COVID-19 cases slowly decreasing County remains in High Risk

Hilary Dorsey
Staff Writer

Tillamook County remains in 'High Risk,' effective Friday, April 23. Risk level changes will be made a week earlier due to increasing cases and hospitalizations in Oregon. County data will be evaluated Tuesday, April 27, and risk level changes, if necessary, will take place Friday, April 30. Tillamook County Health Department is currently monitoring 24 people.

"Half of Oregon counties are also at High Risk," Tillamook County Community Health Centers Administrator Marlene Putman said during a community update April 23. "We're keeping an eye on it closely. We have seen a slight decrease in our COVID-19 cases in Tillamook County."

Putman said people should continue to wear face masks, wash hands frequently and keep 6 feet of distance from those not in your household. If you choose to get vaccinated, do so soon, she added.

Adventist Health Tillamook President Eric Swanson said there are 283 COVID-19 hospitalizations across Oregon, as of April 23. In Region 1 hospitals – Tillamook, Clatsop, Clackamas, Columbia, Multnomah and Washington counties – there are 50 adult ICU beds available.

"One person is currently hospitalized," Putman said of Tillamook County residents. "There were two this week but one currently hospitalized."

For vaccines, 964 primary doses were provided this week, Putman said, with 10,932 people having received at least one dose of

the vaccine, as of Thursday, April 22, and 27 percent of residents have received both doses and are considered fully vaccinated.

"All Oregonians aged 16 and older who would like a vaccine can schedule an appointment," Putman said. "We have plenty of appointments available in Tillamook County."

Pfizer, the only vaccine authorized for those younger than 18 years old, is not yet available in Tillamook County. The health department is working with vaccine partners, Adventist Health and the school districts to make Pfizer available for those 16 and older soon.

The shot will be given in your shoulder, so you may want to wear short sleeves, Putman said. You will receive a vaccination card for your second dose.

"You're not required to show identification or give your social security number at

the site," Putman said. "If you have health insurance, you may be asked to fill it out on a scheduling tool like ours."

Putman said health insurances may be billed a fee for the administration of the vaccine, but this will not impact copays or deductibles on your health insurance. Some sites may ask to see your social security card for Medicare purposes as well but you do not have to show it.

You can call the health center's COVID-19 line to schedule an appointment for same-day COVID-19 testing at 503-842-3900.

Schedule a COVID-19 vaccine appointment at <https://tillamookchc.org/coronavirus/vaccines/>

BUILDING ON OUR FUTURE

Headlight Herald
EXCLUSIVE

Images of the new campus upgrades.
Photos by Brian Hardebeck and Hilary Dorsey

NESTUCCA VALLEY INTRODUCES NEW K-8 CAMPUS

Hilary Dorsey
Staff Writer

Nestucca Valley School District is weeks away from finishing construction on its new K-8 campus, located at the school district office and elementary school site. In 2018, voters in the South Tillamook County Nestucca Valley School District approved a \$25.7 million General Obligation Bond. The bond was passed with the premise of the seventh and eighth graders being moved from the junior senior high school down to a K-8 campus. The school district also received an Oregon Capital Improvement Grant of \$4 million in May 2018.

Superintendent Misty Wharton said renovations have been made

on the existing buildings. The completion was originally slated for August.

The bond includes constructing an addition to the elementary facilities to increase capacity for the K-8 campus. The construction of the K-8 campus includes a new cafeteria, commons, classrooms, regulation-size gymnasium, parking, playground and other improvements. The facilities may serve as an emergency shelter for area residents in the case of a natural disaster. The bond also includes renovating the existing elementary

facilities plumbing, electrical, windows and more.

Construction began in the spring of 2019 after almost a full calendar year in the planning process, Wharton said.

"We've added 6-8th grade classrooms, two career technical education labs, a new special education suite, a new double gymnasium, updated and completely renovated the water system, all new safety and security measures, plumbing, electrical, all new in the existing school," Wharton said.

Wharton said the existing school was torn down to the studs and built

back up. The school was also moved from a boiler system to a heat pump and

cooling system. All classrooms have new furniture.

"Basically the bones of our existing school that was built in the 1950s, the structure itself was great," Wharton said. "It was all

the other stuff that needed to be updated."

Now that the major updates are complete, finishing touches are being made, including sanding and finishing the new gymnasium floor and waiting on lights for the commons. Landscape is also starting to take shape.

"We're on budget, ahead of schedule and thankfully, we'll have enough money left that we've started to plan for a new shop facility at the high school, which will have a welding shop, a wood shop, and basically what's called wet sciences or agricultural sciences," Wharton said.

Wharton said another project this summer includes a PE/recess field behind the K-8 building. This will include a soccer field and a softball diamond.

"It's a facility that our community will be able to live and grow in for years and years," Wharton said. "Thank you, voters."

Vaccines available for 16 plus, plans for Pfizer

Hilary Dorsey
Staff Writer

Tillamook County will remain in 'High Risk,' effective Friday, April 23, through Thursday, May 6. Tillamook County Health Department reports a slight decrease in COVID-19 cases, with 49 positive and presumptive cases from Sunday, April 4, through Saturday, April 17.

Administrator Marlene Putman reported during a Tillamook County Board of Commissioners meeting Wednesday, April 21, that the county had eight positive COVID-19 cases over the weekend and two during the week up until April 21. The county has had a total of 25 COVID-19 hospitalizations and three COVID-19 related deaths.

"As of April 20, 10,507 people have received at least one dose, which is 40 percent of county residents and 6,690 people are considered fully vaccinated," Putman said regarding vaccines.

As of Tuesday, April 20, 10,507 Tillamook County citizens have received at least one dose of the COVID-19 vaccine, Putman said. As of Monday, April 19, all Oregonians 16 and older can schedule an appointment for a vaccine. The health department and vaccine partners are working on providing access for 16 and 17 year olds to receive the Pfizer vaccine, as it is not available in Tillamook County at this time.

"Other appointments are still available," Putman said. "You can schedule online."

Some citizens have canceled their appointments if they receive a vaccine elsewhere, opening spots for others to receive the vaccine, so people who want a vaccine soon should keep an eye on the online scheduling tool.

"Vaccines are free," Putman said. "We receive the vaccine itself free and so do the people that we give those shots in the arms to."

Putman said no insurance, social security number or immigration status is needed for the COVID-19 vaccine and everyone is eligible. The reason people are asked for insurance information is because the cost of administering the vaccine can be billed to insurance providers. People on Medicare may be asked to provide a social security number, if they are willing, to verify they have Medicare, as Medicare can be billed for the administration of the vaccine as well.

"People who are on Medicare may be asked to provide their social security number, if they are willing, to verify that they have Medicare."

SPECIAL DISTRICT ELECTION COVERAGE

North County Recreation District Director Pos. 4

Frank Knight III
39 years old

Occupation: Firefighter/EMT
Education: AAS in Fire Science from PCC
Family: I have two school aged children and one on the way soon. I am married to Kathy (Fricia) Knight. My parents, Frank Knight Jr. and Pam Knight also live in the area and are diligent patrons of the NCRD pool.
Why are you running for North County Recreation District Director, position 4?
 I am running to continue the success of all of the

services NCRD offers that directly impacts my family's future and those families in our area. My hope is to improve transparency throughout the community. I am also committed to fulfill the promise of building the new pool facility.
What experience/skills do you have that makes you the best candidate?
 I had the benefit of growing up learning to swim at NCRD's pool, participating in children's theater in the auditorium (PAC) and social-

izing at the youth teen center. NCRD influence continued into my adult life by becoming a volunteer in the fitness center, playing softball at Rex Champ Field and sending my son to New Discoveries preschool. I still swim regularly in the pool and utilize it for water rescue training as a member of Nehalem Bay Fire & Rescue. I was appointed to the NCRD budget committee in 2018, and in 2019 I was appointed to the board of directors when a mid-term vacancy came open. I believe

my extensive involvement with NCRD throughout my life illustrates my unique qualification for a position on the NCRD Board of Directors.
What is the district's biggest challenge and how will you overcome it?
 I think the most consequential challenge for NCRD is hiring the next executive director to lead NCRD forward. This will take place before the upcoming election, however, it will set the stage for everything from this point

forward. I would consider the construction of the new pool facility being the biggest challenge for NCRD. The pool must be built with financial sustainability and operational longevity as the top priorities. The District is currently and will continue to be challenged with the growth of the community. We need to ensure that NCRD is accountable, transparent and accessible by all who wish to participate in the many services offered by the District.

John Coopersmith
68 years old
Occupation: Currently retired
Education: High School was Sand Creek in Sand Creek, Michigan, go Aggies. I attended the University of Michigan.

Family: My wife Anne and I live in Nehalem.
Why are you running for North County Recreation District Director, position 4?
 In addition to the normal district operations the North County Recreation District now has an opportunity and a challenge. Last November voters approved a bond with a 57% yes vote to build a new public pool replacing the current 90- year-old pool. Many know the pool is often closed for repairs, it is closed now due to the failure of antiquated equipment. With the retirement of former Executive Director David Wiegand NCRD is undergoing a search

for a new E.D.; this plus managing the construction of the \$9 million+ new pool. NCRD has a knowledgeable acting Executive Director in Barbara McCann, NCRD Aquatics Director. The district is blessed with a group of dedicated and capable employees. I bring a combination of experience as a past Board member with multi-million-dollar budgets and working on large projects. As a member of a team, I will help NCRD successfully complete the pool construction within budget and on time.
What experience/skills do you have that makes you the best candidate?
 Some may know until re-

cently I was an elected NCRD Board member. Due to an out-of-town job opportunity, I regretfully resigned from the Board in July 2019. With the advent of the Covid-19 pandemic that job went away. I hope to again serve the community I cherish, contributing as an active NCRD Board member. I have always said my goal was to see the greatest possible number of people benefit and use district facilities. I believe we never know who may have the next good idea so we must always listen.
 An organization is only as good as the people who comprise it. To this end to better recruit and retain good employees I proposed NCRD

adopt an employee retirement program where previously we had none. NCRD did successfully implement a retirement program. To better inform the people of NCRD programs and opportunities, I proposed the district put out a quarterly newsletter. We did this electronically, saving money on postage and paper. If anyone remembers the old NCRD website, for years I promoted adopting a new, easier-to-use district website. The new website is improved over the old site.
 With years of NCRD Board experience working with multi-million-dollar budgets and as a member and past Chair of the NCRD Capital

Improvement Committee I have the knowledge and experience to help bring the new pool project in within budget and on time.
What is the district's biggest challenge and how will you overcome it?
 I hope to see NCRD find new ways to better serve all the people of the district. As an example, the current skateboard ramp will be demolished to make room for the new pool. I will suggest ways within the current budget to plan, with the input and ideas of skateboarders, for a new ramp serving the many who use it.
 I ask for your vote.

