Notification of Receipt of a Final Report (for Statewide Health Standard) (Sections 302(e)(2), 303(h)(2))

Pursuant to the Land Recycling and Environmental Remediation Standards Act, the act of May 19, 1995, P.L. 4, No. 1995-2 (Act 2), notice is hereby given that ARM Group LLC, on behalf of Seneca Resources Company, LLC (SRC) has submitted to the Pennsylvania Department of Environmental Protection a Final Report to demonstrate attainment of the Statewide Health Standards for soil at SRC's Vandergrift 290 Well Pad.

The site's coordinates are 41.7971861 degrees north latitude and -77.244505 degrees west longitude. SRC has indicated that the soil remediation measures have attained compliance with the Statewide Health cleanup standard established under the Land Recycling and Environmental Remediation Standards Act.
