special. They were library books! I’ve loved the

feeling and sound of library books ever since. In fact, when I covered my first book as a library worker, I got a bit emotional. How lucky am I to be able to help turn regular books into library books!”

This next story from Jess, our bookmobile driver, contains a bit of serendipity because her best memories come from visiting the bookmobile when it stopped at her school, Nehalem Elementary. “The big bus of books would pull up outside the school doors and then we would go in as a class and pick out a book or two. That was the best part, a new adventure each time. Even though there wasn’t much space inside the bus, the books on the Bookmobile seemed like they were extra special. So, I guess I was destined to work here at Tillamook County Library in the Bookmobile.”

That’s all the memories we have room for this week. We will highlight some other staff stories in the near future, so stay tuned for more! If any members of the public want to share their memories, blandau@co.tillamook.or.us is my email address.

More EIDL grants and loan limit increase

Justin Aufdermauer
Executive Director

Federal Aid for Small Businesses is still available, and it is being overlooked by many small businesses. We get it — there has been so many programs to help small businesses that it’s hard to keep them straight. But there are thousands of dollars still out up for grabs through the COVID-19 Economic Injury Disaster Loan (EIDL) program for businesses, sole proprietors, independent contractors and private nonprofit organizations, so this update is worth your attention. (Agricultural enterprises are not eligible for these specific programs, but there are different programs for agriculture.)

Tillamook is categorized as “economically depressed” along with most of rural America by the Small Business Administration standards, which means we have new EIDL advance opportunities beyond the initial, forgivable advances. This means that you may be able to receive thousands of dollars in what is effectively grant funding. We have done the research for you, and we know firsthand to how the program works, because we received our forgivable advance last week.

But first, let’s rewind to 2020 when the COVID-19 EIDL program was first released. At that time, the Small Business Administration touted that any business who applied to the program would get a \$10,000 advance that was forgivable and would not need to be paid back as part of their loan. This was confusing to many as it rolled out because as the SBA later changed the advance to be \$1,000 per employee, up to \$10,000 total. Also confusing was the fact that you didn’t have to accept the additional loan to get the advance. Bottom line: If you applied, you received an advance equal to \$1,000 per employee and then got to choose a loan amount. Regardless of whether you took that loan or not, you got to keep the advance as a grant as long as you used it for operational expenses.

Fast forward to 2021 and the release of the American Rescue Plan. In this package the SBA was directed to

offer what is being called a “Targeted Advance.” This additional advance is open to economically depressed areas like ours, and it is an opportunity for businesses to receive the difference between what their initial advance was and the full \$10,000 that was originally intended for the advance, as long as they:

- Can demonstrate more than 30% reduction in revenue during an eight-week period beginning March 2, 2020, or later.
- Have 300 or fewer employees.

For example, if your business had three employees, it would have originally received \$3,000. The targeted advance would provide an additional \$7,000 to make the grand total \$10,000.

And then there’s the icing on the cake — also in the American Rescue Plan. Some small businesses in economically depressed areas also became eligible for a “Supplemental Targeted Advance,” which provides an additional \$5,000 forgivable advance on top of the first two advance programs. This advance is only available after you have received the full \$10,000 from the previous two programs; it brings the grand total of EIDL “grant” funding to \$15,000 per business. To be eligible for this advance, applicants must:

- Prove more than 50% economic loss during an eight-week period beginning on March 2, 2020, or later, compared to the same period of the previous year. Applicants need to provide gross monthly revenue (all forms of combined monthly earnings received, such as profits or salaries) from January 2019 to the current month-to-date
- Have 10 or fewer employees.

The advances are only available to businesses that apply for the EIDL loan. Again, you don’t have to actually accept the loan, but you do have to apply to the program to be able to access the forgivable advance money.

In short, if you haven’t applied for the EIDL program at all, you are essentially leaving a “grant” of \$15,000 on the table. If you have applied for the program but haven’t sought either of the new, targeted advances, you are potentially missing out on thousands of “grant” dollars.