Each office is independently owned and operated

North County Recreation District Director Pos. 5

Jack Bloom
74 years old

Occupation: Retired, Retired Naval Aviator, Bank Executive
Education: A.B., M.S.

Family: 2 daughters, 4 grandchildren
Why are you running for North County Recreation District Director, position 5?
 Ten years ago, my wife and I retired to the Oregon North Coast to be close to our daughters and their families and enjoy the new delight of being Grandma and Grandpa. As time went by we increasingly participated in extraordinary community opportunities by joining, CERT, MRC, EVC, American Red Cross, HAM radio and supporting NBF&R.
 Nine years ago, having passed the POOL sign in Nehalem many times, I decided to address my advancing

"decrepitude" and explore what was offered. That is how I found the unique gem - NCRD and its glorious POOL! I soon became a daily lap swimmer and met Barb McCann. Over time, she convinced me to come to Board meetings, join the Budget Comm and the Capital Improvement Comm. When there was a Board vacancy, 8 years ago, she convinced me to run and I did. I have served as Chairman for the last 7 years.
 What I have come to cherish, is a small organization that is the very embodiment of the spirit of "The Little Engine that Could! I have the privilege of working with a

group of fellow citizens who share a common purpose - that is, to serve and enrich EVERYONE in their community as best they can.
What experience/skills do you have that makes you the best candidate?
 Just look at our Track Record! With the Communities financial support, via the levy and Bond measure, The Board, the NCRD Staff and the Volunteers have transformed a severely neglected building and an ancient swimming pool, into a model community center. We now have a Fitness Center, Ball Field, Pickle Ball Court, Children's Day Care Center, a Performing Arts Center (with a new lobby and ADA restrooms) and soon a new pool that meet all ADA standards. This all together, commands an A+ credit rating and is now viewed by Wall Street as being an Investment Grade investment. This is a world class accomplishment by any measure. Plus, Special Districts of Oregon (SDAO) recognized NCRD as the district of the year.
What is the district's biggest challenge and how will you overcome it?
 The biggest challenge we have now is building the new swimming pool now that we the money in the bank. This will be the largest construction projects in North County and we are underway and have the team in place with decades of experience to do it. The POOL will continue its uninterrupted 91 years of teaching children to swim as part of the school curriculum and NCRD will continue to be the heart of community activities.

ADVERTISING IS **KEY**

TOP 10 REASONS to advertise frequently

1. People may not need your product or service today, but they may need it tomorrow.
2. Frequency builds trust.
3. Frequent advertising adds credibility to your message.
4. When an ad is seen frequently, it gets the consumer yearning for your service and they will take action to buy it.
5. Advertising frequently helps put your name out in front of the competition's.
6. Frequency is the best way to get lower advertising rates.
7. Advertising frequently is a lot like repeatedly inviting a friend to come see you. One day, they are bound to visit!
8. Frequent advertising helps you build a steady source of incoming sales.
9. Out of sight, out of mind.
10. You make more money when you do! It's plain and simple.

SPECIAL DISTRICT ELECTION COVERAGE

North County Recreation District Director Pos. 5

Constance Shimek
69 years old

Occupation: Business woman. Hospitality, Bed & Breakfast

Education: Life, HS graduate, Health & Life insurance license, ongoing continuing education courses.

Family: Blended, proud of raising 4 adult children, 7 grandchildren from ages

7-22.
Why are you running for North County Recreation District Director, position 5?

I have an agenda. I love our community and I love NCRD. My mission is inclusion, creating the best possible version of NCRD for everyone.

What experience/skills do you have that makes you the best candidate?

For thirteen years I've been heavily involved with funding numerous programs and projects for NCRD, through Friends of NCRD. For the past two years I have served as President on that board. Now I am prepared to do much more.

What is the district's biggest challenge and how will you overcome it?
Community Engage-

ment. While some members of our community have had great experiences, there have been others who have shared their disappointments and frustrations with me. My mission, I will listen, I will carry the messages and I will fight for those who entrust me with their voices.

I will stand up loudly and be the voice for All.

NEWS TRAVELS FAST

Stay ahead...

Headlight Herald

Port of Nehalem Commissioner Pos. 4

Damian Laviolette
47 years old

Occupation: Tillamook County, Director, Information Services – Co-Owner/Operator Jetty Fishery Marina

Education:
• Neah-Kah-Nie High School, 1991

• Northern Virginia Community College, Associate Degree, General Studies

• George Fox, bachelor's degree, Management & Organizational Leadership

• Western Governors University Master of Science Information Security and Assurance

4. Family:

• Teah Laviolette (wife)

• Sabrina Laviolette (daughter)

• Robert Laviolette (son)

• Caleb Laviolette (son)
Why are you running for Port of Nehalem Commissioner, position 4?

For 43 years and counting my family to include: mother, father, brother, sister-in-law and now Teah and I, have ran/operated the Jetty Fishery LLC, Marina and RV Park on Nehalem Bay. As the last business entity and some of the last residents on Nehalem Bay before it transitions to the Pacific Ocean, we have a significant stake in the area, and the Port of Nehalem's activities. Our business is primarily tourism driven and in turn often helps surrounding local businesses or vice versa/ we help to support other each other.

As a resident, business owner, and employer in the local area, the issues facing the Port of Nehalem are meaningful and relevant. The success of the Port of Nehalem is directly tied to the continued success of our family business and its continued survival on the bay.

What experience/skills do you have that makes you the best candidate?

I would seek to utilize

twenty plus combined years of business ownership, training, higher education, risk management, regulatory compliance, and financial management experience to the Port of Nehalem's benefit. This experience would also hopefully through the Port of Nehalem activities benefit the residents, businesses, and tourists visiting the area. I am familiar with many of the State, County, and local entities the Port interacts with today as well as many of the challenges facing the Port, surrounding communities, and residents. I am familiar with many of the State, County, and local entities the Port interacts with today as well as many of the challenges facing the Port, surrounding communities, and residents.

What is the port's biggest challenge and how will you overcome it?

Uncertainty is clearly the largest problem facing both the local area and the Port of Nehalem. With pandemic churn and strange economic/political reversals becoming the norm it is hard to plan for tomorrow let alone the long term. I would work with and

listen to tenured peers on the board, local business owners, and residents to review existing road maps or if needed establish a new 3-5 strategic plan/vision for the Port. Strong risk management and a solid 3-5 year vision plan are a must. Once in place the Port's plan/vision could be used to drive further outreach to local, state, and federal agencies and organizations as needed.

Editor's Note: Joe Velkinburg is also running for Port of Nehalem Commissioner Pos. 4. We reached out to Velkinburg via email and phone to get candidate form question answers and

a picture. As of press time Velkinburg did not respond to our requests. He will appear on the ballot running for Port of Nehalem Commissioner position 4.

Tillamook to celebrate Public Service Recognition Week

Hilary Dorsey
Staff Writer

Tillamook City Council, during a meeting Monday, April 19, declared the week of May 2-8 as Public Service Recognition Week. The city of Tillamook will host a Touch-a-Truck event from 4-6 p.m. Tuesday, May 4, at city hall, 210 Laurel Ave. The celebration will include various public service entities.

Mayor Aaron Burris read aloud the proclamation, which states many public servants, including military personnel, police officers, firefighters, border patrol officers, health care professionals and more, risk their lives every day to serve people. Public servants include teachers, doctors, scientists, train conductors, astronauts and more.

"Day in and day out, they provide diverse services demanded by the American people of their government with efficiency and integrity," Burris read. "Without these public servants at every level, continuity would be impossible in a democracy that

regularly changes its leaders and elected officials."

Burris said a lot of these public servants are volunteers, such as various fire departments throughout the county, as well as some sheriff's deputies and search and rescue.

"There will be various trucks and other equipment for the city's residents to come see, touch and climb aboard, as well as to meet and talk with the people that make it all happen," Councilor Rebekah Hopkins said of the Touch-a-Truck event. "COVID-19 precautions will

be in effect." All citizens are invited to bring their families and friends to celebrate public service. City Manager Nathan George said he felt it would be good for the city to celebrate this.

"This is something that has been done throughout the United States for many years," George said. "It's something I'm looking forward to."

FENCEPOSTS

BJ Byron reminds us that it's time for the annual CARE drive. Community Action Resource Enterprises, Inc. (CARE) is a homegrown organization fighting poverty in Tillamook County. For 16 years, CARE put on a Bowl-a-thon to raise money (and BJ participated!), but this year they are raising funds through a socially-distanced walking event. Check out their website at www.careinc.org for the details. Contributions to CARE provide emergency services (e.g., \$500 covers a security deposit for a renter; \$30 buys a bus pass for a senior who can no longer drive) as well as help

for healthy families (e.g., \$500 buys 14 packages of diapers, each containing 216 diapers; \$70 buys a stroller). The annual fundraising drive runs from May 1-May 27. Also, BJ says if you didn't get your pie connected to last year's fundraising event, call her at 503-842-2738 for a pandemic extension.

