

LEGAL NOTICE

Sustainability is our business

Eastern Gas Transmission & Storage (EGTS) proposes Project Stratum (Project) to meet the growing energy needs of customers across Pennsylvania. Through pipeline additions and upgrades to existing stations, the Project will increase system capacity and deliver 250,000 dekatherms per day from receipt points at Tioga County, PA to delivery points in Beaver County, PA and Clinton County, PA. Project Stratum will provide a reliable energy supply for local communities and maintain the highest safety standards for natural gas delivery to homes and businesses throughout the region.

Project Stratum will include the following upgrades in the various counties:

Clinton County, PA and Potter County, PA – *Leidy Station to Pine Mountain*

- Complete installation of 14 miles of 24-inch-diameter pipeline

Beaver County, PA – *Koppel Junction*

- Complete installation of 2 miles of 24-inch-diameter pipeline

Tioga County, PA – *Sabinsville Station*

- Installation of full-size discharge crossover piping
- Upgrades to existing facilities

Lawrence County, PA – *New measurement and regulation (M&R) Station*

- Complete construction of new M&R station

Potter County, PA – *Greenlick Station*

- Installation of crossover piping

EGTS would like to invite you to an upcoming open house to learn more:

August 3, 2026, 5:30 to 7:30

Kettle Creek Hose Company

7 Firehouse Lane

Cross Fork, PA 17729

The open house will be held in a science fair, come-and-go format. There will be no formal presentation. Project team members will be available to provide more information about the projects and upgrades in your area, answer questions, and provide an opportunity to submit feedback.

Regulatory approval for the project will be obtained via application to the Federal Energy Regulatory Commission (FERC) pursuant to Section 7(c) of the Natural Gas Act. EGTS expects to file the application with FERC in late 2026.

If you have questions or would like additional information concerning the proposed Project Stratum, please contact the EGTS team at our toll-free number +1 (855) 617-6110 or email us at stratum@erm.com. You can also visit www.AboutStratum.com for more information.
