# We're all winners in Tillamook County

**Joe Warren**  
Publisher

Welcome to our Best of Tillamook County Readers' Choice Awards. Businesses highlighted in this section are the best of the best of Tillamook County voted by our readers.

Over the past few months, readers of the Headlight Herald and the North Coast Citizen voted on their favorite food, attractions, best local businesses and more.

We captured thou-

sands of votes online and with our official print ballots, compiled the results and are presenting them in this keepsake edition.

Inside you will find, what our readers believe to be the best bakery, where to find the best breakfast, the best brewery, who has the best clam chowder, or the best happy hour.

You will see who has the best ice cream sundae, a fun place to take a date, where to listen to music, where to get your car fixed, where to go for a cultural experi-

ence, who has the best customer service and many more categories.

We have so many hard working people who own businesses and so many who work or volunteer at some important entities that make Tillamook County

the best place on the Oregon Coast. This section highlights those committed people who provide day to day services we all need and enjoy.

It's no secret we live in one of the best places in the world, with some of the best people on the planet. Our readers have really stepped up to cast their ballot and show our business community that they, like us, appreciate all of the people, places and things that makes Tillamook County home.

Enjoy reading through this special section, and while you are at it, congratulate those who were included.

Thanks to all our readers who cast ballots and thanks to all our local businesses and entities who make Tillamook County so great. I hope you enjoy reading through the various categories, seeing who our readers chose as their favorite. When you think about it,

we're all winners here in Tillamook County.

This was such a fun and interactive promotion, we plan to bring it back in 2021, so look for ballots to go live next summer. Until then, enjoy our Readers' Choices for 2020.