Thank you, Arla Ayers, for news that the Tillamook Master Gardeners are having their annual plant sale. Ordering is online only and the last day to order is April 28. Payment is due when you order. Your order will be assigned a pickup time on April 30 or May 1 at the Tillamook

CAPE MEARES

503-842-8608
ellensteen2@gmail.com

County Fairgrounds by the livestock barns; please follow COVID-19 masking and social distancing guidelines when fetching your order. Go to www.tillamookmastergardeners.com

for all the details. Master

Gardener members have been growing tomatoes, veggies and/or flowers for you; be sure to check it out!

I found out when visiting with Arla that she and her husband, Brad, attended the Wooden Shoe Tulip Festival in Woodburn, Ore., on April 15. The couple was celebrating their 59th wedding anniversary that day; congratulations to them! The festival features 40 acres of tulips in 100 acres of outdoor space, and it runs through May 2. Tickets must be purchased online at www.woodenshoe.com. As a Master Gardener, Arla especially loved seeing the fields of pink, red, yellow

and multi-colored tulips. It was the perfect way for these longtime lovebirds to mark their special occasion.

Rod Pelson invited Charles Ansoorge to go muscling at the south end of Cape Meares beach. Rod has been adventuring outdoors here since the 1970s; he's a good teacher. However, what neither of them planned on was a rock falling off the cliff and hitting Charles on the noggin! Although he saw stars, Charles was not seriously injured, and he and Rod continued with their shellfish gathering. Good thing, too, because later that day, Rod and his wife, Mary Jane, fixed

a delicious meal of mussels for Charles and his wife, Marcille. Charles was hooked by the flavor, but advises us all to wear hard hats if we are venturing close to the sheer face of the cape.

Heads up! The long-trumpeted fee station has finally been installed at the parking lot on the dike road. A sign at the entrance to the dike road announces that it is now a day use fee area. The charge is \$10/day. As previously reported, you may buy an annual pass for \$55 (discounts for certain groups). For further details, go to <https://www.co.tillamook.or.us/gov/Parks/ParkingPass.htm>.

Thanks to Wally Nelson for word that a newcomer to Tillamook Association for the Performing Arts (TAPA) has generously paid off the Barn Community Playhouse' mortgage. James Meritt, who played the Colonel in the company's 2020 production of "Elvis has Left The Building," made TAPA owners outright of the structure that they fundraised to purchase in 2002. The Barn Community Playhouse is located near 12th Street and Main Avenues at the south end of Tillamook.

"The many volunteers and patrons alike are all so grateful to Mr. Meritt for falling in love with their beloved

theater as they all have." Wally stated. He added, "A non-profit organization such as TAPA needs every single penny to be able to purchase rights, costumes, build sets, [and so on] in order to bring plays and musicals to life!" Three cheers for James Meritt and congratulations to

TAPA.

Tillamook County Community Health Centers are partnering with Community Action Resource Enterprise (CARE) to bring a needle exchange to Tillamook County. The "Harm Reduction Needle Exchange" will provide safe injection needles, wound care supplies, Naloxone training and kits twice a month going forward. The free and anonymous services are offered from 11 a.m. until 1 p.m. on the first and third Wednesdays, monthly in the lower parking lot of CARE, 2310 First Street in Tillamook. For more information, call 503-842-3940.

Hebo Women's Book

Club met for April via video conference last week. Besides me, attendees included Melanie Merryman, Madlen Silkwood, Nancy Whitehead and Joan Wilke. Nancy led our discussion of "The Lying Life of Adults" by Elena Ferrante. While all agreed that it was superbly written, some in the group were put off by frequent vulgarity.

The novel follows a thirteen-year-old girl, the only child of parents who divorce, into her seventeenth year. Those who listened to the audio book were consistently taken with its depiction of "higher" and "lower" caste speech in the performance of dialect. I recommend the

page turner as a captivating coming of age summer read, for adults.

There are five openings as we go to press in a free online suicide prevention training. Thanks to Janeane Krognos for word that Tillamook Family Counseling Center will offer the course from 10-11:30 a.m. on Friday, May 14. This "QPR Gatekeeper training" is a community mental health intervention that was listed on a National Registry of Evidence Based Programs and Practices as effective in preventing suicide. The training was designed to be beneficial for anyone—parents, teachers, employers, health staff, hospitality staff,

and other concerned community members. Register today by e-mail to JaneaneK@TFCC.org or call 503-842-8201 extension 270.

Happy birthday this week to: Quinn Allen, Nick Cabral, Cindy Carver, Noah Chatelain, Emma Chitwood, Emma Cope, Nancy Curtis, Darlene Eckhardt, David Eckhardt, Bobby Fry, Addison Hagerty, Avery Hagerty, Keegan Hagerty, John Haltiner, Kevin Heitsmann, Steve Kiser, Dennis Love, Erin Merrell, Ryan Saddler, Bob Simonson, Hosana Simmitt, Erin Watters, Joanne Watters, Ruth Woods and Kyle Zeller.

This is crazy. I sit down to write my column and it is April 28th! It is already the end of the month. All and all it has been a good month. We had some beautiful weather and the flowers are dotting our neighborhoods like little Easter eggs. I love that our azalea bushes are a showcase right now. Ya, life is really good!

Last weekend was my birthday and we spent the

weekend with Amber. We had lots of good food, way too many desserts, ukulele music together, a few hikes; well, it was absolutely perfect. Then my girlfriend had an ukulele jam, socially distanced of course, and it was the icing on the cake. Amber gave me an ukulele platter for a gift too. I think I had a themed birthday.

The walking schedule for 'Get Fit with Rhonda & Friends' on April 28th is the

Phyllis Baker Park Event! It is

a Scavenger Fitness Circuit at 12pm. All are welcome! You know where this city park is I hope. It is at 341 N. Falcon St.

A little information about who Phyllis Baker was. She moved to Rockaway Beach in 1989. Not long after that Phyllis served on the City Council, and Mayor Jim Watts had each councilor take on a project. Well, Phyllis started up the Rockaway

Beach Parks and Recreation Department, which was highly successful for many years. She worked side by side with the department for 18 years and changed many children's lives. She did so much more for our community. Shortly after she passed away in 2012, the community recognized her by naming the city park after her.

Louise and Skip Haley met us at the amphitheater in Sis-

ters, Oregon, last week. What a nice visit. The weather was sunny and warm with a light breeze. We talked for almost four hours. It sure is nice to meet up with friends! "In the spring, at the end of the day, you should smell like dirt!" Just remember if you fertilize, you are sharing that wonderful smell with all of your neighbors. Especially on a hot day... giggle. That's Rockaway Beach, "Sugar Coated!"

Mother's Day Special!

We have a Mother's Day gift package any mom would love.

Buy a gift certificate April 20 – May 14 for a 60-minute European facial, 60-minute aromatherapy massage, Moonstruck chocolates and a flower—all for \$100 (regularly \$175).

CHAMBER CHATTER

LETTERS TO THE EDITOR

Dial a Ride services needed in South County

This letter is written by Larry Stephens with Pat Patterson regarding the need for providing Dial a Ride services in South County for those seniors such as Pat who is 97 years old who has been greatly missing dial a ride since it has been reduced drastically over the past several years. It is also a letter to support two candidates who are running for election or reelection to Tillamook Co Transportation District who are dedicated to enhancing the services for

Pat and others in similar situations. A formal letter to the TCTD Board has been sent by Larry Stephens addressing this very urgent need on behalf of Pat and others. Pat Patterson was one of the original elected Board Members of TCTD from its inception to the year 2005, who was one of the early "Friends of the Wave" who helped to form and establish the Tillamook County Transportation District. It was started after a property tax was passed for it to become a stand-alone agency to serve the needs of citizens. This was especially important for the seniors and disabled who did not have their own mode of transpor-

tation available.

As Pat had made contact with Mary Johnson with Larry to endorse her candidacy she agreed to meet him next to the Sandlake Store where Pat loves to have coffee with friends, and also where he donated an authentic Chinook Totem Pole that would soon be erected and installed at that location. They took a photo together for Mary's campaign as he enthusiastically wanted to endorse her for Position 5 for the TCTD Board and he knew she would be willing to support enhanced transportation services to South County.

Welcoming spring with Downtown Tillamook Cleanup

Ashely Christensen
Programs & Events Manager

During the recent sunny spring days, Tillamook has gone into full bloom. Flowering trees have burst into white and pink petals, and tulips and daisies blossomed to decorate flower beds all across town. And here at the Chamber, we hope to elevate all that natural spring beauty with a bit of our own work during Downtown Cleanup!

This event brings volunteers together to share their love for downtown by cleaning and de-weeding sidewalks and washing signs and fences. Groups of two to three volunteers will spread out to clean out the brick pavers, blow away old leaves and pick up garbage to keep downtown attractive and appealing for local and visitors alike!

North Coast Lawn graciously lends us all the equipment we need to make sidewalks and storefronts shine. And Dutch Mill provides lunch for all our volunteers to help us show how much we appreciate your help in keeping downtown beautiful! We've even got the cutest work gloves for children, so your kiddos can jump in to volunteer, too!

Downtown Cleanup is a great way to give back to the community, and I always

leave feeling so rewarded. Nothing beats seeing Main Street shine and knowing you played a part in that! All it takes is a few short hours and some enthusiasm to spruce up downtown for the whole summer season!

It's also a great chance to meet new people and get to see old friends. Volunteers join us from several different organizations and businesses, and we can catch up with each other over burgers at lunch! Plus, it's all outdoors, so there's room to space out and follow all state guidelines.