During the first year of the pandemic, the Chamber sent out weekly updates to help local businesses obtain millions of dollars through federal and state programs. This EIDL advance money is allocated to businesses and will head to communities around the nation soon. Let’s bring it home to stimulate our local economy!

In addition to the advances, the EIDL program has increased the loan limits for businesses that might need additional funds.

There are restrictions on how these funds can be used, but a game changing program update now allows you to pay off existing debt with these loans. For some businesses, this could be a good option to lower debt and loan payments because the EIDL loans run on a 30-year amortization and have an interest rate of 2.75% (non-profit) to 3.75%, with payments deferred for two years from loan origination.

Stay tuned for a future article on this and the Employee Retention Tax Credit Program, another financial recuperation opportunity for local business.

And in the meantime, I encourage you to begin working on your application for the EIDL program and targeted advances. To start your loan application and receive the first advance, visit covid19relief.sba.gov. If you have already applied for the program, visit your online portal to find options to apply for the new, targeted advances and loan increases.

As always, if you have questions or need help, I am happy to assist you. Give me a quick call at 503-842-7525 or email justin@tillamookchamber.org.

Chamber, downtown association, civic club, nonprofit organization, or a business. Whether you’re a nonprofit or local business, etc., the approach to growing your customer base is the same: know your product, improve customer service, be conscious of workplace cleanliness, improve advertising, etc. Every time your group meets, it should be a constant learning experience, gathering of information, goal setting, and yes, some entertainment. To attend in person or a ZOOM meeting, or to receive a Chamber newsletter, contact Pacific City-Nestucca Valley Chamber. Doug ends every newsletter with “I guarantee that you will know more about where you live and work at 1:15 than you did at 12 noon”. That, in a nutshell, is what makes them one of the most successful chambers.

I am now 75 years old. Most people my age recognize they have more time

behind them than in front. It’s an age when you take stock of your life. I can tell you that I’m not looking back for long. I am too busy planning my next 25 years; I haven’t opened my “Happy Chicken” restaurant (an all-beef restaurant) or written my book, “I know everything there is to know about absolutely nothing”. But I still have time. Mostly, when I look back, I am counting my blessings and naming them one by one. God gave me a loving family that I could count on, and two children with loving and tender hearts. God gave me friends, not just any ol’ friends, but gifted friends. He blessed me with, not one, but two of the most exciting careers anyone could ask for: dance teacher and designer. God gave me no ordinary man, but a Marine, to love and marry. When I am celebrating my birthday the whole month of October, I’m not really celebrating my birth, but I am celebrating another year of blessings. And for each blessing I offer God a grateful heart.

Thank you for reading the Fencepost, and I will see you next week.

In Roy's words, it was his old bank "dragging their feet" that led him to first call Kayla Magden, who manages our Oregon Coast Bank Tillamook office. "Kayla has been amazing," recalls Roy. "It took just a week for her to arrange and fund our entire business financing. When the pandemic hit, she made applying for a PPP loan a simple process. Then she handled the forgiveness clause. Kayla and her staff are why we switched all of our family and business accounts to Oregon Coast Bank. It's nice to know who you're dealing with."

Robert Zuercher
Nov. 4, 1928 - Aug. 23, 2021

Robert (Bob) Zuercher left this world Aug. 23, 2021. Bob was born in Tillamook on Nov. 4, 1928 to Louis and Louise (Bush) Zuercher. He was a lifelong resident of Tillamook except for service in the Marines. He was a proud graduate of Tillamook High School Cheesemakers.

