**Dear Santa,**

I have been responsible  
this year. At home I help my  
mom unload the dishwasher &  
put my clothes away. I have been  
helpful at school by helping  
Mrs. Royster put up papers in the  
hall way. A special tradition  
I did was help put up a  
village with Justin.

I would like a bareback  
pad with stirrups because

I like to ride BB bareback, but  
I don't like the feel of her spine. I  
would also like a Santa cam too,  
so you can watch Justin, Blake &  
Max. Did you know that I won  
two trophies from one day? Oh!  
Santa how many elves do you have &  
do you know Candy elf? She is  
our elf on the shelf? I  
hope your holiday is

spectacular! I hope  
your elves give you time off.

love,  
Carrie