We have a link on our website for volunteers to sign up for Downtown Cleanup, or you can email me at ashley@tillamookchamber.org. This year we will work for half the day, from 8 a.m. to noon. If you can't make it for a full shift, no worries!

Join us when you can to lend a hand however long you're able!

While the Chamber's Downtown Cleanup focuses on five blocks along Main Street and Pacific, there also will be a number of other community events to spruce up other areas of town – and even your own households. We like to view it as a total spring cleaning for Tillamook!

TLC Fibre Federal Credit Union is hosting a free Shred Day when they will shred up to three boxes of documents per person to help prevent identity theft. The County will hold its monthly Hazardous Household Waste collection, so you can dispose of common household hazardous items, such as aerosol cans of spray paint, batteries, or mercury-containing items like some lightbulbs. There also will be a large dumpster stationed on the corner of Third and Ivy for residents to drop off their yard debris for disposal all weekend!

As we move into spring and summer and community events like June Dairy Parade get closer, now is the perfect time to clean up our homes and spruce up our city! Help us welcome the nice weather and blooming flowers by signing up for Downtown Cleanup and participating in other Chamber member-sponsored events.

A little bit about tree planting

Jacob Hilger
Silviculture Forester
Stimson Lumber Company

The rhythmic clanging of shovels mixed with the ting of rain on a tin hardhat is the opening tune to most cold winter days planting trees. It is one of the toughest and most rewarding parts of working as a forester. I would argue it is one of the most crucial parts of sustainable forestry as well. Reforestation allows our society to continually harvest and regrow a supply of timber while maintaining a healthy environment. With Arbor Day right around the corner, I thought I'd share a little bit about my experience with tree planting.

As a forester for Stimson

Lumber, I find people are often surprised that we plant trees in winter. It's cold and wet on the Oregon Coast, which can be unpleasant but in winter trees are dormant and thus resist the stresses of planting much better than when they are busy growing. Cold, wet weather also helps to keep seedling roots moist during planting. Exposed roots in warm, dry weather can kill a seedling within minutes. This why our planting season usually runs between December and April and we keep a close eye on the weather.

The number of trees we plant varies year to year. This year our company will plant over 1 million seedlings in Oregon. We start planning a reforestation project years in advance. Two years before planting, we acquire seed and contract with a nursery to produce baby trees. Seedlings are selected and nurtured to match a specific site so they can be as successful as possible. This includes matching tree species, physical features, and even genetics. Every year we plant mixtures of western hemlock, Sitka spruce, western red cedar, noble fir, and Douglas fir.

Planting trees is tough work. The rough terrain makes machine planting impossible so all planting is done by hand. It is amazing

how fast a planter can plant. Depending on the terrain and the size of the seedlings, an experienced planter can place 800-1200 seedlings a day. During planting season, foresters like me spend most our days working with the contract crews in the field ensuring the trees are planted to an acceptable standard of quality and in accordance with our reforestation plans. We take measurement plots behind the planters, monitor spacing, and sample root placement. Our target planting density for the coastal zone is 440 trees per acre, which is about a 10ft x 10ft spacing. Root placement critically important. It can be the difference between a healthy tree and a dead one.

If you're a landowner interested in reforesting a portion of your land, I encourage you to check out the "Guide to Reforestation in Oregon" by Robin Rose and Diane Haase on the Oregon Department of Forestry's web site <https://www.oregon.gov/odf/working/pages/re-planting.aspx>. You can also reach out to your local OSU forestry extension office. Growing and nurturing trees is something I enjoy and take pride in. Watching young trees become a forest over the years is truly rewarding and makes the cold, wet days planting trees worth it.

■ See **LETTERS**, Continued

He also knew of Linda Adler who is a neighbor in the South County and endorses her as well for reelection for position 3 on the TCTD Board as she strongly supports more services to be provided to seniors such as himself needing dial a ride or other transportation.

What was very much concerning to Larry Stephens and Mary as he arrived on the scene for taking the photos, was that Pat was so enthusiastic about meeting Mary and getting ready for the photo shoot, that Pat went ahead and drove his own vehicle down to Sandlake store to get there ahead of time instead of waiting for Larry to pick him up which Larry was hoping to do. As Pat shared more about not wanting to be housebound every day, he

did share that he really really wanted to get a dial a ride service back again where he could use it at least once a week for his own safety and good transportation. We as a group being so thankful for his wonderful time and caring support were extremely concerned for Pat's own safety and well-being. We realized we sincerely wanted for him to have safe transportation into the future as he is a treasure to us all. We hope the Transportation District Board will read our letter we have sent to the Board and the GM for TCTD to begin seriously addressing this concern.

Sincerely,

Pat Patterson – Past Board Member TCTD
Larry Stephens – Pat's Friend and Concerned Citizen

OPINION

GARDENING MATTERS

A matter of timing ...

We certainly can't complain about the warm and dry weather we have had in April this year. As I write this in mid-month, the forecast is for warm temperatures and no rain for another week or maybe two. It is very unusual for us not to have a rainy April, for as we all know "April showers bring May flowers."

A neighbor asked the other day if it was safe to put her plants outside yet. I can't really blame her for wanting to get a head-start on gardening, especially when the weather is so mild and sunny. But I had to tell her that putting plants out in mid-April depends on the plant.

The perennials, of course, can go out into the garden at any time in the Spring. They are built to handle all kinds of weather, so a brief cold snap won't do any harm. This is most true of primrose and pansies who thrive on cool weather. Hardy fuchsia and bleeding hearts will certainly make it okay. But the annuals and certainly the vegetables should be planted out on a more conservative schedule.

Petunias, although they look very pretty in the flats in the nurseries, should be planted closer to Mother's Day than late-April. Other blooming annuals like lobelia will be best served by sticking to the mid-May planting.

GARDENING MATTERS
CARLA ALBRIGHT

Its amazing how much two short weeks can mean in the soil and air temperatures.

Vegetables are another entire matter. They are very sensitive to cold and wet temperatures and can rot in the ground if planted outside too soon. This is where a good soil thermometer can come in handy. You can find expensive ones for upwards of \$40, but a \$15 thermometer works

just as well. I have had mine for over 10 years now. Check the soil temperature at 2 inches down at the same time each day for a week. This will give you an accurate reading to know when the soil is staying at a specific temperature.

Let's try a few timing examples of popular veggies. Onion sets can be planted in April but only if the soil is dry enough to work without clumping or being soggy. Soil temps for onion sets should be at least 40 degrees. When the soil temperatures reach between 45 and 50 degrees – usually in mid-May – you can transplant broccoli, Brussel sprouts and cauliflower into the garden. Potatoes can also be planted at this time.

But to have successful tomatoes, peppers, squash and cucumbers, you will want to wait until mid-May or later, depending on the rains and air temperatures. This is when the soil temps reach 65 to 70 degrees and the air

temps are 60 or so. For tomatoes, the optimum air temps should be between 60 and 80, and for peppers and cucumbers growth is best at air temps between 70 and 80. Tomatoes do best when night temps hover around 60 to 65 degrees. That allows the plants to set fruit for ripening.

For a longer harvest of all these plants, try planting several varieties that have different ripening dates. These dates can generally be found on seed packets, in seed catalogs and sometimes on the tags of the starts.

Every single garden has its own micro-climate which will dictate when best to plant out vegetables. We can see this each spring when rhododendrons in neighboring gardens will be blooming at different times, even if they are the same species. Thus, also important for vegetable success is the number of Growing Degree Days (GDD). This, basically, is the measure of average heat accumulations. There are some intricate formulas, but Washington State University came up with an easier way to measure. Take the average daily temperatures (Fahrenheit) for a series of days. The longer the time period, the more accurate the measurements will be. Then subtract 50 from that average daily temperature. (If the answer is less than zero, then the GDD is zero, thus the GDD is always a positive number.) Knowing what your GDD is for your garden will not only be helpful when selecting plants, it will help you to know when to plant them for optimal

production. Adding the GDD since planting will calculate the GDD for each crop. And each crop will be different.

By doing a little pre-planting research, you will have a better chance at a successful vegetable garden!

TALES FROM THE LIBRARY

Bill Landau

Extension Librarian
Tillamook County Library

This week, I have a couple of library-related feel-good stories to relay to you. But first, I have an exciting announcement! We know our library patrons with young families have been missing live storytime events over the past year. So, until we can safely gather

again for regular in-person programs, we are starting a weekly Online Storytime. Every Monday, a library staff member will be featured presenting a special storytime that we will post on YouTube and Facebook. All you have to do is look for the Monday morning announcement and you can watch and re-watch each storytime to your heart's content!

Another bit of fun news...

following the advice of COVID experts, we are no longer

putting returned library materials into quarantine! What does this mean for you? You will no longer have to wait a day or two for your returned items to be checked in and removed from your account. Also, high demand materials will move more quickly through our system so we will all get our requested books and movies a little bit faster! Three cheers for that!

Now on to the feel-good stories I promised. A few weeks ago, the Tales from the Library column talked about how the bookmobile driver uses her own personal funds to buy dog biscuits for the pooches she sees on the rural visits on the bookmobile route. One thoughtful patron was touched by that story and took it upon herself to order some doggie treats and have them delivered to the library. You would not believe what a wonderful emotional uplift that provided to the library staff! And I bet you the dogs will be very pleased, too!