He will always be remembered lovingly by numerous Aunts, Uncles, Cousins, and Friends. Spencer attended Our Lady of Sorrow's grade school (baptized there) and Oregon City High School. He worked his way up to Brown Belt in Tae-Kwan-Do, was in The Civil Air Patrol and JROTC. He worked various jobs in Portland, Oregon City, and Tillamook. He always had a bright smile, beautiful eyes, and a loving spirit. Spencer will be remembered the most for his quick wit and passion for caring for others, which came out when he found his calling to study nursing at a funky facility in Wheeler, Oregon. He enjoyed quirky and gruesome movies, playing Pokémon go with his online friends, working on and building computers, hanging out with his children, along with his deep appreciation for animals and the joy of cooking. Spencer will never be forgotten, and he will always be in our hearts with love. Memorial Service was from Noon to 5 p.m. on Saturday, October 9, 2021 at The Officer Mess Hall, Port of Tillamook Bay, 6825 Officer Row Rd., Tillamook, OR 97141

Richard W. Forbes was born in Grants Pass, Oregon to Herbert and Evelyn Forbes on May 13, 1946, and passed away in Tillamook, Oregon September 30th, 2021. Richard served in the Marine Corps during Vietnam. In later years, he enjoyed self-employment with a

mini-blinds business as well as driving school buses for schools in Brookings and Neah-Kah-Nie, Oregon. Richard enjoyed many things, but his favorite past-times were fishing, hunting and traveling. He is held closely in memory by his cherished family: daughter Shannon Forbes; sons Tim (Heidi) Forbes and Ron (Brandy) Forbes; sisters Patricia Forbes, Kathy Forbes, Annette Waldon, Sue Groth-john and Dede Noble; brothers John (Kathy) Forbes and Herbie Forbes; granddaughter Lila Forbes, and grandsons Maverick and Oliver Forbes. Richard will be interred at Willamette National Cemetery in Portland, Oregon. No services have been scheduled at this time.

Richard Hugh McMillan
Oct. 11, 1944 - Oct. 3, 2021

Richard was born October 11, 1944 to Claire (Mac) and Gladys McMillan in Red Wing, Minnesota. He passed away on October 3, 2021 at the Nehalem Valley Care Center in Wheeler, Oregon. Richard was raised in Red Wing until the family moved to Woodburn, Oregon in 1954. In 1957, the family moved to Bay City, Oregon where Richard attended Bay City Grade School and graduated from Neah-Kah-Nie High School in 1963.

After high school Richard worked at McRae and Sons Handle Factory, Oregon Washington Plywood and spent some time in the US Army. He enjoyed going for walks, hanging out at the Tillamook airport and playing Bingo. Richard was preceded in death by his parents Claire and Gladys McMillan. He is survived by his sister and brother-in-law Karen and Tom Dye. Nieces Jamie (Kellen) Hendrickson, Caitlin (Kaze) Munoz and Nephew Sean (Kat) Richards and his Great Nieces: Natalie Hendrickson and Quinn Richards. Great Nephews Dylan Hendrickson and Layne Munoz. Memorial Contributions may be made to Portland Shriners Hospital for Children. Richard will be laid to rest at Willamette National Cemetery. Arrangements in care of Wauds Funeral Home.

Mooks boys move to 2nd in Cowapa League with win over Banks

Mike Weber
For The Headlight Herald

The Tillamook High Cheesemakers boys soccer team snapped a two-game losing streak and moved up to second place in the Class 4A Cowapa League standings following a 2-0 win over the Banks Braves Oct. 7 at Banks High School.

On Oct. 5, Tillamook played well and dominated the time of possession while outplaying the Seaside Seagulls (2-2 league, 3-4-1

overall), but lost a close game 1-0 at Seaside High School. The No. 15 ranked Cheesemakers (2-2 league, 4-3-1 overall), guided by co-head coach's Brian Reynolds and Jose Lara, responded well though after that loss and regained their momentum with the big confidence building win over Banks (1-2-1 league, 1-6-2 overall).

"This time, the difference is, we were able to find the back of the net," said Reynolds. "We had a couple of really nice balls played

early in the game and then their was a nice shot off of a volley by Bruno Monroy for our first goal. We'll take a win any way we can get one. We're excited about it and it give's us something to move forward with. We've had momentum all season, but we've had a couple of tough breaks. We've been competing hard and we're proud of these boys, because they've been practicing hard and they played well to get a win and this helps provide us with some confidence. This is just the first step and we have a long ways to go."

