Welcome to The Barre-Montpelier Times Argus Best of the Best Readers' Choice Awards special section — where you can find out the people, businesses and places that make Washington County and Vermont a great place to live. There were some upsets, and some mainstays kept their position at the top of the heap, but all in all these awards are really about what's great in the area.

These awards are a chance for people to find out what they might not have known, or might have had in front of them all along without really appreciating. Many of the award winners are local icons or long-time favorites, but some of them might not have had as much time in the public eye. We hope you find out for yourselves what makes these businesses and people special enough to be the Best. A big thank you goes out to the readers — once again you took the time and care to help us out, and we appreciate it and we heard you loud and clear.

So hang on to this guide, and when you're wondering where to get the best help on buying a car, where to grab a bite to eat, who to get help when looking for a service professional or what's the best place to shop local, glance through and see the advice of hundreds who know what's truly best about the region.

...to all of our customers who voted for us in the Times Argus 2022 Best of Best. We won Best Fuel Dealer and were the runner up for Best Heating/AC Contractor. We can't thank you all enough. Matt and I were in complete awe when we got the call from the Times Argus that we had won the BOB. This could not have been made possible without all of our wonderful customers. It just makes us realize that our customers truly appreciate us and everything we do for them. Thank you for your continued business.

Sincerely, Matt & Mandy White, Owners
