

PUBLIC NOTICE

Pursuant to the "Noncoal Surface Mining Conservation and Reclamation Act" and the "Clean Streams Law" notice is hereby given that DeCristo, Inc., 9070 Route 414, Canton PA 17724 has made application to the Pennsylvania Department of Environmental Protection (DEP) to modify existing Surface Mine Permit #4976SM4 and NPDES Permit PA0608858. The application includes a request to change the postmining land use from pasture and woodland to commercial and utilize an alternative to approximate original contour reclamation for final reclamation grades for the permit area. The mine site is located east of SR 287 approximately 3.2 miles north of the intersection of SR 6 and SR 287, Middlebury Township, Tioga County and is known as the Tioga Quarry. The permit area is 38.1 acres. The receiving stream is Norris Brook which is classified as EV by PADEP Chapter 93. The Kennyville Pa. US Geological Survey 7.5 minute topographic map contains the area described. A copy of the application is available for public inspection at the Tioga County Conservation District Office at 1867 Shumway Hill Road, Wellsboro, PA 16901.

Written comments, objections, or a request for public hearing or informal conference may be submitted to the DEP, Moshannon District Mining Office at 186 Enterprise Drive, Philipsburg PA 16866 by January 12, 2026 and must include the person's name, address, telephone number, and a brief statement as the nature of the objection(s).
