CUL DE SAC

I'd forgotten I had a dining room table in here.

Did you see the lovely handprint turkey centerpiece Alice made in preschool?

It's got a whole bag of cotton balls on it, and a whole roll of crepe paper and a whole jar of glitter! It's the first handprint turkey visible from the moon!

Is it true that eating turkey can make you lose consciousness?

Grandma's beet casserole! I'd forgotten how very, very maroon it is.

WOULDN'T IT MAKE MORE SENSE IF SOME OF US SAT ON THE OTHER SIDE OF THE TABLE?
