NO OFFENSE, MOTHER GARGLE...

BUT YOU'LL NEVER CATCH ME TALKING TO MYSELF LIKE YOU DO!

THAT'S ONLY BECAUSE YOU CAN'T THINK OF ANYTHING INTELLIGENT TO SAY!

I ADMIT I'VE NEVER SEEN A THERAPIST. I USUALLY TALK TO FRIENDS OR EVEN MY **DOG** ABOUT MY PROBLEMS!

EVERYONE'S DIFFERENT, SAUL. WE EACH GET WHAT WE NEED **IN OUR OWN WAY!**

I'M GLAD THERAPY'S WORKING OUT FOR YOU, EVE.

IT IS. I FELT A **SHIFT** WHEN MY THERAPIST SPOKE ABOUT FORGIVENESS AND HOW IMPORTANT IT IS...

A black and white cartoon by Mike. On the left, a king with a crown and extremely long, wavy hair stands looking up. A large speech bubble above him contains the text: "I'VE BEEN ON LOCKDOWN, TOO..". On the right, a tall, narrow, conical tower stands. At the top of the tower, a person with long hair is visible, looking out. The background features jagged, mountain-like shapes and a simple horizon line. The artist's signature "MIKE" is in the bottom right corner.