The other story I wanted to tell did not happen at the library, but it does have a liter-

ary angle to it that I just love. I do lots of my creative thinking, problem solving, and stress reduction on the trails and beaches around Tillamook County. Recently, I was about five miles in to a hike at Sitka Sedge State Natural Area along Sand Lake Road, deep in thought about a problem that was occupying my mind. As I passed through one stretch of trail with pine trees on each side of me, something caught my eye. There was a little clear test-tube-sized glass bottle hanging high on a branch. It was about the size and circumference of my pinky finger, so it was not an easy thing to spot...and that just added to the mystery of it all. There was a cork in the top of the bottle and a string attached to that so that it hung inconspicuously from the tree. Upon closer inspection, I could see there was a tiny note rolled up inside. Curiosity got the best of me, so I reached up and took the bottle down from the branch. My mind raced and puzzled about what the message inside could possibly want to tell me. The

bottle was too small to get my finger inside as the neck was tapered, so it took some patience and try-try-again efforts to get the curled note out.

I carefully unrolled the three-inch piece of paper and found a message carefully written out in happy-looking penmanship. "I wish you all the happiness, joy, love, tacos, pizza, and awesomeness in the world." And the message closed with a simple heart.

I smiled a great big grateful smile, rolled the note back up, put it back in the bottle, and hung it back on the tree so that it could bless someone else. I don't know about you, but a little act like that was all that it took to turn my worries upside-down for the rest of the day. Whoever left that message in a bottle for me to find went to a lot of work to add some joy to my day. It was very much a simple act of kindness but it restored my faith in humanity and made me start thinking of what fun, creative, smile-inducing acts I could come up with to "pass it on" and return the favor.

NOTICE OF SHERIFF'S SALE

On June 8, 2021, at the hour of 10:00 AM at the Tillamook County Sheriff's Office, 5995 Long Prairie Road, in the City of Tillamook, Oregon, the defendant's interest will be sold, subject to redemption, in the real property commonly known as: 1412 9th Street TILLAMOOK, OR, 97141. The court case number is 18CV58776, where FEDERAL NATIONAL MORTGAGE ASSOCIATION ("FANNIE MAE") is plaintiff, and PAMELA V. SHABATURA: WELLS FARGO BANK, N.A.; CAPITAL ONE BANK (USA), N.A. AND ALL OTHER PERSONS OR PARTIES UNKNOWN CLAIMING ANY RIGHT, TITLE, LEIN, OR INTEREST IN THE REAL PROPERTY COMMONLY KNOWN AS 1412 9TH ST, TILLAMOOK, OREGON 97141. is defendant. The sale is a public auction to the highest bidder for cash or cashier's check, in hand, made out to Tillamook County Sheriff's Office. For more information on this sale go to: www.oregonsheriffssales.org HH21-229

Letters

Continued from Page 5

We are writing to share our support of Becky Hogan-Heimerl's candidacy to serve on the Tillamook School Board position 2

We have known and worked with Becky for most of her life, and are extremely excited and supportive of her interest in this important work. Over the years, we watched her grow up and watched her be successful at everything she set her mind to accomplish.

Becky is very community minded and believes in education and serving others. She is thoughtful, considerate, a great listener, and has the skills to work through processes in the public arena. Becky is a dedicated volunteer 4-H leader and shares her passion and knowledge with many youth throughout our County. Often people underestimate the challenge of being successful working on public issues, but Becky understands this is challenging, but more importantly she brings the skills, determination and work ethic to be highly successful.

Becky has four children and is a devoted parent, and we believe she will serve all of us well as a school board member. We are very

proud to support Becky for the Tillamook School Board position 2.

Please remember to VOTE, every voice matters!

Troy & Lisa Downing
Tillamook

Supporting Andrea Goss

I am supporting Andrea Goss for the Tillamook Board of Education Position #1 and here is why I am asking you to do so as well. I have had the privilege of working with Andrea on several community projects over the last five years. Not only is her enthusiasm and dedication a joy to work with but it shows her passion for our community. Andrea has been an active Tillamook citizen for 20 years. Her experience of being on other boards is apparent in her ability to bring others together, being an active volunteer in the community awarded her a nominee position for volunteer citizen of the year in Tillamook displays her commitment to this community but also her ability to be a leader, to be a bridge when needed and dedication to seeing that the job gets done.

Andrea has been an active member, as well as President, for our local AAUW, American Association of University Women, for 17 years to support education for women in our community, helping raise countless dollars for scholarships. All so local young women can follow their dreams and pursuits of fur-

thering their education and obtaining a degree. Andrea has diligently volunteered with CASA for 12 years, serving and advocating for our youth to support their educational needs.

Voting for Andrea is a vote for knowing she will listen to your concerns, be an advocate for your child in their educational needs as well as entrusting her to the Mission of this school board.

Sincerely,

Jan Boal RN
Beaver

I support Mary Johnson for transportation dist.

Please vote for Mary Johnson, who is running for Position 5 for the Tillamook County Transportation District's Board of Directors. As an avid public transportation user, she relied solely on interconnected public transportation systems while in college and as she worked and traveled nationally and internationally. She found that a lack of reliable public transportation can be a huge obstacle to obtaining basic needs such as health care, employment, and nutritious food. She worked in the legal field for many years, and her experience in careful listening, viewing issues from different perspectives, and researching solutions to difficult

OBITUARIES

Clayton Zoram Rees
Oct. 3, 1940 - April 12, 2021

of working with, developing and managing programs for young people with disabilities. In 1984 he began his career as a private vocational counselor and business consultant. In 1996 he was employed by the State of Oregon to work with people with disabilities and working with local school districts assisting youth with disabilities in Tillamook, Astoria, and Hillsboro.

In 2001 Clayton became a Program Manager for the State of Oregon, Office of Vocational Rehabilitation for the Career Workforce Skills Training Program in five Oregon community colleges.

In 2002 Clayton was the Youth Transition Program Coordinator for Oregon Dept of Human Services, Office of Vocational Rehabilitation. In 2006 he was honored as the Outstanding Special Needs Administrator of the year by the Oregon Assoc. of Vocational Special Needs Personnel.

In 2010 Clayton retired from public service, but was asked to come out of retirement to complete work on a \$2.8 million federal model demonstration grant known as Project ACCESS. He was the Project Manager for the grant, a collaborative effort between Oregon Dept of Human Services, Office of Vocational Rehabilitation, Oregon Dept

of Education, University of Oregon, College of Education and five school districts in Lane County and five Confederated Native American Tribes in Oregon. The program established innovation programs for youth with disabilities transitioning from high school to post-secondary activities, including independent living, higher education and employment.

Clayton formally retired from State of Oregon employment in 2014. Prior to his retirement, Governor John Kitzhaber appointed Clayton to the State of Oregon Rehabilitation Council and in 2013 Governor Kate Brown appointed Clayton to another three year term. An award given annually by Portland State University "Swift" is given each year in Clayton's name. In 2019 the Governor appointed Clayton to a 3 year term on the Oregon Board of Denture Technology.

Recently Clayton served as an elected director and vice chair for the Tillamook County Emergency Communications District, Tillamook County Commission on Children and Families and was appointed to the Tillamook County health Council. He was an elected member of the Rockaway Beach city council for 9 years.

Clayton has devoted his lifetime to promoting

independence and success for young people with disabilities. He has presented at local, state, national and international conferences on youth in foster care, and youth with disabilities. He has a long history of public service within Tillamook County.

Through his work in public administration, as a private business owner, and working for not-for-profit organizations, Clayton has devoted his energies in gratitude for all the kindnesses he and his family have received from the citizens of Tillamook, as well as public, private and not for profit organizations.

Clayton is a member of the Church of Jesus Christ of Latter- Day Saints.

Clayton is survived by his wife Darlene Rees, 2 sons, Richard and Bryan Rees.

5 step children, Dee Dee Burynski, Leslie Waterman, Len Waterman, Annie Bishop and Amanda Maldonado. 1 brother Robert Rees, 2 sisters, Gloria and Evelyn Rees. 12 grandchildren and 7 great grandchildren.

Memorial services will be held May 8th, 2021 starting 1pm at the Church of Jesus Christ of Latter- Day Saints in Tillamook. Inurnment with military honors will be held May 10, 2021 starting 10:30 at Willamette National Cemetery, Portland, Oregon.

Marion Blaser

March 24, 1932 - April 8, 2021

(Donowho). He also owned heavy equipment and logged, built dikes and cleared land in Tillamook and surrounding areas for many years. He was one of the hardest working men you would ever know.

Marion was a kind man with a loving heart and he liked everyone he met. He loved kids, as well as camping, fishing and hunting.

Marion was preceded in death by his son Fred Blaser (October 2011) and his wife of 54 years, Linda (January 2020). He is survived by his daughters, grandchildren and great-grandchildren. He will be dearly missed.

A service will be planned at a later date.

Clayton Zoram Rees was born October 3, 1940 in Prescott, Arizona to Alvin and Bunola (White) Rees and passed away April 12, 2021 in Beaver, Oregon at the age of 80.

Clayton served in the United State Marine Corps during VietNam and was honorably discharged.

Following his military service, Clayton graduated from Portland Community College with an Associate Degree in Business and Accounting. He was an honors graduate at Portland State University earning a Bachelor's Degree in Psychology in 1970.

Clayton received his Masters degree of Science in Rehabilitation Counseling from Western Oregon University in 2004. From 2005 to 2015 he held the position of adjunct faculty at WOU and served on the WOU College of Education, Curriculum Advisory Committee.

Clayton has a long history

Mercedita (Mercy)

in the United States. She immigrated to the U.S. as soon as she turned 18. She loved this country and was a true patriot. She lived in Hawaii, Washington, Florida and met her husband Bruce in Indiana. Bruce and Mercy moved to Tillamook in 1998, fell in love with the Oregon coast, and were married at the Cape Meares lighthouse in 1999.

Mercy loved being a homemaker and loved to cook and garden. During her time here she volunteered at Tillamook General

Hospital and The Women's Crisis Center. She loved animals and during her life cared for two cats and four dogs: Salvation, Tiger, Emily, George, Lucky and Oliver.