The Mooks will be seeking to get their second straight win when they meet the Astoria Fishermen (0-3-1 league, 0-8-1 overall) in their next game at home Wednesday, Oct. 13, at 7:15 p.m. There's four games remaining in the regular season which concludes Oct. 26.

"This is a crazy league, anything can happen and we don't take anything for granted," said Reynolds, in his 17th year with Tillamook. "Everybody is beating everybody at this point. We'll come back and play strong no matter who the opponent is. It is a nice relief to get a win and the boys can ride home with a smile on their face."

Tillamook had several good chances to score early in the contest and then capitalized on an offensive possession to take a lead midway through the first half. Mooks senior midfielder Bruno Monroy fired in a shot from 19 yards out that sailed into the left corner of the net, putting the Mooks up 1-0 in the 20th minute.

Senior midfielder Edgar Estrada delivered a perfectly placed ball to Monroy for an assist on the goal, giving the Mooks a 1-0 lead in the 20th

minute. Junior forward Carter Affolter, senior forward Alex Lopez and junior midfielder Ryan Mizee also had good first half scoring opportunities for the Mooks, who outshot the Braves 7-2.

"It was pretty exciting to win and I had good shot to help us build a lead," said Monroy, who scored his second goal this year. "It was pretty nice to win and I had a nice assist from Edgar Estrada."

Estrada, a senior midfielder, delivered a perfectly placed ball to Monroy for an assist on the goal. Junior forward Carter Affolter, senior forward Alex Lopez and junior midfielder Ryan Mizee also had good first half scoring opportunities for the Mooks, who outshot the Braves by a total of 7-2.

"This was a great game and I had an assist, which was actually a banger for my friend Bruno, whom I've known for about 14 years," said Estrada. "We've all played soccer together for 10

years, so we've been doing this a long time. I want to thank Coach Lara, who is doing a great job in his first year coaching our team."

In the 37th minute, Tillamook had consecutive corner kicks with Estrada booting the passes into the goal area and it was a golden opportunity to score another goal. Banks goalkeeper Kristian Arcadia was able to make the key saves to help thwart the Mooks offense. Tillamook outplayed Banks and had an advantage with shots on goal and time of possession, while building a 1-0 halftime advantage.

Tillamook had an excellent chance to score in the 55th minute. Lopez was fouled during a Mooks offensive attack and then Affolter was awarded a free kick from 18 yards. However, the Banks defenders played solid defense to prevent a Mooks score.

Just two minutes later, the speedy Affolter dribbled past a couple of Braves defend-

ers and then booted a shot in from the left side, putting Tillamook up 2-0 in the 57th minute.

"It's good to get a win and build our momentum, especially when we know we're going to play some tougher teams later in the season," said Affolter, who leads the Mooks in scoring with 10 goals.

Mooks freshman goalkeeper Diego Barragan-Lara played strong as the starter in front of the net while he made a number of solid saves to help lead Tillamook to its fourth shutout this season. Junior goalkeeper Kobi Rico played in the second half and he also helped contribute to the shutout effort.

The Mooks back line of defenders Brock Manderson, Bryan Hernandez, Russell Cruz and Bryant Castillo had an outstanding defensive effort too while help limiting the Banks offense with their solid play in preventing the Braves from having any potential scoring opportunities.

Lady Mooks drop tough match against Banks

Mike Weber
For The Headlight Herald

The Tillamook High Cheesemakers girls soccer team

had hoped to possibly end a losing streak, but they were unable to do that as the Banks Braves won 5-2 in a Class 4A Cowapa League contest Oct. 7 at Banks High School.

Banks (1-2-1 league, 1-5-2 overall) built a 3-0 lead at halftime versus Tillamook (1-4 league, 1-6 overall). Junior Kate Manderson and junior Gabriella Garcia scored goals in the second half to help the Mooks get

on the scoreboard and avoid a shutout, while trimming the margin to two goals at 4-2.

The Mooks, guided by first-year coach Froylan Rico, will meet the Astoria Fishermen (2-1-1 league, 4-3-1 overall) in their next game at home Wednesday, Oct. 13, at 5:30 p.m. On Oct. 5, Tillamook had a strong performance, but lost 1-0 to the Seaside Seagulls (3-1, 4-4) at Seaside High School.

