## *Winners!*

### IT'S TIME AGAIN TO UNVEIL THE 2022 READERS' CHOICE WINNERS!

This contest always generates a lot of interest in the community and pride in its various businesses and organizations who stand out because of their quality and service.

We asked you to choose your favorite local people and places and you did NOT disappoint!

The top nominees were taken from each category and put into a ballot format - you voted and the winners are highlighted on the following pages.

This year's winners deserve a big round of applause and each will receive a "Readers' Choice" award plaque that they can display at their business location showing the region that they have been recognized by the readers of the Times-News.

Thank you to all who took the time to vote on-line and in the newspaper. We have a lot to be proud of in this area and the results show.

Congratulations again to our "winners" but in our eyes everyone is a winner!