Mercy passed away on April 19, 2021 at 9 a.m. She leaves behind her husband Bruce and her dog Oliver. Five brothers; Tito of Vancouver, BC., Jun of Salinas, CA, Francis of Hanford, CA, Eric of Orlando, FL, and Ronillo of Antipolo, Philippines.

OBITUARY POLICY
The *Headlight Herald* has three options for submitting obituaries:

BASIC OBITUARY
Includes the person's name, age, town of residence and information about funeral services – No Cost.

CUSTOM OBITUARY
You choose the length, the wording of the announcement, and if you want a small photo included – Cost is \$75 for the first 200 words, \$50 for each additional 200 words.

PREMIUM OBITUARY
Often used by families who wish to include several photos and a longer announcement, or who wish to run a thank-you list of names – Cost varies by length of announcement.

Please provide a digital version of text and photographs by email, CD or USB Drive, if possible.

All obituaries are placed on tillamookheadlightherald.com/obituaries at no cost

OBITUARIES

Jim VonSeggern

Dec. 30, 1937 - March 24, 2021

On March 24, 2021, James "Jim" VonSeggern was called home. As he stated, "God has my room ready."

Jim was born on December 30, 1937 to Gale and Gertrude (Trudy) VonSeggern in Neligh, Nebraska and moved with his family to Astoria, Oregon in 1944. He attended Star of the Sea School and graduated in

1956.

In May of 1960, Jim married Claudia Bruder at St. Mary's Catholic Church and they celebrated 60 years together in 2020.

Serving nine years in the U.S. Army, Jim then returned to Oregon and took a job with Dept. of Fish and Wildlife at the hatcheries. He worked at Siletz, Sandy, Marion Forks, and lastly, the Nehalem hatchery, where he retired after 30 years. He settled into retirement in Nehalem in 1995 where he enjoyed the time with his family until his death.

Jim enjoyed all things outdoors, but especially loved hunting, fishing, and camping. He also enjoyed the occasional reunion with his Star of the Sea buddies to go over old times.

Jim's greatest love was his family. Spending time with his sons, grandchildren, and great grandchildren was very important. He loved to be called Grandpa and Pops.

Left to carry on his legacy are his wife, Claudia, his sons Scott and Tim, adopted son Gerry Breedlong, his five grandchildren, and two great grandchildren, and sisters Elmerna and Lorna.

There will be a Celebration of Jim's life at a later date.

problems will enable her to be a dynamic and effective board member. She supports enhancing our transit system so that all of our residents can access employment, education, shopping, medical services, and recreation within Tillamook County, as well as have access to the Willamette Valley and other coastal communities.

Mary is a southern Tillamook county resident, and a person willing to bring some fresh views. Please join me and vote for Mary! Her opponent is not a public transit user. As a past GM of the TCTD I can tell you that Mary will help to invigorate this Board, bring some stability to the Medicaid ride program, and continue to help improve the Tillamook County public transportation system.

Sincerely,

Matt Mumford
Tillamook

I support Goss for school board

I am writing to express my strong support for Andrea Goss in her campaign for Tillamook School Board Position #1. I have witnessed Andrea's dedication to the well-being and education of our community's youth in a multitude of ways. I have had the honor of working alongside Andrea on several fundraisers created to raise scholarship funds for local high school students and have witnessed her 15 years of serving our youth as a CASA volunteer (Court Appointed Special Advocate) supporting youth who have been placed in the foster care system.

Having myself served as a manager of a local non-profit for 15 years I also have worked directly under Andrea's Board of Director supervision of my position. I found Andrea to be a fully committed, responsible, engaged, creative and compassionate leader. Andrea asked important questions regarding the many decisions organizations must make, including those issues related to financial and budgeting planning.

A vote for Andrea Goss will truly be a vote for our children and our schools. Andrea is a tireless advocate for the well-being of our community and especially for our children.

Please join me in voting for Andrea Goss for Tillamook School Board Position #1.

Kathleen Marvin

Elect Frankie Knight to NCRD Board

I retired as Executive Director in January. I am doing a small amount of temporary work for NCRD as a private contractor, but I write as a private citizen.

Frankie Knight III was appointed to the board in July of 2019 to fill a vacancy. He offers a rare and uniquely beneficial perspective to the board for a number of important reasons. As a youth he learned to swim at NCRD's pool. He participated in children's theatre in the auditorium (PAC) and socializing at the youth teen center. As an adult he volunteered in the fitness center and played softball at Rex Champ Field. He still swims regularly in the pool and has utilized it

for water rescue training as a member of Nehalem Bay Fire & Rescue. He was appointed to the NCRD budget committee in 2018.

As a board member he demonstrated his professionalism with excellent listening skills and a thirst for details. He would consistently engage in appropriate research into decisions and ask probing questions. When he offered opinions on various courses of action his input was always met with serious consideration and he effectively influenced positive dialogue leading to consensus. He has a mature, problem-solving approach always respectful of the perspectives of others. He has a comprehensive understanding of the north county community. These are the kinds of skills, and temperament, so critical for a member of a board of directors. His background and experience have clearly prepared him for this kind of service in a complex and vital organization such as NCRD.

I was particularly pleased when the board brought him on in 2019 because I view him as someone who will help guide NCRD for many years into the future. His extended family history here goes back a long time, and he is invested in preserving the community benefits of NCRD for his young family. We are very fortunate to have Frankie willing to serve, and we absolutely should elect him.

David Wiegand
Nehalem

Vote for Mike Gardner TSD9 Pos. 5

Mike and I first met each other my senior year of high school when he became my teacher at Wilson River School. My grades were bad and I was hardly on track to graduate to say the least. As the year went on, my attitude and attendance had gone from bad to worse. I could tell that I was a complete pain in Mike's butt, but he was a thorn in my butt too. Mike was not going to let me give up on myself.

He had a way of challenging me to get my work done. I always said that I was going to join the Marines, and that was how Mike got to me. If I was slacking or not doing the right thing, he would remind me that if I didn't pull it together I wouldn't be going in the Marines at all. One of the many lessons I learned in his class was that my actions have consequences and I wasn't going to pull a fast one on him. I could tell he cared and saw something in me that many other teachers did not. This pushed me to do better. These attributes are what makes him a perfect candidate for the school board.

If Mike would have just given up on me like so many other teachers had through the years, I could say for certain I would not be where I am today. With his guidance and tough love attitude I was able to pull myself together to graduate. Then I was able to fulfill my childhood dream of becoming an infantry Marine. Being able to do that has molded me into the man I am today, raising a family here in Tillamook. As a father with children in the school system, I trust Mike to represent us in the decision making for our children's education.

Elijah Arvin
Tillamook

My vote is to re-elect Eva Manderson

Having just completed serving 13 years on the Tillamook School District Board of Directors I walked away feeling sure that our community and the kids we serve are in great hands. During my tenure on the board our district has been faced with great challenges. During all of those challenges including the pandemic that we are faced with now, our entire district has rallied to be better and stronger and do what is best for our kids. As you consider who is the best candidate for the Board

Position 3 I strongly urge you to re-elect Eva Manderson.

Eva has been through many of the toughest challenges within our district. She was the board chair during the recruitment and hiring of a new superintendent and led our board fearlessly during that lengthy and many times unpopular activity. With her leadership and that of the other board members we have a great superintendent leading the management of our district.

What Eva brings to the district which the other candidates cannot is her expertise in early childhood education. Her work with our early learners in Tillamook County provides the rest of the board and district an understanding of the critical work needed to improve the preparation that our youngest learners need to be successful in our schools. She works in multiple local, county and state level consortiums specific to our early childhood education needs. With that knowledge and leadership I can't think of anyone more qualified to be on the Tillamook School Board.

Dave Hollandsworth,
past TSD9 Board Member

Thank you Headlight Herald editor

Dear Editor Joe Warren: Thanks for printing the article about Bill and Bea Steele in the April 13, 2021 issue. I was fortunate to work for and learn from Bill Steele from the summer of 1961 until I left Tillamook for college in the fall of 1962. This was the first real job I had, starting as a busboy/dishwasher, working my way up to fry cook. I learned how to work hard, work under time pressure, and work with many people in a small area. As mentioned, the Kentucky Fried Chicken (this was well before "KFC" days) came encased in chipped ice. We had to free the chickens from the ice by hand, cut them on a bandsaw, then count our fingers after they thawed out, just to make sure we hadn't lost any. Other occupational hazards included forearm burns when dropping the chicken pieces into the boiling oil in the pressure cookers, and minor cuts from the hand operated vegetable slicers. No silly OSHA safety regulations back then! The article did not mention Bill's considerable skill at baking praise-worthy pies. Many readers may remember my mother, Fran Smouse. Before each shift, she would remind me to cook up an extra "last batch" of chicken, so that there would always be some unsold pieces to bring home along with the left-over pie. After all that, I still love Kentucky Fried Chicken!

Scott Smouse
Bellevue, WA.

Random acts of kindness still alive in Tillamook

In these trying days of Covid a random act of kindness seems like a miracle. We experienced one yesterday. My husband and I went to the garden shop at local retail market to buy two bags of potting soil so heavy we knew that our old people couldn't lift them. We looked for help but a clerk hanging baskets brushed us off. The cashier said she would be most willing to, but we would have to wait a bit until her replacement arrived. We went to try to lift them ourselves when a young woman saw our problem and quickly put them on our wagon. We thanked her and waited in the long line to pay, wondering how we would get them in the car. As we were trying, the same woman seemingly waiting for us, came over and loaded them in the car. This is the kindness that makes our community special.

Eileen Bucklin
Tillamook

Cheesemaker baseball thumps Valiants on the road 19-7

Mike Weber
For The Herald

while allowing just three earned runs to help lead the Mooks to the victory.