"We started out very slow and we fell behind in the first half," said Rico. "We played a little better in the second half and we got a couple of goals. We had more chances to score and we made better passes and we played a little better in the second half. We played very good against Seaside and we had lots of good chances to score, but we were just unlucky and we couldn't score."

Bobcats seek state playoff birth with win at home against Vernonia

In a hard fought NWL matchup, the short handed Bobcats defeated the visiting Vernonia Loggers 38-27.

It was one of those nights with lots of flags, turnovers, an ejection of a coach, and multiple incomplete passes, so the game went until after 10pm!

The Bobcats took the opening kickoff, and proceeded to get stripped of the ball which Vernonia scooped and scored. 10 seconds into the game, Bobcats down 7-0.

The first Nestucca possession saw the Cats march down the field courtesy of some hard running by Cody Hagerty, who really showed a burst during the game tonight. Jaysson Swirtz converted a 3rd and 4 to set up a Hagerty 12 yard run, and then Swirtz scored the 2 point conversion to make it 8-7.

The rest of the quarter saw punts back and forth, multiple holding calls ruined a Bobcat drive, and a second quarter Vernonia interception ended another. Aiden Sifford ruined another Vernonia drive with a 10 yard tackle for loss. The Loggers decided to go for it on a 4th and 10 from their own 35 but threw an incomplete pass,

giving the Cats great field position. Unfortunately 3 more holding calls stalled the drive.

The Bobcat defense played solid all night, with Zach Collins, Swirtz and Sifford all getting multiple tackles. Miguel Pimienta broke up multiple passes, as did Hagerty. Midway through the second quarter, Hagerty broke free for a 45 yard TD run, picking holes and using his speed to outrun logger defenders. No 2 point conversion so 14-7 Bobcats.

Vernonia drove to the Nestucca 10, but fumbled. Hagerty's 45 yard run helped get the Cats out of the hole, but an unsportsmanlike flag and another holding call stalled the Cats.

The Bobcat D forced a Vernonia punt to the 47. Sophomore QB Zac Collins, who did a great job all night filling in for the injured Skyler Wallace, tossed a 53 yard TD pass to Jaysson Swirtz with a minute left in the half. Hagerty scored the 2 point run to make it 22-7 at the break.

The second half started with the scoreboard conking out for a time. The Loggers passing game started to click with 4 long completions in

a row, and #30 scored a 2 yard TD to draw to 22-14. Nestucca answered right away, with Hagerty and Swirtz doing the running and Collins getting good yardage on a couple of keepers, with Hagerty scoring his 3rd TD on a 8 yard run. The 2 point pass from Swirtz to Hagerty made the score 30-14.

With 11 minutes left Vernonia threw an 11 yard TD pass with the 2 point attempt failing, 30-20. Again the Bobcats offense rose to the challenge and only took a minute to score on a Swirtz 51 yard run, and when made the 2 point run it looked out of reach at 38-20. The Nestucca offensive line opened holes all night for the backs-Leif Marsh, Chris Ehly, Diego Ponce, Dylan Prock and ends Jared Straessle and Andres Sandoval got a consistent push all night.

Someone forgot to tell the Loggers that the game was over, as they scored again with 46 seconds left to make the score 38-27, which was the final.

The win puts the Cats at 4-1 with one game to go against league leader Gaston, and still in contention for a State Playoff berth. Next week is Homecoming.

Unused medications? Drug Take Back Day is Oct 23rd

Ariel Slifka
TCCHC Public Health Program Rep

Do you have old prescriptions or unused medications? Too often these end up in the wrong hands and wrong places. Unused or expired prescription medications can lead to accidental poisonings, overdose, and abuse. According to the 2019 National Survey on Drug Use and Health, 9.7 million people misused prescription pain relievers and 4.9 million people misused prescription stimulants. The majority of teenagers misusing prescription drugs get them from family and friends, often from the home medicine cabinet. Even prescription drugs thrown in

the trash can be retrieved and abused or illegally sold. (And unused drugs that are flushed can contaminate the water supply!) The best way to dispose of unused medications is to utilize local take-back programs.