“This was probably one of my best games that I’ve ever pitched, everything was working well for me and I felt like I did a pretty good job,” said Mckibbin, who kept the Valiants off balance while throwing fastballs, curveballs and changeups. “It felt pretty good to come back and win, especially since we lost our last game (a 9-5 loss at home to Seaside April 19), so this was really a fun game. I was just trying to stay focused and throw strikes and when they did hit the ball, my

teammates did the work on defense.”

The Cheesemakers, guided by first-year coach Matt Strang, play the seventh contest of their 13-game schedule Thursday at home at 4 p.m. versus the Class 3A Rainier Columbians (4-0 Special District 2) at Tillamook High School.

“We kind of realized that hitting was our weakness, so that’s what we’ve been working on every day at practice,” said Strang. “Obviously, these pitchers (Valiants) are not at the same level as the Banks pitchers are. I’m glad that we were hitting the ball hard, running

the bases well and putting 19 runs on the scoreboard was great.”

Tillamook played the defending state champion (2019) Banks Braves (5-0 league, 6-0 overall) April 23 at home and lost 10-0. The Mooks faced a tough Banks squad again on Tuesday at home (results unavailable because of Headlight Herald deadline).

Tillamook plays a 5 p.m. matchup May 3 at home against the Astoria Fishermen (1-3), followed by another game against Astoria May 5 at 5 p.m. at Astoria High School. The Mooks won 3-2 over Astoria in the first matchup between the two squads on April 17 at Astoria, which marked Tillamook’s first win over the Fishermen since 2013. It was a special victory for Strang too since it marked the first win of his coaching career.

The Mooks bounced back after a 9-5 loss at home April 19 against the Seaside Seagulls (2-2) and came-from-behind to get the impressive double-digit

victory over the Valiants last Wednesday.

“Our pitcher (Mckibbin) had a really good game and he’s been a real workhorse for us and he just had an awesome performance,” said Strang. “I’m really proud of these guys for getting a big win like this, which helps

keep us near the top of the standings. Everyone is chasing Banks right now though and they’re a really good team.”

Tillamook jumped in front in the first inning, highlighted by a two-RBI double

In what could appropriately be described as the best game they’ve played this season, the Tillamook High Cheesemakers (2-3 Cowapa League, 2-3 overall) baseball team won 19-7 over the Valley Catholic Valiants (1-3 league, 1-3 overall) in a Class 4A Cowapa League contest April 21 at Valley Catholic High in Beaverton.

Tillamook sophomore left-handed pitcher Parker Mckibbin had an absolutely stellar performance with a career-high 10 strikeouts and he scattered six hits

Thump

Continued from Page 9

by sophomore catcher Bryce Hamerl (2-for-5, five RBI, two doubles) putting the Mooks up 2-0. Valley Catholic responded by scoring three runs in the bottom half of the frame, to take a 3-2 advantage after one inning.

Tillamook knotted it 3-3 in the top of the third on an

RBI single by junior Junior Gonzales (3-for-4, RBI, two runs scored), driving home sophomore Trask Petersen (3-for-3, RBI, three singles), who earlier reached base on a walk.

In the bottom half of the inning, Hamerl had a stellar defensive play in helping to slow the Valiant offense as he threw a baserunner out at second base who was trying to steal and it remained 3-3.

Tillamook then regained the lead in the third as

Hamerl's RBI double and an RBI single by sophomore Tyler Mocrief (2-for-3, two RBI) put the Mooks up 5-3. Valley Catholic added a run in the bottom of the inning, making it 5-4.

Both squads scored three runs in the fourth and it remained a one run lead for the Mooks at 8-7 after four innings.

Tillamook then took control of the contest with an eight-run, fifth-inning offensive explosion, highlighted

by Mckibbin's two RBI triple and a two RBI double by senior Isaac Hornbeak (5-for-6, five RBI, four singles, home run). The Mooks battled around their lineup with a total of 12 batters going to the plate where they faced three Valiant pitchers.

"We did a pretty good job of hitting today and it was the best we've done so far this season," said Hornbeak, who hit a seventh inning homer. "We had some trouble batting earlier in the

season, but we've been practicing quite a bit recently and we've been working hard to improve. I'm pretty excited to see good we're playing right now."

The Mooks benefited from three walks and they pounded seven hits to take a 16-7 lead. Mckibbin struck out two batters in the bottom half of the frame to help thwart the Valiants offense.

In a scoreless sixth, Hamerl again had another defensive highlight in throw-

ing a Valiant baserunner out at third on a failed steal attempt. Tillamook senior relief pitcher Dylan Bergin didn't allow any hits and he helped prevent the Valiants from scoring in the last two innings with a strong effort on the mound.

Tillamook added three more in the seventh, highlighted by Hornbeak's two RBI homer over the 290-foot left field fence, for the final 12-run margin.

Tillamook boys golf takes match against banks

Tillamook High School boys golf opened its first round against the Banks Braves April 12 at Quail Valley Golf Club. This was the first match since COVID-19 began.

"This season we've had an amazing turn out; 15 kids playing is the most

the boys golf team has had in years," said head coach Johnny Begin. "I'm proud of this group, and all of them are 9-11th grade, so I look forward to having them again next season as this is a year for growth."

Led by Sophomore Elliot Lee who shoots an opening

round of 74 (3 birdies and an eagle), takes first in the dual match against Banks. However, Tillamook comes up short as a team 363-396.

TILLAMOOK COUNTY WELLNESS

Walking for a cause: The Knock Out Poverty Care-a-thon

Ariel Sliffka
AmeriCorps
VISTA

With beautiful summer days just around the corner, many of us are searching for reasons to enjoy the sunshine and fresh air. And what better reason to get outside than supporting the Knock Out Poverty CARE-a-thon to help alleviate poverty across Tillamook County?

Community Action Resource Enterprises (CARE) has been serving Tillamook County as a locally controlled non-profit organization for 30 years. They provide emergency services and homeless services for low-income friends and neighbors, along with administering the Healthy Families program for new parents and operating two assisted living facilities.

Due to the COVID-19 pandemic and limitations on indoor gatherings, the annual Bowl-a-thon event has been replaced by the Knock Out Poverty CARE-a-thon. Both teams or individuals will collect pledges to run or walk the equivalent of a marathon or half-marathon between Saturday, May 1st and Thursday, May 27th. It may sound like a daunting challenge, but if you run or walk just 1 mile a day from May 1st to May 27th, you will cover the entire length

of a marathon!

So how can you get involved? You can sign up as a team or an individual at www.CAREINC.org/donate or call 503-842-5261. You can also donate to runners and walkers who are looking for pledges (or you can make a donation directly to CARE). And spreading the word about the CARE-a-thon is always appreciated!

If you decide to join and register for the CARE-a-thon, you will receive an event packet that includes a pledge sheet. You can collect pledges from family, friends, neighbors, and you will have access to an online, crowdfunding page as well. With this event, you have the freedom to go at your own pace – you can run the whole event at once or do little chunks at a time. And you might find it fun to participate with your team or pod! Just make sure to maintain social distancing and wear a mask.

Here is the upcoming schedule for the CARE-a-thon:

- Friday, April 30th, 11:00 am to 6:00 pm: Race packet pick up @ CARE offices
- Saturday, May 1st, 8:00 am to 10:00: Race packet pick up @ Nehalem Bay House
- Saturday, May 1st, 10:00 am: First Mile Live @ Nehalem Bay House

(available in-person or on Facebook Live)

- Thursday, May 7th, 6:00 pm to 8:00 pm: Participant prize pick-up @ CARE offices
- Thursday, May 27th, 8:00 pm: Last Mile Live @ CARE offices (available in-person or on Facebook Live).

As stated on the CARE-a-thon registration form,

“The key is to have fun, be safe, and help CARE Knock Out Poverty in Tillamook County!”

For more local health and wellness information, visit www.tillamookcounty-wellness.org or follow Tillamook County Wellness on Facebook, Instagram and Twitter.

Parmesan Roasted Potatoes

Prep time: 10 min
Cook time: 30 min

Ingredients
- 3 cups potatoes cut in 1-inch pieces
- 2 teaspoons oil
- ¼ teaspoon each salt and pepper
- ½ cup of parmesan cheese, shredded or grated

- Directions**
1. Preheat oven to 400 degrees.
 2. In a large bowl, toss potatoes with oil, salt and pepper.
 3. Place potatoes in a single layer on a large baking sheet.
 4. Roast 25 minutes; sprinkle with cheese; roast 5 to 10 minutes more. Serve warm.

5. Refrigerate leftovers within 2 hours.
- Notes
- Try other types of cheese or a blend!

Recipe and Photo Source: <https://foodhero.org/recipes/parmesan-roasted-potatoes>

Valley Medical Services offers Lab based RT PCR Covid Testing for Travel

Results report 1-2 days after the lab receives the specimen. Specimens are shipped priority overnight via FedEx. Lab based Covid 19 Antibody Testing that report the level of Antibody response for both the IGG and IGM antibodies. This allows a person to know how strong of an antibody response they have especially after having a positive instant antibody test. Results report 2-3 days after the lab receives the specimen.

Vaccine Response Testing- detects the antibodies after vaccine administration to determine if the vaccine was successful. Results 2-3 days.

Instant antibody testing which is extremely important to have done prior to Vaccine Administration to help minimize any kind of adverse reaction as it is the Laboratories consulting Physicians recommendation that if person still has antibodies from a previous Covid 19 infection they do not get the vaccine. This also saves vaccine allotments for those more at risk. We also offer Covid 19 instant antigen testing.

For Immediate Release: April 16, 2021

Andretti Group Affiliate GP Energy Acquires Sheldon Oil

Grants Pass, Oregon: GP Energy is acquiring the retail fuels, wholesale fuels, cardlock and transportation assets of Sheldon Oil Company of Tillamook, Oregon. Sheldon Oil has elected to retain certain assets and elements of the lubricants and commercial fuels business. Sheldon Oil consists of eight (8) Shell branded company-owned and operated sites, twelve (12) Shell branded dealer sites, several unbranded fuel sites, four (4) CFN cardlocks, a fleet of over a dozen trucks, and a commercial and motor oil lubricants enterprise.