Tillamook County Community Health Center will be partnering with Tillamook County Solid Waste for this year's National DEA Drug Take Back Day on October 23rd at the Tillamook County Fairgrounds. Registration is not necessary, just drop in between 10 am and 2 pm.

At the event you can

- Bring unused or expired medication (prescription or over-the-counter)
- Bring sharps (injectables / needles) in closed red sharps

containers for safe disposal

- Receive a COVID-19 vaccine and a flu shot!
- (Please do not bring liquid medications or creams – the best way to dispose of these medications is by mixing them with kitty litter and placing them in the garbage)

This is also an opportunity to dispose of diabetic needles (or other injectables). Sharp objects must be placed in closed red plastic Sharps containers and separated from medications. If you need a red Sharps container for these items, they are available for purchase at many pharmacies. During the week of the event (Oct 17-23), a small number of Sharps containers will be available for pick-up at Tillamook County Fairgrounds

at the regularly scheduled vaccine clinics, Tuesday and Thursday 8:30 am – 3pm and Wednesday 1pm – 4pm. Your local healthcare provider or diabetic supplier may also be able to provide more information on where to find Sharps containers.

Safely disposing unused medications is an important way to protect those around you and prevent addiction or overdose. If you're unable to make it to the event, there are other drug disposal locations across the county (although these locations are only for unused medications and cannot accept sharps or needles). There is a medication drop box at the following locations: Rinehart Clinic & Pharmacy, Rockaway Beach

City Hall, Tillamook County Libraries, Tillamook County Sheriff's Office, Tillamook Pharmacy, Tillamook Police Department. For more information, visit <https://ourtillamook.org/drug-disposal-locations/>.

Apple Spice Baked Oatmeal

*Prep Time: 10 minutes
Cook Time: 30 minutes*

Ingredients

- 1 egg, beaten
- ½ cup applesauce
- 1 ½ cups nonfat or 1% milk
- 1 teaspoon vanilla
- 2 Tablespoons vegetable oil
- 1 apple, chopped (about 1 ½ cups)
- 2 cups old fashioned rolled oats
- 1 teaspoon baking powder
- ¼ teaspoon salt
- 1 teaspoon cinnamon

Topping

- 2 Tablespoons packed brown sugar
- 2 Tablespoons chopped nuts (optional)

Directions

1. Wash hands with soap and water.
2. Preheat oven to 375 degrees F. Lightly oil an 8x8-inch baking dish.
3. Combine the egg, applesauce, milk, vanilla and oil in a bowl. Mix in the apple.
4. In a separate bowl, mix the rolled oats, baking powder, salt and cinnamon. Add to the liquid ingredients and mix well.
5. Pour mixture into baking dish, and bake for 25

minutes.

6. Remove from oven and sprinkle with brown sugar and (optional) nuts.
7. Return to oven and broil for 3 to 4 minutes until top is browned and the sugar bubbles.
8. Serve warm. Refrigerate leftovers within 2 hours.

Notes

- Substitute other fruit for the apple. Try bananas, pears, blueberries or a mixture.
- Serve warm topped with vanilla yogurt.

LETTERS TO THE EDITOR

Let's do what Norway is doing on pandemic

Tillamook has a 66.54% vaccinated rate - latest numbers.

Norway has 67% fully vaccinated population

Norway has declared an end to the pandemic. Why? Common sense!

Covid will always be here, like the flu, they say. Covid will have seasonal variants like the flu.

Regardless of the case rate, deaths from Covid are mainly limited to the elderly and those with comorbidities.

Regardless of the hysteria in the media and the rigging of the death numbers by the CDC -(Only 6% of deaths recorded for Covid are actually covid deaths the CDC admitted.)