Sheldon Oil Company was founded in 1983 by Stan and Ruth Sheldon who started out with the Texaco brand. Sheldon Oil later switched to operate under Shell fuels and Petro-Canada lubricants. In the industry, they have been consistently recognized as a leader in service excellence. This family business has been led by second-generation brothers Mike and Shell Sheldon since 2001. The top-quality, well-managed retail assets will be an excellent fit with the contiguous Andretti Group assets and infrastructure that spans CA, OR, and WA.

Owner Shell Sheldon will remain a part of the new organization through the end of 2021 to ensure a smooth transition and effective integration of Sheldon Oil. He commented: "This is a milestone event for both our company and family legacy. We are so excited to have our life's work transitioned to such a world class growing operation. We have had a personal connection with leadership of the Andretti team for many years. This combination is a perfect fit at the perfect time for both our family and the Andretti family of companies."

Owner Mike Sheldon added: "This is the ideal path forward to our pursuing other personal interests all while giving my daughters, our third generation of Sheldons in the business, an opportunity to join a thriving organization and expand their prospects. There is no doubt that all our team members will flourish, while our customers and business partners will continue to be well served and highly valued."

The Sheldon Oil identity and brand will be an integral business unit of the Andretti Group. Likewise, the Sheldon Oil Tillamook, OR office and operation will continue, functioning as a satellite office to support retail, wholesale, transportation/logistics, and cardlock/fleet/commercial activities. In short, the company will largely maintain its existing operations as a Tillamook, OR based division of Andretti.

Andretti Group-GP Energy Managing Member M.J. Castelo noted, "We are delighted to add such a quality operation to our enterprise for both our customers and employees. Of course, it is an awesome responsibility to continue the success and tradition of Sheldon Oil--we are especially primed to deliver both to customers and employees."

Chairman Mario Andretti commented, "Our team is honored to be the steward of Sheldon Oil. I look forward to visiting Tillamook soon, and getting acquainted with everyone. It is my privilege to welcome new teammates and valued customers to our enterprise. We take great pride in a seamless transition and the ongoing prosperity of Sheldon Oil."

The Andretti Group is an integrated fuels wholesaler-retailer operating primarily under the Chevron, Shell, and 76 brands, as well as a Cardlock/Fleet operator under the CFN and Pacific Pride brands and a Logistics/Transport operator functioning as Arrow Logistics. The company footprint spans California, Oregon, and Washington. The company principals are auto racing legends Mario Andretti, Michael Andretti, along with longtime Managing Member M.J. Castelo. For more information, please visit <https://andretti1.com>.

HH21-86 TRUSTEE'S NOTICE OF SALE OF COMMERCIAL LOAN T.S.

No.: OR-20-878116-RM Reference is made to that certain deed made by, JEREMY T. HORTON as Grantor to MATTHEW M. CHAKOIAN, ATTORNEY AT LAW-OREGON STATE BAR #01227, as trustee, in favor of Veristone Mortgage, LLC, as Beneficiary, dated 5/22/2019, recorded 5/24/2019, in official records of TILLAMOOK County, Oregon as fee/file/instrument/microfilm/reception number 2019-02890 and subsequently assigned or transferred by operation of law to Veristone Mortgage, LLC covering the following described real property situated in said County, and State. APN: 47620 2N1032CC07500 5602-47620 PARCEL 1, PARTITION PLAT NO. 1990-20, IN THE CITY OF ROCKAWAY BEACH, TILLAMOOK COUNTY, OREGON. Commonly known as:

999
Public Notices

194 HIGHWAY 101 S, ROCKAWAY BEACH, OR 97136 The undersigned hereby certifies that based upon business records there are no known written assignments of the trust deed by the trustee or by the beneficiary and no appointments of a successor trustee have been made, except as recorded in the records of the county or counties in which the above described real property is situated. Further, no action has been instituted to recover the debt, or any part thereof, now remaining secured by the trust deed, or, if such action has been instituted, such action has been dismissed except as permitted by ORS 86.752(7). Both the beneficiary and the trustee have elected to sell the said real property to satisfy the obligations secured by said trust deed and notice has been recorded pursuant to Section 86.752(3) of Oregon Revised Statutes. There is a default by grantor or other person owing an obligation, performance of which is secured by the trust deed, or by the successor in interest, with respect to provisions therein which authorize sale in the event

999
Public Notices

of such provision. The default for which foreclosure is made is grantor's failure to pay when due the following sum: TOTAL REQUIRED TO REINSTATE: Not applicable due to loan maturity TOTAL REQUIRED TO PAYOFF: \$232,113.62 PLEASE BE ADVISED THAT REINSTATEMENT WILL NOT BE AN OPTION AT THIS TIME, AS THE ENTIRE BALANCE OF THE DEBT IS OWED AND DUE. Because of interest, late charges, and other charges that may vary from day-to-day, the amount due on the day you pay may be greater. It will be necessary for you to contact the Trustee before the time you tender reinstatement or the payoff amount so that you may be advised of the exact amount you will be required to pay. By reason of the default, the beneficiary has declared all sums owing on the obligation secured by the trust deed immediately due and payable, those sums being the following, to-wit: The loan has matured and all balances due under the terms of the promissory note dated 5/22/2019 have not been paid, including the balance

999
Public Notices

of principal and interest, along with late charges, foreclosure fees and costs, any legal fees, and/or advances that have become due. Nothing in this notice shall be construed as a waiver of any fees owing to the Beneficiary under the Deed of Trust pursuant to the terms of the loan documents. Whereof, notice hereby is given that QUALITY LOAN SERVICE CORPORATION OF WASHINGTON, the undersigned trustee will on 7/28/2021 at the hour of 1:00 PM, Standard of Time, as established by section 187.110, Oregon Revised Statutes, At the Front Entrance to the Tillamook County Courthouse, located at 201 Laurel Avenue, Tillamook, Oregon 97141 County of TILLAMOOK, State of Oregon, sell at public auction to the highest bidder for cash the interest in the said described real property which the grantor had or had power to convey at the time of the execution by him of the said trust deed, together with any interest

999
Public Notices

which the grantor or his successors in interest acquired after the execution of said trust deed, to satisfy the foregoing obligations thereby secured and the costs

999
Public Notices

and expenses of sale, including a reasonable charge by the trustee. Notice is further given that any person named in Section 86.778 of Oregon Revised Statutes has

Public Notices

194 US HWY 101 S ROCKAWAY, OR 97136 Original Borrower For Sale Information Call: 916-939-0772 or Login to: www.nationwideposting.com In construing this notice, the singular includes the plural, the word "grantor" includes any successor in interest to this grantor as well as any other person owing an obligation, the performance of which is secured by the trust deed, and the words "trustee" and "beneficiary" include their respective successors in interest, if any. Pursuant to Oregon Law, this sale will not be deemed final until the Trustee's deed has been issued by QUALITY LOAN SERVICE CORPORATION OF WASHINGTON. If any irregularities are discovered within 10 days of the date of this sale, the trustee will rescind the sale, return the buyer's money and take further action as necessary. If the sale is set aside for any reason, including if the Trustee is unable to convey title, the Purchaser at the sale shall be entitled only to

999
Public Notices

a return of the monies paid to the Trustee. This shall be the Purchaser's sole and exclusive remedy. The purchaser shall have no further recourse against the Trustor, the Trustee, the Beneficiary, the Beneficiary's Agent, or the Beneficiary's Attorney. If you have previously been discharged through bankruptcy, you may have been released of personal liability for this loan in which case this letter is intended to exercise the note holders right's against the real property only. Pursuant to ORS 86.797(4) an action for deficiency may be brought after a trustee' sale of a nonresidential

999
Public Notices

trust deed. Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale. **OFFICIAL NOTICE
OREGON DUNGENESS CRAB COMMISSION
PUBLIC BUDGET HEARING**

HH21-221

The OREGON DUNGENESS CRAB COMMISSION (ODCC) will hold a Budget Hearing virtual meeting pursuant to ORS 576.416, on Wednesday, May 19, 2021 at 10:00am upon a proposed budget for operation of the Oregon Dungeness Commission during FY July 1, 2021 - June 30, 2022. A public meeting will begin at 9:00am.

At the meeting, any Oregon Dungeness crab fisherman in Oregon selling crab through a first purchaser has a right to be heard with respect to the proposed budget. A copy is available by contacting the Crab Commission office. The 2021/2022 budget is based on an assessment of 1% of the cash value of the raw product of Dungeness crab that is landed in Oregon.

For further information or if you wish to participate, please contact: ODCC, P.O. Box 1160, Coos Bay, OR 97420. Phone: 541-267-5810; officemanager@oregondungeness.org

A request for an interpreter for the hearing impaired or for other accommodations for persons with disabilities should be made at least 48 hours before the meeting to the ODCC office at 541-267-5810. The Oregon Dungeness Crab Commission is an industry-funded state commodity commission under the Oregon Department of Agriculture

SPECIAL MEETING NOTICE

May 6, 2021

The meeting will be held at Tillamook PUD in the Emergency Operations Center located at 1115 Pacific Avenue, Tillamook, OR 97141

The Tillamook People's Utility District Board of Directors will conduct the following meeting:

- 1:00 p.m. – Special Meeting – College Work Program Interviews
 - The Board of Directors of the Tillamook People's Utility District will hold a special meeting to interview students who have applied for the Tillamook PUD College Work Program and to recommend a winner.

Those who require special accommodations should contact the PUD at 800-422-2535 or 503-842-2535.

** Revision will be italicized