Deaths and injuries from the vaccine as reported in VAERS by the CDC are so far 15,386 deaths, 20,789 permanent disabilities, 149,000 ER/hospitalizations, 7267 heart attacks and 2122 miscarriages.

The Covid will always be with us - We can live with that! Open up!

There are many upcoming lawsuits regarding "case numbers" because they are so unreliable. Dial up the cycles and you get false positives, dial down the cycles and you get false negatives. The CDC says that for the unvaccinated you run the cycles high, for the vaccinated you run the cycles low., and they are replacing the test because it cannot tell the difference between the flu and Covid.

We have lived with the flu season - we can live with a covid season.

Open UP! LETS DO A NORWAY on this one!

London (CNN Business) Covid-19 vaccines have created at least nine new billionaires after shares in companies producing the shots soared.

Is this fact keeping us in the "pandemic" mode?

school system for the 2021 school year? Are you aware that the Oregon State Board of Education just passed a resolution, which was spurred by Newberg School District's efforts to remove political and divisive symbols from schools, such as BLM and Pride flags. The resolution encourages all school districts in the state to display these signs, symbols, placards and flags in an effort to be "inclusive."

I am a firm believer that the only flags that belong in our schools are the American flag and the state flag. Public school should be a neutral learning environment, free from political bias and social justice issues. As Americans we must unite under one flag, the American flag. The desire for everyone to fly their own special interest flags and symbols in our tax payer funded public school system is divisive. Students should not have any inkling as to the political leanings of their educators, nor should teachers or the governmental oversight boards be using their position to push students to the left, right or anywhere in-between.

Our Founding Fathers understood that the duty of schools is to teach basic skills necessary to function in society, such as reading, writing and math. The Founding Fathers also believed in schools teaching in a manner that instills our youth with true patriotism, which is neither blind to the flaws or fanatical in its belief that America has always done the right thing. Schools must also equip them with a deep understanding of the principles America was founded upon. The Declaration of Independence states, "all men are created equal and we all have the unalienable right to life, liberty and the pursuit of happiness."

Identity politics has no place in the education system, it not only places undue importance on racial and sexual identities, it also further divides by designating groups into oppressor and victim. As Dr. Martin Luther King, Jr. stated so eloquently, "I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character." Identity politics is the exact opposite of Dr. King's dream. I hope you will join me and make your voices heard on both local and state levels.

We must insist in unity by teaching America's founding principles, the flaws of our past and how we as a nation have worked to right them.

Lack of informed consent

My concern today is the issue of the lack of "informed consent" at the multiple sites and locations that are open to obtain the virus vaccinations. Informed consent is a ethical and lawful requirement from your Doctor to you regarding the risks as well of the benefit of any medical treatment along with an expected desired outcome. This formal interaction with your Doctor is not being supported at public vaccination sites.

If you are vaccinated, where you told that you would have to continue using a mask? Where you told that there could be sudden reactions to the injection? Where you told that after being vaccinated that you could still contract COVID as well as infecting others? Where you told that you will need booster shots? Did anyone give you any information at all? If not, this is a grave failure of our medical health programs.

Kamikaze Americans

Dear Editor, (from a previous contributor, and long-time Tillamook cheesehead)

It is reliably reported that as many as 200,000 Americans have suffered preventable COVID deaths since the widespread availability of a vaccine in the late winter/early spring of 2021.

We are witnessing an act of mass suicide in America that makes kamikaze pilots in World War II look like innocents. At least those pilots died in small numbers and in the cause of their country.

Our citizens are dying in droves to save the nation from an enemy that can only be called good health and common sense.

Japan's pilots surely wanted to take down as many Americans as they could along with them. Our own citizens appear to want to do the same.

Florence is a sweet natured cat.
Acclimates quickly, has wonderful house manners and prefers to be an only pet. At approximately 3 years old, she's a delightful adult that enjoys the company of humans, craves attention and loves to chase a feather toy. She tolerates being picked up briefly, children over 12 should be monitored around her. A window perch would suit her well so she can bird watch. Florence is no trouble at all and prefers to be indoor only with a cozy fleece blanket.
